PRINCE EDWARD ISLAND

And its Attractions To Tourists.

Prince Edward Island's summer climate is delightful, and scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze and the advantages that can only be derived from sea bathing at about 66 degrees.
Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company two Electric Light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its many pleasant drives the principal of which is the new Park Boulevard, its attractive surroundings, pure water and clear cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief resorts of the citizens here. It has one of the largest and best equipped pork-packing establishments in the Dominion. On the west side in the Park; on the east side are the magnificent new Exhibition Building and Driving Park. Chief among its public squares are Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, a fountain and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revere.

Summerside has above 3000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Queen, Russ, Stratheona and Campbell. Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken and Tapper hotels and in Souris the Sea View.

At Cape Traverse a very pleasant summer resort, is the Landsdown Hotel; in Alberton, the Albion Terrace and Wisner; in Tignish the Railway and Bellevue; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson's.

MEDICAL SCIENCE ADVANCES.

It is not more than half a century ago that physicians considered a surgical operation with its risk, expense and pain as the only cure for piles. To-day it is only the out of date doctors that think of such treatment. You may be kept blind, but for proof you are referred to tens of thousands of cases that have been cured by this famous preparation.

It's up To You

Doesn't that old wheel of yours push rather hard and isn't its appearance rather antiquated, and decidedly seedy as you pull it out of the cellar, and by the way, has it occurred to you what a relief it would be to your neighbors to see you seated on a brand new Massey-Harris bicycle, to say nothing of your own feelings in the matter. If you can't work it off on the boy bring it to us and we will try to make an allowance for it.
