..*HEAVY GALE REPORTED.—Souris and eastern portion of King's County was visited Friday night by the heaviest gale of the season. A storm warning was received on Friday afternoon that a tropical storm was raging in mid Atlantic slowly working northwards and to warn mariners. The S. S. Enterprise which was in port on receiving the warning remained in port all night. The gale raged furiously from 10 p. m. till 4 next morning with torrents of rain. The wind which was at first from south east whirled round to south west and west. Some portions of the breakwater were detached from the southern facing and carried on top of the works. The schooner W. G. Hudson from Rustico fish laden arrived in port before the storm reached its height. It is to be feared that fields of standing grain will be seriously damaged as much of it is about ripe.—S.

..*ISLANDER DEAD.—The sad news has been received by Mrs. Vernon Shaw Montague, of the death of Mr. George Beers, of Southbridge Mass. The late Mr. Beers, and family formerly resided in Montague, where they were well and favorably known. They at one time lived at what was known as Beer's Mills, now the property of Mr. Sutherland. Later Mr. Beers, and family lived at Montague Village where he was in the employ of Mr. D. G. Cameron for a number of years, previous to their leaving Montague, which was about 14 years ago. His death took place at his late home on August 22nd, leaving a sorrowing widow, two daughters, and one son, and on the day following his funeral, his widow, received the news of her son, Frank, being killed in action in France, where he was serving his King and Empire, he was only a young man in the prime of life, and he leaves to mourn a fond memory, a heart stricken mother, a wife and one child. Every sympathy is being extended to Mrs. Beer, in this her double bereavement. Mrs. Beer is half sister to Mrs. Vernon Shaw Montague.—B.
