NOTICE—We wish to warn the public against being imposed on by unscrupulous dealers who substitute the so-called "Strawberry Compounds" for Dr. Fowler's.
 If you want to be on the safe side ask for Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY, and insist on getting what you ask for.
 The original is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. Price 35 cents.

Mrs. HOLLIDAY, Box No. 86 Wrocton, Ont., writes:—"I must say that we have used Dr. Fowler's EXTRACT OF WILD STRAWBERRY for over seventeen years, and have found nothing to equal it for all Summer Complaints, Diarrhoea, Dysentery, etc. Our house is never without a bottle of the Extract and I can recommend it to be kept in every home, especially where there are children."

Mrs. HARRY GILLILAND, Cardinal, Ont., writes:—"Our baby, was so very bad with Diarrhoea that it seemed her bowels were fairly raw. We tried everything we thought would help her but failed. A neighbor advised trying Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY. We tried it and before the end of a week our baby was as well as ever. We always keep "Dr. Fowler's in our home."

QUALITY

in the flour means quality in the bread and the pastry you bake. Without quality behind your efforts, no knowledge or skill can bring good results. Better be without the skill than without the quality.

"BEAVER" FLOUR

is the highest development of blended wheats, embracing the rich health-giving properties of Manitoba Spring wheat and the carbohydrates of Ontario Fall wheat, which make delicate, white, light bread and pastry.

Remember, it is for bread and pastry, both. With BEAVER FLOUR in the house, you only need one kind to attain the best results in every form of baking.

BEAVER FLOUR means economy as well as efficiency. Ask your grocer for it to-day.

DEALERS—Write for prices on all Feeds, Coarse Grains and Cereals.

Compare this new \$2.95 Net Waist with Usual 4.00 lines.

SOMETIMES YOU DROP INTO A STORE, and select an article that pleases you. In the hurry and bustle of choosing the article may not make a clear impression on your mind. When it comes home, undistracted by other lines, you see it alone, and you are delighted with it. That's our situation with these waists. Some weeks ago, we selected the lot from a line of samples—and even then they seemed to us about the best bargain of the kind we'd had for a long time. And when they came in—the closer inspection confirmed our estimate.

A dainty little pale ecru net waist, made over silk slip. The front shows a pretty all-over lace effect, rather heavy. The sleeves are the latest model, finished in pretty tuckings. Compare with the very best \$4.00 waist you can find anywhere else. **2.95**

The Willis is the only Piano for the home

As a rule only one piano is bought in a lifetime so that durability and permanency of tone and action are even more important than design and finish.

For brilliancy of execution, mellow richness and sympathetic singing qualities, beauty and permanency of tone, delicacy of touch and superiority of materials and workmanship, no piano can equal the Willis for home use.

Call, see and hear it to-day.

The Sick Made Well WITHOUT MEDICINE

Precious Life and Health can be saved by his New Method. All sickness is alike to

OXYDONOR

It cures by creating in the body a strong affinity for OXYGEN—The system is thus revitalized with Oxygen from the air. The disease of whatever nature—is conquered and health returns. Greater Faith Than Ever Frederickton, N. B. Jan 28, 1909.

Gentlemen:—After ten years' experience in the use of the instrument, may say that I have greater faith in what the Oxydonor can do for those that are sick or in poor health, than ever before. In my judgment it will restore health when it is possible.

Yours truly,
M. ATKINSON.
