Galbeck's gasoline freight boat, which operates with goods for and from his store, and warehouse at Central Bedeque was coming to Summerside a few days ago it took fire and the crew of two had an exceptional hot time but by strenuous and well directed efforts they saved the vessel, some of the boxes in the cargo were badly charred but the total damage fortunately was only slight.

—HOUSE RAIDED—A house in the eastern part of the town, owned and occupied by a middle aged man, who lived alone for some years, but has been under suspicion for some time was raided by the police during the early hours of Tuesday morning. Beside the owner, two women were found occupying the same room, the trio were arrested and lodged in jail until the afternoon when they were brought to the police court for trial. After the taking of the evidences of defendants, the case was adjourned until Thursday morning. H.

—DEATH LAMENTED—A wide circle of our friends will join us in the regret of the death of Mrs. Otis Gamble who passed away last Saturday at the residence of her daughter, Mrs. Walter Schuman, Linkletter Road, after a long illness at the age of 60. —POLICE COURT—Stipendiary Wyatt had a busy week end and a good start for the week at the Police Court at Summerside. Last Friday two drunks, neither of whom could for the life of them tell whence or how the liquor which put them in their deplorable condition was procured. One found it apparently deposited by some unknown and entirely incomprehensible agency on the floor of his room, the other had been given his by a stranger who he would never know again as it was dark at the time. One was fined \$5 and costs, the other \$2 and costs. Two ladies were up for playing Hallowe'en tricks and their case adjourned until Thursday next. —TOWN COUNCIL—The regular monthly meeting of the Summerside Town Council was held on Monday night, the Mayor and all the councillors, except Councillor McElman being present. Mr. J. A. Brace and Rev. C. De Wolfe White waited upon the council as delegates from the Childrens Aid Society and were heard before routine business was taken up. The former as the mover and the latter as the seconder presented an unanimous resolution passed by the society asking the Town Council to appoint Capt. Goodwin of the S. A. Army as special Trust Officer. Both spoke of the necessity of such an appointment and strongly in favor of it being given to Capt. Goodwin, who was willing

to serve with remuneration. The delegates then withdrew and what the matter was later discussed it was decided to postpone action to an adjourned meeting of the Council on Wednesday night. The appointment of a police officer to fill the vacancy of the resignation of Mr. James Sullivan, was also laid over till then. Besides routine the only other business transaction was the authorization of the Fire and Light committee to purchase to the best advantage a meter for the purpose of measuring the water pumped for the Water Commissioners. Council was adjourned till 7.30 Wednesday.

—WEDDING BELLS—The marriage took place at the home of the bride's parents Mr. and Mrs. J. W. Stavert, of North Bedeque, on Wednesday Nov 8th at 6 o'clock p. m. of Miss Laura Violet Stavert to Mr. Walter McCallum of Lower Bedeque. The ceremony was performed by Rev. D. K. Ross, B. A. The bride is one of Bedeque's most highly respected young ladies and the groom is a model young man one of which Lower Bedeque might well be proud. The marriage ceremony was witnessed by twenty friends and relatives of the contracting parties. After the solemn and impressive marriage service the married couple and their relatives and friends were invited to the dining room where a splendid supper was in readiness. After the beautiful table, laden with delicacies fit for a king the strains of a sirene band were heard now sweet and low and swelling into a mighty chorus like a hundred gigantic Kleasons from some Studebaker parade. Mr. and Mrs. McCallum will reside at Lower Bedeque, we wish them every success and happiness.
