Three baskets of lobsters were gathered up on the shore of Frog Pond one day last week.  
The funeral of the late Nelson Bishop will take place on Saturday afternoon at 2 o'clock from the residence of Captain McKay, Summerside.

Jerome F. Arsenault, Tignish, on going to his door on January 17th, saw a large seal on the shore close by him. He immediately got his gun and shot it.

The citizens of Summerside were shocked on learning of the death of Nelson Bishop, which sad event occurred suddenly of heart failure on Wednesday evening, at Peake's Station. Deceased had been a life-long resident of Summerside, until the recent fire when his dwelling was destroyed, and he removed to Peake's Station. He leaves to mourn a widow, one brother George Bishop, Summerside, and three sisters, Mrs. Mitch, Boston Mass.; Mrs. (Capt.) McKay Summerside; Mrs. David Read, Read's Corner.

A CORDIAL INVITATION TO DISSEASE.

This is an apt description of constipation. It is an unnatural condition to begin with, and it is more, because it brings about blood deterioration; interferes with digestion, renders you susceptible to infectious diseases and causes anæmia. No so much a purgative as a natural stimulant to the bowels is what you need. You get it in Dr. Hamilton's Pills which increase liver activity, restore the bowels to perfect action and positvely cure constipation and its attendant evils. Insist on having only Dr. Hamilton's Pills of Mendenhall and Butternut, 25c per box at all dealers.

The death took place, Dec. 28th, of Flora Morrison, youngest daughter of Michael Morrison, Spring Valley, in her thirty second year. Deceased was of a gentle and loving nature. She was a member of the Methodist Church, Margate. All that could be done by medical aid was without avail and she gradually passed away. She leaves a sorrowing father, a sister, Mrs. Mary Warren, and a large circle of friends and relatives to mourn their loss. Her remains were laid in Malpeque cemetery.

The semi-annual examination of the Woodstock school, 1906, was held on the afternoon of December 28th. A goodly number of parents and visitors were present. The pupils were examined by their teacher A. E. Dugart, assisted by Alvin Webb, teacher, Unincorporated. The pupils showed a very satisfactory knowledge of the different subjects in which they were examined. A few choice recitations were given which were heartily enjoyed by all. In the speeches which followed, all complimented the pupils and teacher on the good progress made. A Christmas tree loaded with candy which had been provided for the scholars by the teacher, was next in order. A vote of thanks was then tendered to the teacher for his kindness for providing such a good time for all present and also for the good work done in the past term. At the close the teacher was presented by the pupils with a Christmas present consisting of a beautiful pen pencil and box of leads. On the opening of the school on January 2, the pupils presented their teacher with a beautiful bound volume of Percy B. Shelley's poetical works, as a token of their appreciation of his work.

Two sizes, 25c and \$1.00 at all dealers.

**ADVERTISING IS BROAD.**

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadest declaration, and the broader the scope of the announcement, the better the advertising. No occupation desires attention along given and directed lines can be reasonably regarded as wasteful, nor can any funds expended to this end be adjudged extravagant. —American Medical Journal.
