NEW LINER TO SURPASS THE OLYMPIC OR TITANIC.
NEW YORK, April 12.—A contract for building a 54,000-ton trans-Atlantic liner, which means a ship that will be nearly 8,000 tons bigger than the Olympic and Titanic, has been let by the North German Lloyd Line, it is announced today. The new liner will cost about \$10,000,000 and will be the last word in ocean luxury. There will not be a single berth in the entire ship, but there will be a bed for every one, from the millionaire who pays a small fortune for a suite on the promenade deck to the humble steerage passenger.

PATON'S CHIC CHAPEAUX FOR SPRING AND SUMMER

The Guardian's representative had the pleasure yesterday of a first peep at Paton & Co's millinery and spring opening that takes place this evening in their handsome large store, and it was a decided treat. That artistic combining of shades of color produces charming effects was plainly discernible in the dress goods department where tans in all the different shades from the firm's famous Highgrade broadcloth to the serges, so much worn, were in evidence. Mr. Nelson, who is in charge, told many instances of the demand for tans this season, with blue, grey and white and black, closely followed as favorites. One gentleman, complimenting Paton's on securing so wide a range of browns said that there is a great scarcity of browns and tans east

WIFE OF THE P. M. TALKS TO WOMEN

Tells What Dodd's Kidney Pills Did For Me.
She Suffered for Two Years and Found a Cure for all Her Troubles in a Single Box.

LOWER CARAQUET, Gloucester, N. B., April 15.—(Special).—Mrs. Jos O. Chasson, wife of the police magistrate here, who for two years has been practically an invalid, is again in the best of health, and she is telling her friends how quick and complete was her cure when she took Dodd's Kidney Pills.

"My illness," Mrs. Chasson says, "was caused by a strain, and for two years I was a sufferer. My back ached, I was always tired and nervous, there were dark circles under my eyes and after sleeping I had a bitter taste in my mouth. "I had a pressure, and sharp pain on the top of my head. I was always thirsty and my skin had a harsh, dry feeling. I was often dizzy I perspired easily and my perspiration had an unpleasant odor. Almost from the first dose Dodd's Kidney Pills helped me and by the time I had finished the first box I was a well woman."

"Mrs. Chasson's symptoms showed that the trouble was her kidneys. That's why Dodd's Kidney Pills cured her so quickly."

There is something decidedly new in corduroy repps that launder so well, and comes in white, with stripes of different colors as fancy desires. Trimming in all the different Persian effects, laces, etc. are shown and each line of goods can be happily suited with trimmings and at no great price either.

One could keep on for hours telling of the exquisite ready to wear blouses, dresses, underwear, corsets, hose, handkerchiefs etc., but space does not permit as each one is invited to call and see them tonight.

There is an exceptional bargain in offered in the ready to wear department to the first 100 ladies who call. It is a black panama shirt, nicely trimmed with braid, made especially for Patons, and will be sold while they last for \$1.98.

The children are well looked after and cute coats, bonnets, dresses, etc. can be readily picked out for them. Miss Dorion, who is the firm's lady buyer, while in New York, this season was wide in her range of selections and the result is surprisingly lovely and is according to Miss Dorion's excellent taste, which the ladies of Charlottetown so well know and appreciate.

Miss Gaudet, also another Charlottetown girl who has lent the business with her present employers, has excelled herself and presents to Charlottetown ladies handsome effects as she saw them in New York and other leading cities she has visited this season.

THE KING'S COUNTY GUARDIAN

Her work speaks for itself and can be judged tonight.
There are two predominating characteristics in the spring hats—a crown size large enough to allow the hat to rest down well on the head, and the upward tilt of the brimmed shapes, which may have dashing dents to the side or back, or show the brim only gently rolled at the edge.

The Tam O'shanter crown hat has been taken on new lease of life and one in fine Milan is shown with full draped crown the bandeau being of shaded maline set off at the side by a smart Pheasant's wing.

A fetching ready-to-wear was a Bunty hat of brown, with Pöke bouffant long front and short back, with exquisite touches of lace as a trimming. The medium-sized hats, with their rolling or turned up brims, and for the most part flat, wide crowns are simply trimmed with wings, quills, or ribbon.

For instance one charming tailored hat was draped tan tussan over a grabby trown set off by a black

PATONS WAS SO RUN DOWN COULD NOT DO ANY WORK

Thought She Was So Far Gone Nothing Could Cure Her.
MILBURN'S HEART AND NERVE PILLS Made Her Strong and Healthy.

Many women get run down, and are unable to look after their household duties, owing to their nervous system becoming unstrung, and when this happens, the heart starts to work in sympathy with the nerves. In Milburn's Heart and Nerve Pills is combined a treatment that will cure all forms of nervous disorders, as well as act on the heart itself. Mrs. F. McFadyen, Brookside, Sask., writes: "It is with the greatest of pleasure I write you stating the benefit I have received from using Milburn's Heart and Nerve Pills. This spring I was so run down I could not do any work, and one day a neighbor advised me to try your Pills. I told her I was too far gone. But she told me to get a box of Milburn's Heart and Nerve Pills, which I did, and before I had finished them, I began to improve, and when I had finished the one box I was as strong and healthy as any person. Anyone who is suffering from heart or nerve troubles should take your Heart and Nerve Pills and they will soon discover their worth."

ASKS COURTS TO GET HIS FALSE TEETH BACK.
NEW YORK, April 12.—Stephen Ely, who left his false teeth behind him at a moving picture show, went to the Tombs Court and asked the magistrate to assist him in getting them back.

Ely said that a week ago, in a moving picture show in Park row he placed the false teeth on the chair beside him, then forgot about them and went away. When he returned, a day or two later, he said, the proprietor refused to surrender the teeth unless he received \$2 for the care of them. A summons was issued for the moving picture man.

JEFFERSON'S GRAVE PROPERTY OF NATION.
WASHINGTON, April 12.—The nation owns the grave of Thomas Jefferson and it is not in the possession of an individual according to evidence obtained by Mrs. Martin Litten and others interested in the "Monticello Movement."

The grave is in the old Randolph burying ground, in the heart of the Monticello property. The gift was made more than 30 years ago, but like most of the history of the Monticello estate, it is shrouded in more or less mystery. Heirs of the Randolph family signed a quitclaim of egress and ingress.

The more elaborate headwear is largely of the broad brimmed picturesque variety. Chantilly and maline laces lend themselves well to the all lace hat while some of the Gainsboroughs are of the fine straw.

An ideal Gainsborough was in black Milan, with the crown draped with willow plumes. One large plume built up high at the back gave it a graceful loveliness, while another was carried out in Alice blue shades and

"Beaver Flour"

is the finest blend of the two best wheats Canada produces—Manitoba Spring wheat and Ontario Fall wheat. One provides the rich gluten that makes bone and muscle, the other gives lightness and whiteness to the bread and pastry. Beaver Flour makes more loaves to the barrel than any other flour on the market—loaves that are sweet, nutritious and light, and it also makes delicious biscuits, cakes and pies.
