#### ADDRESS OF APPRECIATION.

(From Yesterday's Evening Guardian) On Tuesday, August 12th, a number of the citizens of Georgetown assembled to say good by to Mr. A. D. McPhee, former Postmaster and family, who left for the West on the following morning. Mr. McPhee expects to locate in Moosejaw. He was presented with a handsome meerschaum pipe and the following address:

Dear Sir:—On this eve of your departure for Western Canada, we the citizens of Georgetown desire to give expression to our deep regret at the loss of a citizen who, for many years, has played such a prominent and useful part in its affairs.

As a public official you have always proved yourself most competent, courteous and attentive, never contenting yourself with the mere perfunctory discharge of the duties of your position, but endeavoring, in every way, and at all times, to serve in the fullest measure the interest of the patrons of the Post Office.

As a citizen you have always been in the front rank of those who strove for improvement and progress, and your name is written large on the records of every forward movement in the recent history of our town.

Socially the removal of yourself and your family will leave a vacancy which will not soon or easily be filled. In conclusion we again desire to express regret for your departure, but also the hope that in the Great West you will find your efforts and enterprise may bring you that measure of success which they have earned here.

Signed in behalf of the citizens of Georgetown:— W. W. Jenkins, Daniel P. McKinnon, Russel MacLean, P. J. Solomon, P. N. Manuel, E. B. McLaren, C. M. Fitzgerald, Daniel Skinner, T. E. Morrissey, D. A. Stewart, T. W. MacDonald, Elmer Jenkins, Jas. D. Steward.

At the same time the choir and Trustees of St. James R. C. Church waited on Mr. McPhee's daughter, Miss Agnes and each presented her with a purse of gold in recognition of her services as organist in their

#### "ME BIRDS."

Travellers tell us of having heard birds in Japan, which have for their sole note Me, Me, Me. They are called Me Birds. It sometimes seems as though there were many people who are a species of Me birds, who feel no obligation to others, and who consider the whole universe as simply made for themselves. God save us from selfishness.

If we sit down at set of sun, And count the things that we have done;

And, counting, find One self-denying act, one word That eased the heart of him who heard;

One glance most kind, That felt like sunshine where it went. Then we may count the day well spent.

But, if through all the livelong day, We've eased no heart by yea or nay; If through it all We've done no thing that we can trace,

That brought the sunshine to a face; No act, most small, That helped some soul, and nothing cost, Then count that day as worse than lost.

Church. Miss Agnes McPhee:—We the trustees of St. James Church, Georgetown, regret that it is your intention to accompany your parents to Saskatchewan, and that we may no longer have your valued assistance as organist in the Church.

On behalf of the congregation we beg leave to present you with the accompanying gift as a small token of esteem and appreciation of your faithful and gratuitous.

You labored for the great glory of God and we pray that He will reward you with happiness in this world as He will in the world to come.

Signed on behalf of the trustees, Archd. J. McDonald, H. Allister McDonald.

Dear Miss McPhee:— We the members of St. James' Church choir, learning with regret that this is probably the last occasion upon which you will preside at the organ in our Church, beg you to accept the accompanying gift as a slight token of esteem and appreciation of the untiring kindness and assistance which you have always given us.

We all unite in best wishes for your success and happiness in your future home. Signed— T. W. MacDonnell, Frank MacPhee, John Boudreau, John C. Yoston, Frank J. Solomon, Joseph A. MacPhee, James Hession.

#### ENTERTAINMENT AT POWNALL.

The classics are for the towns and cities, the country is saved by grace. It was by grace that a very large number of music lovers in Pownall district had a great treat served up to them on Tuesday evening by their own musician, Mr. O. P. Jones assisted by Mr. Mesinon, A. T. C. L. both prominent members of the Sydney Musical World, now on a holiday here, and Mrs. W. D. Wilson. There were twelve members in the program including selections from Von Weber Chamade, Stanford, Bachoven, Bach and Ging. Mrs. Wilson with the true Scotch touch and a very fine voice sang "Will you no come back again" and the Old Scotch Songs by special request Mrs. Jones sang "The Rosary," giving a wonderful rendering. Those present were thankful for the look into the music lovers heaven.

IT IS UNDERSTOOD that the Provincial Silver Black Foxes Ltd., of which the directors are Messrs. John Agnew, J. O. Hyndman and G. D. DeBlois have been offered a handsome price by foreign capital for all of their 1914 pups. This will mean a big thing for the stockholders of this Company, as the five pairs of foxes owned by the Company are all "Proved Breeders" and have had an average litter of four and a half pups. It therefore looks as if the earnings of the "Provincial" will be a record one. 982-41.
