

Eruptions

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous.

The thing to do is to help the system discharge the humors, and strengthen it against their return.

Hood's Sarsaparilla permanently cured J. G. Hines, Franka, Ill., of eczema, from which he had suffered for some time; and Miss Alvina Walter, Box 212, Algona, Wis., of pimples on her face and back and chafed skin on her body, by which she had been greatly troubled. There are more testimonials in favor of this great medicine than can be published.

The proposed visit of inspection, which Gen. Booth was to have made in October and November to the principal Salvation Army posts in Canada and the United States, has been indefinitely postponed. He may cross the ocean in January or February or perhaps not till March or April, or even later. The reasons prompting the postponement are illness of his eldest daughter in the States, which rendered it impossible for his son-in-law to accompany him, if the tour on its original dates were carried out.

READERS OF THE GUARDIAN will regret to learn of the death of Miss F. Harvey. The deceased was a clerk in Messrs. Jas. Paton & Co's store and was at work on Saturday, but on Sunday she complained of feeling unwell. A physician was summoned and it was found that the young lady was suffering from pneumonia and she at once entered the P. E. Island Hospital where she died at eight o'clock yesterday evening. The remains will be taken to Morrell this afternoon for interment.

DEAFNESS IS CURABLE! Sufferers from impaired hearing will be glad to know that their affliction is probably not due to any organic defect in the ear but results probably from a thickening of the lining of the middle ear caused by catarrhal inflammation. Hundreds of perfect recoveries as a result of the inhalation of Catarrhazone are reported and on the highest authority we recommend this treatment to our readers. Catarrhazone quickly restores lost hearing, and its efficiency is placed beyond dispute by the case of Mr. Foxall of St. Thomas, who recovered perfect hearing by using Catarrhazone, after years of deafness. Price \$1. At Druggists or by mail, from Polson & Co., Kingston, Ont.

SUPREME COURT.—Before Mr. Justice Hodgson: McDonald vs McPhee, trespass. This case was partly tried at Georgetown last winter and was adjourned to this term of the Court for additional evidence which was given yesterday. The plaintiff claims certain land by virtue of a Government deed, while the defendant claims he became an occupier under an agreement with the original owners—the Cunard estate, and that he has held the land ever since. Judgment reserved. Arthur Peters, K. C., for plaintiff and Arthur J. B. Mallish for defendant.

Messrs Greenman and Horsey D. V. are continuing their meetings in the church on Great George Street Thursday and Friday nights and Sunday at 4 and 7 p.m. The subject for Mr. Horsey's address tonight is 'The Holy Spirit's acting in the Church.' The subject last night Mr. Greenman spoke from was Salvation, Separation, Warfare and Victory, as seen in the history of Sideson, Judges 6 and 7 obs. The weather suiting, they hope to preach on Saturday night on the square upon the City where no Sin ever enters, and where no Prohibition is needed.

A very interesting event occurred at the home of Mr. Murdoch McLennan, Hartville on Wednesday Nov 6th, when his daughter Miss Euphemia was united in holy bonds of matrimony to Mr. Casbel Wm McLeod of Granville. Rev Mr. Campbell officiated, while the groom was supported by Mr. Malcolm McLennan. After the ceremony seated themselves at a table piled with the products of the culinary art. An enjoyable evening was spent with music games and etc, after which the happy pair drove their future home in Granville, followed by the best wishes of all their friends. Judging by the magnificent display of presents both bride and groom are held in high respect by the people of their community. We wish Mr. and Mrs. McLeod a bon voyage through life.

Dr. J. M. Clark the young hypnotist gave an exhibition of hypnotic power and influence in the Tryon Hall on Monday evening Nov. 11. Mr. Clark is a native of P. E. I. and a son of Mr. F. Clark formerly of Victoria and now of Nova Scotia. After describing hypnotism briefly he began his operations on Mr. John Reynolds and Bruce Hyde. Having placed them under hypnotic sleep he made them perform some laughable but wonderful feats. Among the most important performances a few may be mentioned. The performer caused the hypnotised to laugh and sing at will, to imagine they were chased by rats or that they were shooting Boers in South Africa, each having a broom or other instrument in hand for a rifle. He placed Mr. Reynolds in a hypnotic sleep and reduced his pulse 16 beats in the minute, thus showing that if a person had fever the temperature could be reduced by hypnotism. He also placed Mr. Reynolds on his back with his head on one chair and his feet on another and then stood on the body. The entertainment was interspersed with vocal and instrumental music.

MacDonald & McKinnon, DRUGGISTS, Cor. Gt. George and Kent Sts.

YESTERDAY afternoon a woman called at a dry goods store in Charlottetown and, after purchasing some goods, presented a Kruger 10s. piece in payment, saying she had received it for \$4.86. Upon being told that such could not be the case the woman said she was mistaken in the place and had received it in part payment of her wages at the Asylum. In view of the fact that a coin resembling the one presented was advertised for in THE GUARDIAN some days ago, the proprietor of the store became suspicious, and shortly afterwards he telephoned the Asylum and found that no person by the name given had been employed in that institution. If the coin should be presented again the loser would like to have it retained, as he values it very much.

L. SQUADRON, Mounted Rifles, were inspected yesterday afternoon on their parade grounds St. Peters Road. At three o'clock the squadron in line under command of Captain McDonald received the inspecting officer Lt. Col. Moore, D. O. C. with the general salute after which the squadron marched past in line, ranked past in single file and trotted past in squadron column. After adorning and retiring in review order which completed the ceremonial part of the parade the squadron was exercised in field manoeuvres, mounted and dismounted. Then followed inspection by troops in which the troop leaders took charge of their respective commands individually. The muster parade completed the inspection. The squadron paraded 80 strong, of all ranks. In the evening the squadron was inspected in Hillsboro Rink in dismounted work. The squadron marched past in half squadron and squadron column, after which followed manoeuvres in column of troops, fours, half sections and single file. The manual and firing exercises completed the inspection. This completes the annual drill for this season.

THE TITLE OR PRINCE OF WALES.

The title of the Prince of Wales has been borne by sixteen persons. Of these five died before coming to the throne, four came to the throne but were deposed and put to death one came to the throne and reigned long but was insane, four had unbroken reigns and a fifth is now adding to the number while the remaining one has just received it.

WHAT CAUSES PAIN?

Most pains and aches come from excess of uric acid poisons in the blood, due to deranged kidneys. Rheumatism, backache, lumbago, pains in the back and sides accompanied by bladder and urinary troubles, are warnings too serious and to be neglected. Dr. Chase's Kidney-Liver Pills act directly and specifically on the Kidneys, make them active, vigorous, and thoroughly cleanse these ailments. One 25 cent. box of this great Kidney medicine will do you a world of good.
