Defensive Lapse tragic For Dodgers

NEW YORK, April 16—(AP)—On a combination of Harry Gumbert's steady six-hit pitching and defensive lapses by the Dodgers, Giants of the National League made it two straight over their neighbors at Brooklyn today 3-1.

The Dodgers were leading 1-0 and Kirby Higbe had retired the first two men to face him in the fifth when Gumbert, singled and Johnny Rucker walked. Burgess Whithead then drove a grounder at Pee Wee Reese, Dodger shortstop who fumbled the ball, and the bases were loaded. Harry Danning smacked the first pitch for a single and two runs were in for the ball game.

At Philadelphia, the Phillies' offense bogged down before Manuel Salvo's three-hit pitching as Boston's Bees evened their series at one victory each with a 4-1 triumph.

Boston sewed up the game in the first inning when successive singles by Sebastian Sisti, Carvell Rowell and Gene Moore, a hit batsman, an infield out and Eddie Miller's long fly accounted for three runs.

At Cincinnati, Morton Cooper pitched five hit ball, fanned seven and led St. Louis Cardinals to their second straight victory over the champion Cincinnati Reds 4-2.

Johnny Vander Meer, on the mound for the Reds, allowed seven hits and fanned eight but issued six passes. Backed by fine initial defense, however, he was in serious trouble only once—the eighth.

Then, two passes and an error loaded the bases with none out. Emos Slaughter grounded to Lonnie Frey who hurried to Eddie Lombardi at the plate to force Jimmy Brown and Walker Cooper grounded into a double play to end the threat.

Philadelphia Athletics run Riot over Yanks

NEW YORK, April 16—(AP)—Philadelphia Athletics took off on three of four Yankee pitchers today to take their second straight American League victory over New York 10-7.

Dick Siebert, once a Yankee farmhand, hit two home runs and a single and Bob Johnson notched one homer as the A's rolled up 13 safeties against Marvin Brewer, John Murphy and Steve Peek.

Nelson Potter, who stayed the route for the Athletics by scattering 10 hits, gave New York two runs in the first on a walk and successive doubles by Tom Henrich and Joe Dimaggio and let the bombers score in six of the nine innings. But the A's took the lead with five runs on six hits in the sixth and never were headed, although Dimaggio got his fourth hit, a homer, in the ninth.

At Cleveland, southpaw Al Milnar limited Chicago White Sox to two singles as Hal Trosky and Roy Weatherly hit homers to give Cleveland Indians a 6-0 triumph.

The Cleveland southpaw, who turned in 18 victories last season, was in top form. The only hits made against him were consecutive fifth-inning singles by Larry Rosenthal and Mike Kreevich.

At St. Louis, Detroit Tigers and pitcher Buck Newsum made their delayed start in the league race by losing 8-1 to St. Louis Browns just as they did on opening day a year ago.

It was a tight struggle between Newsum and Eiden Auker, the submarine ball ace, until the eighth inning. Then the Browns broke loose with six consecutive hits that sent Newsum to the showers and notched St. Louis seven runs.

Rudy York had tied the score 1-1 with a homer in the seventh.

At Boston, Red Sox waged another uphill struggle to edge out Washington Senators 8-7 in a 12-inning game. A single by Pete Fox in the 12th drove home the deciding run in the home club's second straight victory.

Three runs behind starting the last half of the ninth, Bobby Doerr and Jim Tabor clouted homers—Doerr's coming with Joe Crokin on base—to tie the score for Boston who sent the game into extra innings.

All Cape Breton Collieries closed As Miners strike

GLACE BAY, N. S., April 16—(C.P.)—For the first time in 16 years all Cape Breton's major collieries were closed down tonight as 10,000 striking coal miners protested the reported action of the United Mine Workers' district executive in accepting recommendations of a board that arbitrated wage disputes.

None except stables and pumpmen reported today for work in 12 collieries, 10 operated by Dominion Steel and Coal Corporation and two by the Nova Scotia Steel and Coal Company, in answer to a strike call sent out last night by an unofficial convention of U. M. W. workers.

Midnight last night was the deadline for work but only three Dominion Coal Company collieries complied then. Today, the workers at the nine other pits joined the tie-up.

District President D. W. Morrison said late today that the strike was "definitely outland in character as far as the U. M. W. executive is concerned."

The U.M.W. constitution provides that strikes must have the endorsement of the district executive.

The union executive issued no further statement after meeting during the day, it adjourned tonight and forwarded, to the district's locals a statement on the wage board report. Contents of the statement were not disclosed.

Company officials had no immediate statement. Officers of the locals concerned in the strike were silent.

There were no indications tonight of any immediate move toward further action on the part of the strikers. The convention that issued the strike call was due to convene Friday morning to decide on future moves.

The strike leaders claimed President Morrison and the executive had accepted the report of a board headed by Mr. Justice C. P. McTague of Toronto which investigated their claims for increases. The full demands of the union were not granted but certain increases in pay were recommended. The executive did not confirm it had accepted the board's recommendations.

The movement toward the general strike got under way yesterday when 47 delegates from the 13 locals met in a convention which was not sanctioned by the executive and demanded that the executive submit the question of acceptance of the report to the rank and file for a vote. There was no comment on the demand from the district executive.

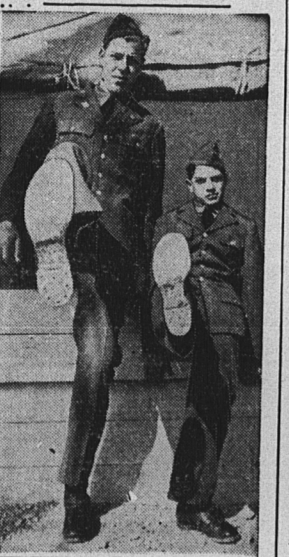

The vote was 20-13 in favor of

the strike but before the strike vote was taken delegates turned down a resolution calling for the recall of the district officers. Some of the delegates did not cast a ballot in the strike vote.

NEW CANAL URGED

The board of trade in Amherst, N.S., is urging the construction of a canal across the Isthmus of Chignecto in conjunction with the St. Lawrence seaway project. The resolution said if war came to this side of the Atlantic, sea traffic could go from the Gulf of St. Lawrence into the Bay of Fundy and down to the U.S. behind a protective mine field.

Horsemen's Dinner is Postponed

A dinner by the Victoria Driving Club, at which prizes and trophies were to be presented to successful horsemen in last winter's ice racing, has been postponed, it was announced last night. Originally the dinner was planned for Friday night of this week. However, condition of roads in rural areas would make it impossible for many horsemen to attend and the function has been delayed for one week.

REMEMBER WHEN

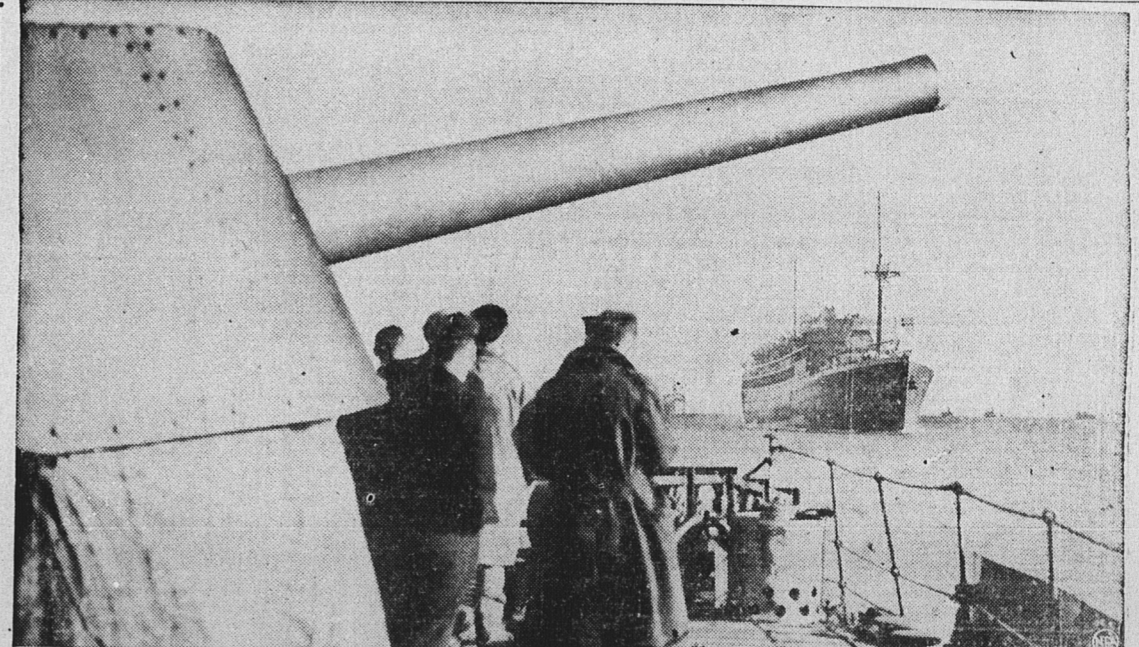

(By The Canadian Press)

Each of the first three games in the best-of-five series was decided by a lone goal. Re-men taking the first overtime 4-3 and Monarchs the next two 6-5 and 2-1. Monarchs a so won the cup the previous year.

ROME ASKS HIS RECALL

The Italian government on April 9 demanded the recall of Capt. William C. Bentley, assistant military attaché of the U.S. embassy in Rome. The action apparently was in reprisal for the U.S. move forcing withdrawal of the Italian naval attaché from Washington after it received evidence of his part in planning espionage of axis vessels.
