VICTORIAS WIN DOUBLE VICTORY

(Continued from page 2.) worked well and his lack of practice was made up in his zeal to assist his club over a thorny path.

For the Vics, Burns, Rodd and A. Rattenbury were the stellar lights; Burns' swift rushes were always spectacular and gratifying to the fans. Rodd showed up well and skated strong the entire game.

The second half was about as good hockey as the first and at times the play warmed up and vigorous attempts were made on both sides to score. The Vics added two more to their three of the first half, Burns dropping both in at the opportune time. The half was particularly by the numerous penalties, none of them for very serious offences but all deserving.

The intermediate game was a good one, furnishing lots of excitement and some good exhibitions of combination and individual plays, at times some of the players, lost their heads as young bloods are likely to do, keeping the penalty box well filled. The Vics started off with a lead, Prowse putting in two goals and Gregory one while Dillon got one for the Abbies. In the second half the Vics had again the best of it, Gregory scored one and Acorn netted another for the Vics shortly before the end of the half, making the final score, Victorias 5, Abegweits 1.
