S., where she will be one of the attendants at the marriage at high noon on Wednesday, in Bridgewater United Church, of Miss Marion Ryan, daughter of Rev. W. M. Ryan, formerly of Charlottetown, to Mr. Eddie Tupper, B.A., of Amherst, Maine. Miss MacLeod has been spending a three weeks' holiday at her home at Hunter River.

SAD FATALITY—The death of an immigrant to this country from Denmark, Mr. Karl Hansen, 26, took place at Frenchfort on Saturday morning under very sad circumstances. The unfortunate man was discovered near the shore about a quarter of a mile from the residence of the farmer, with whom he was employed, with part of his head and face shot away by the charge of a shot gun fired by his own hand. The actions of the Dane had always been considered peculiar, but nothing extraordinary had been noticed in his conduct immediately preceding the incident.

PRIME MINISTER ATTENDS ST. JAMES CHURCH. The services in St. James Presbyterian Church yesterday were well attended. The acting minister Rev. R. Moorehead, Legate B. D., preaching two eloquent sermons, taking the morning theme from Matthew 6-21, and in the evening from the parable of the Talents, with particular emphasis on the use of one's talent so often allowed to be dormant. Mr. Robert Messervey sang with splendid effect two selected solos at the morning service, the second being the sweetly familiar words of Tennyson's "Crossing the Bar." In the evening Mr. C. J. Gallagher was soloist, giving "Softly and Tenderly Jesus is Calling." The Prime Minister Rt. Hon. W. L. Mackenzie King attended the morning service and afterwards visited the Rev. Mr. Muir in the manse. He was accompanied by the Hon. Cyrus MacMillan, the new Minister of Fisheries.

A sad drowning occurred on Sunday afternoon about 1 o'clock at the shore at the western end of Summerside near the rifle range. Several children were bathing on the sand bars. Two children, sons of Mr. and Mrs. Edward Arsenault, were among them. The two boys, Ira and Reggie, 7 and 9 years of age respectively, tried to cross between the sand bars where the tide coming in, the water was deeper than they expected and they got out of their depth. The other children were further in and inside the bar. The two boys could not swim and went under. When the other children missed them they ran to the shore. The father and mother were on the shore and several other people. The father and another man waded out to the spot where the children were floating on the water and brought them ashore. In the meantime Leonard Fitzpatrick ran to Capt. Grady's store about three quarters of a mile away and phoned for a Summerside doctor who came immediately and went out to the spot where they had laid the boys on the bank. He worked over them for about half an hour but he expressed the opinion that they had been dead about twenty minutes before he arrived.

The bodies of the little victims were taken to their home. There are left to mourn, besides the sorrowing parents, one small brother, to whom the deepest sympathy of the community is extended. The funeral is taking place this morning from the home to St. Paul's Church and cemetery. About thirty years ago some children were drowned at that same spot and Capt. Grady assisted in bringing them ashore. The spot is very unsafe for bathing especially for children as the water is very deep between the sand bars.

An unexpected feature of Hon. Mackenzie King's visit to Summerside on Saturday was a call on the Prime Minister by Dr. J. Y. McFadyen, M. B. E., head of the administration of St. Kitts and Nevis which form a part of the group of islands in the British West Indies known as the Leeward Islands of which Antigua is the capital. Dr. McFadyen is spending a two months visit at his home in Tignish. He was requested by the government of the islands to interview the Prime Minister with regard to the tariff levied by the Canadian Government on their sugar a short time ago. The Canadian Government had removed the tax on fruit and vegetables imported into Canada from the islands and now the government was anxious to have the tax on sugar removed as the natives depended solely on the sugar crop.

Interviewed by a Guardian representative, Dr. McFadyen said the people on the islands were very desirous of trading with Canada and other parts of the Empire. There is compulsory education on the islands and the natives are highly educated and a high standard of living is maintained among the native population. Manufactured goods are bought mostly from the United States at present but the people would welcome trade with Canada as they are very imperial and would prefer to trade within the Empire. Dr. McFadyen's interview with the Prime Minister was very satisfactory. The Prime Minister promised it returned to power to do all he could for the betterment of trade with the Dominion and the islands. Dr. McFadyen is one of P. E. Island's illustrious sons and had the honor on December 25th, 1929, of receiving from His Majesty the King the order of a Member of the British Empire in recognition of his twelve years service to the Imperial Government during his residence on the islands.

NOTED PRIEST RECUPERATED—The many friends of Rev. Monsignor D. J. Gillis, both in this province and abroad, will learn with pleasure that he is quite recovered from the effects of his illness of last fall and winter and is now able to celebrate Mass. He is at present residing with his nephew Dr. E. G. Gillis, of Kensington—K.

FIFTY-FIFTH ANNIVERSARY—It is not given to many couples to celebrate the fifty-fifth anniversary of their marriage, but this is the happy fortune today of Mr. and Mrs. James Calder, 152 Hillsborough St. They were married in Glasgow, Scotland, on June 24, 1875, and came to Charlottetown 47 years ago. Both are in the enjoyment of good health, and the Guardian joins their many friends in wishing them still many more anniversaries.

WEDDING ANNIVERSARY—About forty couples gathered at the home of Mr. and Mrs. Clare Greenan of Kirkcubria on the occasion of the twenty-fifth anniversary of their wedding. A dainty lunch was served between 11 and 2. The delightful evening was spent in music and dancing. Mr. Joseph Mulligan and others gave a fine exhibition of step-dancing. Music was furnished by Messrs Mulligan, Tuplin and Driscoll. There were several speeches during the evening. At the close Mr. and Mrs. Greenan were presented with a very handsome purse—S.

FUNERAL TODAY—The citizens of Summerside were shocked to learn of the terrible tragedy, which took place on Sunday, when the two young boys of Mr. and Mrs. Edward Arsenault were drowned. The eldest boy, Herbert, aged about eleven years, who was with them but did not get into the deep water, is left to comfort his parents in their great affliction. They were a very affectionate family and the sad bereavement is a terrible blow to them all. Ira and Herbert attended the High School, and Reggie, the youngest, went to the convent. The school children of both classes sent wreaths to the family. The funeral is taking place this, Tuesday, morning at 9 o'clock, from the home to St. Paul's Church and cemetery. Rev. Urban Gillis officiating. S.

DEATH OF MRS. CHARLOTTE CAMPBELL—The death occurred at the home of her son, Mr. George Campbell, of Hamilton, Mrs. Charlotte Campbell at the age of 83 years. Mrs. Campbell had been in failing health for some time and passing quietly away on Sunday morning. Mrs. Campbell came from one of the pioneer families of which there are only two sisters surviving. Mrs. B. H. Nesbitt of Summerside and Mrs. Allen Cameron of Margate. The last of the brothers died quite recently in Boston. The deceased lady was esteemed by all who knew her as she had many fine qualities and during her long life did many kindly deeds. There are left to mourn three sons and one daughter namely: Mrs. George Burns, Spring Valley, James of Spring Valley, Russel of Indian River; George of Hamilton with whom she resided to all of whom the Guardian extends its sincere sympathy. The funeral took place on Monday afternoon from the residence to the cemetery at Malpeque. Rev. Mr. Williamson officiating and was very largely attended.—S.

SUPREME COURT—The adjourned meeting of the Trinity court of the Supreme Court will be resumed this morning. As there are no cases on the docket, the Court will be adjourned.

PASSED AWAY IN PRINCE COUNTY HOSPITAL—There passed away in the Prince County Hospital on Saturday afternoon, Mr. Dominick Gallant of Duvar. The deceased was brought down by car from his home on Saturday morning in a very critical condition and passed away shortly afterwards. He was 76 years of age and a prominent farmer of Duvar Road. Mr. Gallant will be very much missed by his many friends, as he was a brilliant conversationalist, very well informed on the topics of the day and took a keen interest in community life and was also keenly interested in educational matters. Some of his sons and daughters followed the teaching profession. He was a devout member of St. Anthony's Church and will be very kindly remembered for his many kind actions. There are left to cherish his memory his widow, one son, Dolce, at home; Mrs. John Gallant of Plusville; Mrs. Blanchard, wife of Professor Blanchard of P. W. College, Charlottetown; two sons, Manuel and Gilbert, and one married daughter in the Western States, to all of whom the sympathy of the community is extended. The funeral took place on Monday from the house to St. Anthony's Church, Rev. John Gaudet officiating, and was very largely attended. S.

HOWARD—WRIGHT—Lorette, Man, June 7.—A quiet, but pretty wedding was solemnized at the home of the bride's parents, Lorette, Man, on June 7th, when Mildred Evelyn, eldest daughter of Mr. and Mrs. Wm. Wright became the bride of Mr. Sydney Howard, Newdale, Man. Miss Wright entered the sitting room with her father, who gave her in marriage, and took her place beneath the floral arch. The bride was attired in pale blue georgette and carried a bouquet of butterfly roses, and was attended by her sister Thelma. The groom was attended by his brother, John. The nuptial knot was tied by the Rev. Mr. Leach, of Elmwood, in the presence of about fifty guests. The numbers and quality of the gifts received by the happy couple, did more than testify to their popularity. The groom's gift to the bride was a beautiful engraved wrist watch, and to the bridesmaid a lovely purse, and to the groomsmen, gold cuff links. After the wedding supper, the happy couple left for a trip through the States, and on their return will reside in Winnipeg.

Miss Katherine McIntyre, who lives with her nephew, Mr. Peter McIntyre, at his farm in New Annan, attained the great age of 104 yesterday. She is as far as is known the oldest resident of P. E. Island. Miss McIntyre celebrated her birthday quietly in bed, and received a number of callers who extended to her their felicitations. This charming old lady has enjoyed wonderful health right up to the present time. She had a mild attack of influenza in March, and although now quite recovered spends most of her time in her bed, but gets up each day and sits in her room for a short time. She still takes quite an intelligent interest in the affairs of the community, and the world at large, and is a constant reader of the Charlottetown Guardian of which she has been a subscriber for many years.

A representative of the Guardian had the pleasure of calling to see her again this year and found her not very much altered. Just a little more frail perhaps than on June 24th, 1929. Miss McIntyre is very interesting to talk to, and can relate many stories of the life of the early settlers. The chief event which stands out in her memory is the Great Fire of Miramichi, which occurred when Miss McIntyre was about ten years of age. This wonderful old lady was born quite near her present home. Her father emigrated from Scotland when a young man and later married a young lady living in that vicinity. When Miss McIntyre celebrated her one hundredth birthday, she said she was beginning to feel old, but she does not feel very much older now after another four years of life. If the old lady is spared until next year she intends to have a big celebration. Her recipe for attaining a great age is moderation in all things and an active interest in things in general. Plenty of work and some recreation. S.

Moorhead Legate will bring to a close next Sunday his term as supply of the pulpit of the Kirk, which he has filled for the last five months, and will return thereafter to Montreal. Dainty refreshments were served during the evening and a most enjoyable time was spent socially.

FUNERAL OF MRS. CHARLOTTE CAMPBELL—The funeral of Mrs. Charlotte Campbell, who passed away on Sunday at the home of her son, Mr. George Campbell, was held on Monday afternoon from the house to the cemetery at Malpeque. Gordon Manderson, Leigh Lockerby, Bertram Stewart, George Crozier, Hartwell Crozier and Colin Ramsay. S.

INVESTIGATION AT KELLY'S CROSS—Acting on information received by the Attorney General and following preliminary investigation by Chief of Police Birtwistle, Coroner Dr. J. C. Houston last evening ordered the exhumation of the body of an infant in the cemetery at Kelly's Cross. An inquest into the cause of death was held immediately afterwards. The evidence of several witnesses was taken. The mother of the child, unmarried, testified that it was born on May 13 at Truro. She had tried unsuccessfully to get it admitted into an orphanage at Halifax. On June 3rd she started to return home with the baby, but it died on the car ferry steamer before reaching Borden. She carried it on her knees for some time on the train and later placed the body in her suitcase. On the following evening after her arrival home, with the assistance of her sister she interred the body in the family plot in the cemetery at Kelly's Cross. The evidence of a brakeman on the Borden train was to the effect that he had seen mother and child on the train between Borden and Albany and that he had heard the child cry when the train was between Albany and Kinkora. Later he passed through the car, saw the woman alone and asked what had become of the baby, she told him it was in her suitcase. He asked her if it would not smother there. She said she did not think so. She then took the baby out and held it on her knee. The woman left the train at Bradabane, carrying the baby, witness helping her with the suitcase into the waiting room of the station. While he was positive that the baby was alive after the train left Borden, witness could not swear it was living when the woman got off the train. It might have died in her arms. She was travelling alone in the railway carriage at the time. The inquest was adjourned until this evening. A post mortem on the body of the infant will be made this morning in Charlottetown. Assisting Coroner Houston at the exhumation and subsequent investigation were Dr. Murdoch, Clyde River, Chief of Police Birtwistle, Police Officer Biggar, Mr. Silvere DesRoche, acting Attorney General, and Undertaker Frank Hennessey.

CORONER'S INQUEST—The coroner's inquest into the cause of death of an infant, whose body was exhumed at Kelly's Cross cemetery on Tuesday by order of the Attorney General, was concluded last evening. The report of the autopsy, made by Dr. A. J. Murchison and Dr. W. F. MacMillan was to the effect that there was nothing indicating violence or foul play and that so far as could be judged, the child may have died a natural death. The coroner's jury returned a verdict that the infant died a natural death, caused by the sudden change from breast to bottle, and incompetency of the mother to properly take care of her child.

HOME AFTER 46 YEARS—A former Islander, who has made good in the republic, is revisiting Charlottetown in the person of Mr. William Young, San Francisco, son of the late Mr. Robert Young, dry goods merchant, and half brother of our esteemed citizen, Mr. A. A. Alley. It was 46 years ago that Mr. Young left Charlottetown, and although he has travelled far in America and Europe, he has never been here since. He observes many changes in the old city, all in the way of improvement, and has no difficulty in recognizing friends of his youth, though time has not always dealt with his so gently as it has with the appearance of the city. Mr. Young intends spending a long holiday here and will enjoy receiving old acquaintances and making new ones.
