To End Severe Cough Quickly, Try This

For real results, this old home-made remedy beats them all. Easily prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous home-made remedy. The immediate relief given is almost like magic. It is easily prepared, and there is nothing better for coughs.

Into a 16-oz. bottle, put 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified honey, instead of sugar syrup. Either way, this mixture saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract and palatable guaricol, the most reliable remedy for throat and chest ailments. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

(Continued) CHAPTER XX Actual Meeting

Sally flew up the stairs to the promenade deck, ignoring the magnificent elevator. She felt like a little girl, she was as young as Marjorie! This morning she didn't feel like Marjorie's mother. She swung along the broad smooth deck drawing in deep breaths of the fresh salt air. Her white pleated sport skirt billowed out around her. Her blue-and-white sweater outlined her childish figure, making her look very straight and slender. She wore white sport shoes and flesh-colored stockings. And this morning she felt as if she looked almost as smart as Myra did in her sport clothes.

Richard Alden saw her before she saw him, and he watched her from beneath narrowed lids. Yesterday, before their encounter in the tender, he had seen her to look away. He found it difficult to look at her. Her freshness and youth had a strange effect on him, more than she had in the dining room. Myra had merely glanced at him, and he knew her type only too well. She turned to stroll by his side. That indefinable curl of her mouth noticed other things about him.

MORSES TEAS ALWAYS PLEASE

They have done so for 56 Years

Was she so easily embarrassed with other men? Or was it possible that she, too, had experienced the instant liking that he felt for her? The thought exhilarated him. The deck steward departed, and Richard went toward her. Sally was tall and slim, but she had to look up at him. He was so very tall. She saw more clearly than she had in the dining room the spoiled lines in his face, but they didn't matter. His dark eyes were full of understanding. They were strange eyes, not as dark as she had thought, now that she was looking into them in clear daylight. They had amber tints which he found it difficult to look at her. Her freshness and youth had a strange effect on him, more than she had in the dining room. Myra had merely glanced at him, and he knew her type only too well. She turned to stroll by his side.
