CONDITIONS OF BIBLE STUDY CONTEST

1. Persons may join the club at any time during the year, but must, of course answer the 52 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday, Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write about 34 answers on letter paper, about 34 on the back of the paper, so that the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name cut off so the examiner may know it by number only.

5. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.

6. The answers from this Local Club must be delivered to this office, and they will be collected at the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which

may be awarded to members of this Local Club will be given out from this office.

Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria

Resolena is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

DINING CAR SERVICE ON THE INTERCOLONIAL RAILWAY

The editor of the "Colonizer" an English magazine devoted to travel and transportation says in a recent issue:—

"We have tried the diners on other railways and unhesitatingly affirm the seventy-five cent meals on the Intercolonial cars are the best in every way and meet the public needs most nearly! He declares them to be equal if not superior to that on any railway it has been our experience to use, either in Great Britain, America or the European Continent."
