Like many others, Mrs. Percy Fraser of 644 George St., Sydney, Nova Scotia, felt that other people couldn't possibly appreciate the tremendous effort she had to make to keep going at all. She writes—
"No one knows what one suffers with arthritic pain, except the one who has it! And I've had it off and on for six years in my right shoulder and wrist—and felt so desperate by the time I first heard anything! And I'm certainly glad I tried Sarnak!
Within a week and a half after I started taking Sarnak I noticed results. Before this, I couldn't lift my arm without yelling. But I haven't felt any return of arthritic pain since I've been taking Sarnak. And I've recommended it to two of my friends, for believe me, I found Sarnak wonderful."
