KINAROS 38,086

the coming Nutwood of P. E. Island. He is a great-grand son of the world's champion brood mare Miss Russel. Many horsemen are proud to boast of even one cross of this great Mare's blood, but in Kinaros we can boast of 4 crosses, what no other Stallion on P. E. I. can do. His sire was the fastest trotter of 60. of his sire's get. His grand sire was a world champion.

His dam is one of the very best brood mares on the world known, "Allen stock Farm". Her 3 yr old colt, Ballston (tr. 2) 2.29, is the sire of the largest and best colt dropped this spring at the Allen Farm, wighing 130 pounds at birth.

That Kinaros will sire size is proven, that his colts will have speed, and extreme speed is certain, that they will be racy and game is sure, and that his blood will breed on for generations is an undisputed fact.

Kinaros will leave home Tuesday, May 23, to John. M. Nicholson's Dundas, noon and over night. May 24 to Hugh MacMillan's Head St Peters Bay, noon. John Phelans, Morell, over night. May 25, to James Mooney's Peakes' Station, noon. Home again that night.

Goldzilian

by the mighty Brazilian, King of sires, the iron race horse. We never had his equal here before and when shall we see his like again? Goldzilian is undoubtedly his best son on P. E. I.

Pronounced by Judge Roberston of Ontario, last fall at the Summerside Exhibition as being the best colt he had seen in Canada. He is only a colt, and yet he is all horse every inch of him.

Goldzilian is ready to trot any stud colt of his age, size, and gait on P. E. Island. (Brazilian's excepted).

Don't fail to see this colt at owner's stables, before breeding your mares if you want large classy colts.

Palpitation of The Heart.

When the heart begins to beat irregularly or intermittently, palpitate and throb, skip beats, beats fast for a time, then go slow as to seem almost to stop, it causes great anxiety and alarm.

The least excitement or exertion seems to affect it.

Many people are kept in a state of morbid fear of death, become weak, worn and miserable, through this unnatural action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills can give prompt and premanent relief.

Mrs. John Thompson, Mill Cove, N.B., writes:—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have been troubled with weakness and palpitation of the heart; would have severe choking spells, and could scarcely lie down at all. I tried many remedies but got none to answer my case like your pills did. I can recommend them highly to all suffering with heart and nerve trouble."

Milburn's Heart and Nerve Pills are 50c. per box or 3 boxes for $1.25 at all dealers or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

CHRONICLE SIXES

Some Important Facts Briefly Told.

In view of the large subscription and advertising clientele secured as the result of the publishing of the "Nova Scotian" "Chronicle" and "Echo," the Good-Will is alone worth more than twice the amount of the bond issue.

The equity in the Chronicle Building is valued at the amount of the bond issue.

The plant and other assets covered by the mortgage by which the bonds are secured are worth several times the amount of the entire bond issue.

Thus the investors' principal is secure

The average annual net earnings for the past five years, after making liberal allowance for depreciation, were more than four and a half times the amount necessary to pay the entire bond interest.

Thus the investors' interest return is sure.

As these bonds are issued in denominations of $100, $500 and $1,000 they are available for investors of small and large amounts.

Price 100 and interest, yielding 6 per cent. on the money invested.
