No Happiness in the Home When Mother is Sick

The tired, worn out mother can't make a happy home if she is sick and worried by the never ending household duties.

She gets run down and becomes nervous and irritable.

When the following season, the hybrid seed is planted.

When harvested—and it matures only five days ahead of Sunrise.

INSULATE For Comfort.

DO YOU KNOW WHY? - The Eskimo uses blocks of snow to build his igloo and—

The Pacific Islander, clay reeds, grass and bamboo to build his hut.

Because they all contain dead air cells.

SO DOES MINERAL ROCK WOOL. In fact when "blown in" by our method it contains 97% dead air space.

Avail yourself of our experience, we are the oldest and largest insulators in the East.
