

A HOME CURE.

Consumptives Need not Leave Their Own Homes to be Cured.

The Slocum System

Of Treatment is Offered you Absolutely Free.

A consideration not to be overlooked in the treatment of consumptives is the expense in quest of health. Some of our medical men are now advising their patients to go long distances in the hope that change of air will do them good. A lot of solemn nonsense is being said, and written, about change of climate, and its influence on the patient. "Stick to low altitudes," says one. "Go the mountains," says another. How is a poor perplexed sufferer with sore lungs, to decide among these different authorities? The fact is, people die of consumption in all climates. They recover from it too, in all climates, if they are treated properly. The only positive cure for the disease is to kill the germs that produce it. This is accomplished under the Slocum system of treatment. The disease must have nothing to feed on. That is the principle underlying the Slocum system. You carry it at your home.

POSITIVELY FREE.

You or your sick friends can have a FREE course of treatment. Simply write to THE S. S. SLOCUM CHEMICAL CO., Limited, 179 King St. West, Toronto, giving post office and express office address, and the free medicine (The Slocum Cure) will be promptly sent. When writing for them always mention this paper.
