MONDAY

SUPREME COURT.—The Hilary term of the Supreme Court of Queen's County meets in Charlottetown on Tuesday the 11th, at 10 a. m. A number of non-jury cases are on the docket. The grand jury will meet on the following Monday morning.

PAINFUL ACCIDENT.—Mr. Herbert O'Brien, Elmsdale, met with a very painful accident last week while working in the woods. He was limbing a tree when a piece of a dry branch flew and struck him in the eye, inflicting a bad gash. The pupil of the eye is also injured and it is not yet known whether the sight will be saved or not.—H.

WEDDING BELLS.—On Wednesday Jan. 5th at the home of the bride Miss Mazie Purdy and Mr. Lorne Crabbe, both of this city were united in marriage by the Rev. Mr. Murphy. The bride was attended by her sister, Miss Belle and the groom was supported by his brother-in-law Mr. Isaac Jenkins. The young couple will reside in Charlottetown and their many friends join in wishing them many years of happy wedded life.

MRS. ROBERTSON DEAD.—Principal S. N. Robertson of Prince of Wales College will have the sympathy of many friends in the bereavement he has sustained by the death of his mother Mrs. Isabelle Robertson, who passed away Friday evening. She was 62 years of age and had been in failing health for some time. The remains were removed from her late home, Upper Prince Street Saturday to her former home in Cape Traverse where interment will take place to-day.

FAREWELL PARTY.—On Monday, Jan. 3rd a large number of friends assembled at the home of Mr. Andrew MacEachern, Hermanville, to bid him God speed and a speedy and safe return from the war. Although bound by family ties stronger than most men, yet when the call for more men came, he responded immediately and is now enrolled as a member of the 105th Battalion. His many friends and business associates will feel his loss keenly but his example of courage will not be lost on the many younger men of the community.

A PATRIOTIC FAMILY.—Mr. and Mrs. John McLeod of Brighton have to be proud of the part their family is taking in the great war, no fewer than six of them being actively engaged in their country's cause. These are as follows: John Russel, member of the Signalling Corps in Belgium; Arthur Gordon, in the Irish Fusiliers, having enlisted in Vancouver, B.C.; Keith Hamilton, a Signaller with the Light Horse; Kenneth Warburton, in No. 5 Heavy Siege Battery; Miss Clara Scott, graduate nurse from McGill University, in a hospital in France; Miss Winifred Grace, graduate nurse from a Chicago University, now in hospital work in Cairo Egypt. The Guardian extends its congratulations to the Imperial and Patriotic parents and hopes many families in the Province will have a similar proud record to publish.

MILITARY PARADE.—About 225 men of the 105th Regiment under Colonel R. H. Campbell, marched to Grace Methodist Church yesterday morning where the Pastor, Rev. P. H. Littlejohns, delivered an eloquent sermon on the origin of the present war, his subject being "Christ the Superman." He took as his text the words "If any man is in Christ he is a new creature." He first explained the idea of the German philosopher, Nietzsche, as to which is meant by the higher type of man, which he describes as a species of man that will be evolved in the process of time, the man of will power embodied in Napoleon. The preacher then showed that Heiliche's philosophy was responsible for the German programme of war. They believed that the "Superman" was destined to influence the world and therefore accepted the "malted fist" as their ensign. The Super man is the Christ and the preacher exhorted his hearers to mould their lives according to the great Master's. The sermon was a masterpiece and was listened to with concentrated attention. The church was absolutely crowded, the congregation being unusually large. During an interval in the sermon Mr. Percy Barlow very acceptably sang an excellent solo. The musical programme was also very well rendered. The 82nd Regiment Band accompanied the men to church.

His many friends on the Island will be glad to learn of his promotion. Mr. Dalziel is a son-in-law of Mr. and Mrs. John McLeod of Charlottetown.

KINDLY REMEMBERED.—At the close of the past year, The Treasurer of The Ladies' Aid of Little Sands Presbyterian Church, waited upon Mrs. A. J. MacDonald and in the act of the congregation kindly presented her with a well-filled purse in recognition of her services as organist of the Church. Mrs. MacDonald greatly appreciated such a kind expression of their good will, and hoped the cordial relationship existing between her and all who so kindly remembered her would remain unbroken in the future as in the past.

SAD NEWS RECEIVED.—Mr. C. H. Black, Charlottetown, received a telegram conveying the sad news of the death of his eldest brother, Walter H. Black, of Seattle, Washington. Not particulars were given as to the cause of death. The late Mr. Black conducted an extensive grocery distributing business and when last heard from was enjoying his usual good health. Col. Moore of this city, who is at present in Southern California, recently visited him, a visit mutually enjoyed. The deceased was a native of Pugwash, N. S.

MILLVIEW FARMERS' INSTITUTE.—At a meeting of the Farmers' Institute held at Millview it was decided to bring the matter of a better train service on the Murray Harbour Branch before the Central Institute. It is contended that the second train would be of greater advantage to the farmer during the Fall and Spring months than it would be in Mr. Walter and the members of the Millview Institute desire the assistance of the other Institutes of the Province in bringing this matter before the proper authorities. W. C. Smith, is Secretary.

WILL PLAY THE GAME.—A Fredericton despatch says that with the announcement of the safe arrival of the draft in England, news is leaking out as to the identity of some of the hockey players said to be applying for places on the strength of the 86th Overseas Battery and likely to arrive here on Thursday night. Heading the list is none other than Chester Gregory, former Moncton star, rover, of New Glasgow a native of Charlottetown, while a close second is Billie Wilkie of Glace Bay, and they are followed by a lot of other players who have made good in both professional and amateur hockey in Cape Breton.

INSTITUTE MEETING.—The regular monthly meeting of the Miscoche Women's Institute was held in the hall on Wednesday, the 5th inst. The subject for this meeting was "The Preparation of Sunday Dinners," and some good recipes were exchanged. A paper on "The Care of Household Plants" was also read and discussed by the members present. The subject for next meeting is "The Requisitions of a Living Room."

RECEIVES MENTION.—Among Canadians mentioned by General Sir John French for special service is Capt. John Pringle, Pastor of St. Andrew's church, Sydney, neop chaplain of the Highland Brigade, C. E. F. Capt. Pringle (who is a native of Charlottetown) is named for a distinguished conduct medal.

NEEDED COMFORT.—Now that the people of Tignish have been given an efficient Station Master in Mr. Ernest McTague the only thing lacking to make the depot one of the best in this Province is a pleasant waiting room. Up to now ladies waiting on trains have to use the men's waiting room—a thing which will soon be rectified if the Railway people will stop and realize how much they owe to the travelling public especially the ladies.—Z.

That the young people of Charlottetown, and the older ones too, thoroughly enjoy a dance in the Prince of Wales College Hall was emphasized last evening when a large number of ladies and gentlemen gathered at one of the best arranged patriotic dances yet held in the city. The early part of the evening was enjoyably passed with bridge and whist, which did much to make the affair agreeable, as the progressive plan enabled those in attendance to get acquainted with one another, and when supper was laid the affair was arranged to help the Imperial Fund of that regiment and also the Patriotic Fund, and it did so most successfully.

BRIDGE.

The attendance of many of the officers and men of the 105th Highland Brigade made the occasion doubly interesting and it must not be forgotten that the affair was arranged to help the Imperial Fund of that regiment and also the Patriotic Fund, and it did so most successfully.

The dancing, which commenced at eleven o'clock, to the lively strains of the 82nd Band was irresistible and many joyful hours were whiled away tripping the light fantastic. The chaperones, Mrs. J. A. Mathieson, Mrs. S. R. Jenkins, Mrs. A. A. Bartlett, Mrs. R. H. Campbell and Mrs. T. Edgar McNutt, were untiring in their efforts to make the evening a delightful one to all the guests, and succeeded admirably, as only the pleasantest memories were carried away by the large numbers in attendance.

An excellent and well attended recruiting meeting was held last night in the Presbyterian Church at Harrington. The church was well filled and the addresses of the various speakers were listened to with the keenest attention. Rev. Major Fullerton presided and the other speakers were Rev. Canon Simpson, Rev. Mr. Coffin, Rev. Lund, Captain Hardy, Lieuts. Jenkins and Allen. A fine programme of music was rendered by Messrs. Barlow, McInnis and Hine, the latter being a member of the 105th Battalion. It is worthy
