

**CARRIED OFF THE MUGS**

At the recent Commers at Bonn in honor of the German crown prince, at which the Kaiser was present, an unpleasant incident arose. The guests thought that the beer mugs were keep-sakes and carried off 650 of them. The "Borussia" corps, which acted as host, instead of settling for the mugs, has asked the guests who carried them either to return them or to send 30 cents to the proprietor of the restaurant where the Commers was held.

BENTLEY'S is the best Liniment.

I took two orders for 20,000 shares each last week not to mention a number of smaller orders of from 1250 Shares up. The Treasury Shares are ten cents (10) each and offer a good opportunity for a cheap investment in a thoroughly worthy property.

500 Shares will cost you \$50.00  
1,000 " " " " \$100.00

and as the property is a good one and the men at the head of affairs are both responsible and careful, there is a good show for your making considerable money out of these Shares inside of a year. Maps and Prospectuses cheerfully sent on application.
