**"Stanfield's Underwear"**

The "Tested, Tried and True" Kind.

We have handled Stanfield's Underwear for a number of years—it gives best satisfaction and best value in wear and durability. It's about the best we know of.

**Every Size—Every Weight and Quality**

**\$2.00 to \$6.00 per suit.**

**What the Saleswoman Said:**  
"Yes, we like to sell Stanfield's Truro-Knit Ladies' Underwear, as we know our customers will be delighted with it. We feel so safe with Stanfield's, too. We guarantee it not to shrink. If it does, we return the money, and the makers reimburse us."  
**Stanfield's Truro-Knit Underwear**  
is made of the finest non-irritating yarns. All the wool is of uniform length. So carefully is this underwear made that even every thread is tested before being woven. That is why Stanfield's "Truro-Knit" is so soft, light, warm and durable.  
We have Stanfield's "Truro-Knit" in such a range of sizes that we can perfectly fit every figure. And it wears so well that while a little more expensive to start with, it is really the cheapest in the end."

**FOR LADIES**

**Perfect Protection against Northwest Winters**  
Ordinary underwear is made for ordinary climates. Most makers can't appreciate the intense cold of the Northwest. Their garments are all right for freezing weather, but entirely too light for 30 to 50 below zero.  
**Stanfield's Unshrinkable Underwear**  
is knitted in special weights, especially for the severe winters of this section. It's planned by men who know the climate and the people—know exactly what they want—know how to knit it thick enough for warmth, yet not too heavy for comfort.  
Best of all—Stanfield's is guaranteed absolutely unshrinkable. All sizes to perfectly fit every figure. Leading dealers throughout the west sell Stanfield's.
