COLD BROUGHT ON KIDNEY DISEASE

antford Lady Suffered Till Cured by Dodd's Kidney Pills

Mrs. A. H. Thomson had Heart Disease, Lumbago and Rheumatism, and Tells How She Was Restored to Health.

BRANTFORD, Ont., Dec 6.—(Special).—How Colds, LaGrippe and other minor ills settle on the Kidneys and develop Rheumatism, Heart Disease, Bright's Disease and other terribly dangerous ailments; and how any and all of them are cured by Dodd's Kidney Pills is fully shown in the case of Mrs. A. H. Thomson, whose home is at 48 Alison Street, this city. Mrs Thomson was some years ago, taken with Cold and La Grippe and Straining, which affected her Kidneys, and the result was Backache, Lumbago, Rheumatism and Heart Disease, which caused both her and her friends grave anxiety. She had suffered some years when she heard of cures effected by Dodd's Kidney Pills, and bought a box, which she used with such splendid results that she continued to take them till she was cured. Since then she has used Dodd's Kidney Pills in her own family and recommended them widely to her friends, all of whom have warm words of praise for the standard Canadian Kidney remedy, Dodd's Kidney Pills. Heart Disease, Rheumatism, Lumbago and Bright's Disease are all Kidney Diseases or are caused by diseased kidneys. You can't have any of them if you keep your Kidneys sound and your blood pure. Dodd's Kidney Pills make the Kidneys sound. Sound Kidneys strain all the impurities out of the blood.

He has retained the medal which was presented to his great ancestors by King Louis XIV of France. Another of the historic medals presented to the Chief of the Micmac by King George the III of England. The heirs of the late ex-chief, Joseph Francis, delivered it to the Bishop of Charlottetown, and owing to the illness of Bishop McDonald the duty of investiture devolved on Rev Dr McLellan of the Cathedral.
