Kensington Home And School Meeting

The reading of prize essays and the presentation of prizes was the feature of the program at the regular monthly meeting of Kensington Home and School Association. There was a good attendance and the president, Mrs. F. R. Nauss was in the chair. The Creed was read by Mrs. Holman. The minutes of last meeting were read by the secretary, Miss Evangelina Greenan.

The treasurer's report, given by Mrs. L. Howard, showed a satisfactory balance. On motion it was decided to give prizes to school pupils the same as last year, including a \$10.00 prize to the pupil from Kensington School making the highest marks in participation exams. Plans were made for a pantry sale to augment funds to be ready to contribute to the purchase of a projector or send a delegate to Maritime Conference which is to be in Wolfville, N. S., July 5th to the 8th.

With the disposal of routine business the pupils who had won prizes in Essay Contest entertained the members and visitors by reading their essays. First prize in senior group was awarded to Stella Driscoll and her essay "Greater Canada" was most interesting and informative. 2nd prize won by Marlene Davison who wrote the story of Prince Edward Island's much loved authoress, Lucy Maud Montgomery. In the junior group 1st prize was won by Anne Tuplin with an interesting essay on "The Life of Charles Dickens". Freda Mayhew was awarded 2nd prize for her "Story of Transportation". A hearty vote of thanks was tendered the four young ladies for taking part in the contest and to the judges of the essays. Capt. Edward McDonald and Mr. W. H. Darrach, Ice cream and cake were served by the lunch committee the ice cream being donated by Mr. and Mrs. J. S. Burns. Thus a most successful season of Kensington Home and School Association was brought to a close.—K.

ALBERTON W. I.
Mrs. James Myrick welcomed the Women's Institute to her home for the June meeting. Seventeen members and one visitor were present. The treasurer reported a balance of \$8.72. Correspondence contained information about parcels for Britain, about radio talks for women, about W. I. handicraft display to be held in connection with the provincial exhibition and the announcement that the local W. I. Convention will be held in Alberton W. I. Hall on July 23th. Mrs. Clow and Mrs. Oulton reported bulletin boards would be useful additions to the equipment at the school. Mrs. Myrick reported visits to the hospital. Mrs. Wilkie reported that the hall had been rented five times during the month and that a strip of paper had been placed around the walls of the store to form a drop ceiling. Reporting for the Red Cross work, Mrs. C. H. Weeks said some garments had been forwarded to Charlottetown and that one person had made use of the Loan Cupboard during the past month.

The committee appointed to arrange for sponsoring a play reported that arrangements had been made for the Summerside High School group to bring their play, "Little Tin Gods" Saturday evening, but a very small number of tickets had been sold. After a lengthy discussion and careful consideration it was decided that it would not be fair to cast to bring them here without assurance of an audience and so on motion it was regretfully decided to cancel the play. New committees were appointed as follows: School committee: Mrs. A. C. Green and Mrs. A. Wilkie. Visiting Committee for June, Mrs. H. J. Larkin; for July, Mrs. V. Campbell; for August, Mrs. Clow. Hall Committee: Mrs. Eric Corbett, Mrs. S. R. Burke and Mrs. Everett Shea.

Delegates for the Provincial Convention are Mrs. A. C. Green and Mrs. Arthur Wilkie with Mrs. Joseph Callaghan, Mrs. H. J. Pike and Miss Bertha Doyle as alternates. Following the convention a picnic meeting will be held. At this meeting reports will be received from delegates. The time and place of the picnic will be decided by the executive.

The next regular meeting will be at the home of Mrs. Eric Corbett in September when each member will bring a favourite recipe for canning, pickling or preserving. The program for the evening was a display of handicraft in charge of Mrs. W. R. Oulton, Mrs. R. M. Dunn and Mrs. C. H. Weeks. Some very beautiful work was admired. It included embroidery, quilts, bedspreads, metal work, wood carving, crocheted lace, shell work, china painting, baskets, weaving, etc. Of particular interest was a spread made from the ravellings of feed bags. The meeting was brought to a close by singing the "National Anthem".
