ENGINEERS meet for recruit drill at Drill shed this evening at 8 o'clock.

THE Summerside League enjoyed a rich treat when Rev. John Goldsmith gave his lecture on Ben Hur, illustrated by seventy very attractive views.—The Wesleyan.

THE GUARDIAN regrets to learn that at a late hour last evening Mrs. (Dr.) Shaw was in a critical condition of health which causes great anxiety to her friends.

There are ten former Acadia men in attendance there. The institution has just received \$100,000, and expects by June next year to obtain \$300,000, more.—St. John Sun.

Mr. J. E. H. McCready editor will deliver his lecture on the war in South Africa in the Y. M. C. A. Hall on Saturday at 8 p. m. before the Teacher's Institute. In addition to the lecture there will be three courses, Soldiers of the Queen, by pupils of Prince Street School, Rule Britannia, by pupils of West Kent School; Red White and Blue by pupils of Queen Square School. Parents and others interested in educational work are cordially invited to be present.

THE Emersonian Evening in Kindergarten Hall last evening drew a large audience and was a marked success in every way. It opened by an exhibition by the class in physical culture and closed with the National Anthem. If a criticism might be ventured it would be on the ground that the otherwise excellent selections for recital were rather too long. They afforded a severe test of the memory and elocutionary powers of Miss Stentford, Miss Hattray, Miss Mackenzie and Messrs McPherson, and McGowan who were enabled to present a varied range of subject s in very attractive form. The musical features were Prof. Vinnicombe's orchestra and his violin solo, a vocal solo by Mr. F. J. Stanley, piano trio by the Messrs. Carroll and Kelly and Miss Florrie Earle's vocal solo (encored). A short drama, "The Champion of Her Sex," was admirably performed by Miss Macmillan and a number of her pupils. Miss Macmillan is to be congratulated on the success which attended the recital and the large number who shared in the pleasure of the evening.

THE arrests yesterday were Joseph McLeod and Peter Keenan for being drunk and incapable.

THE Easter Carol Service in the First Methodist Church will take place on Easter Monday evening. Splendid program of Carols, Anthems and Solos. Make no engagement for that evening.

THE will of the late Mrs. Ann Sears widow of John Sears, of St. John, N. B. has been probated at \$47,500 personal property. The following bequests are made: Mrs. Annie Blackwood; Tatamagouche, widow of Wm. M. Blackwood, \$500, Margaret, wife of Rev. James Layton, formerly of Elsdale, N. S., now of Marchfield, P. E. I. niece, \$500.—Colchester Sun.

SEARLETON NOTES.—The snow has nearly disappeared leaving the roads neither fit for wagons nor sleighs. Farmers are preparing for an early opening of spring. The exodus of our young men has already commenced. Mr. Morley Wright started for the land of Uncle Sam last month, and Mr. Fred Pearson goes to Truro in a day or two to join the Nova Scotia contingent of the Mounted Police, thus showing conclusively that our young men will leave their Island home under any or all governments.—We are pleased to have Mr. Fred A. Wright of North Carleton back to his home again from Bedeque where he has been spending the winter in the store of Mr. Colin Wright. Mr. R. Glover has taken his place, thus enabling him to keep in touch with his many friends in North Carleton and Searleton.—Mr. Bruce Wright is running his saw mill. Having had men and teams in his woods all winter he has manufactured a large quantity of lumber.—Our school is in a flourishing condition under the able management of Mr. Arthur Doyle, a teacher with a record second to none.—Aurora Division is still to the front doing what it can to fight the giant evil.—We are pleased to see Mr. George Crue out again, after his short but severe illness.—Mr. Abraham Norman of Albany has added to his other duties the care of a grocery store where his many friends will be welcomed at all hours and will be sure of receiving prompt attention and fair dealing.

### CHILBLAINS CURED.

There is Only One Remedy That Will Give You Instant and Permanent Relief From Chilblains, It is Griffiths' Menthol Liniment.

A well-known druggist of Toronto says: I believe every person who ever suffered from chilblains should know how quickly they can be cured by Griffiths' Menthol Liniment. When reading the circular that comes around the bottle, I saw Griffiths' Menthol Liniment recommended for chilblains. I tried it, and the relief was almost instantaneous. I have since frequently recommended it to my customers for this, and they tell me it did just the same for them. I can highly recommend it. 25 cents by all druggists.

In Germany expert men do the work on our tailor made dresses—care, skill, brains, and experience are called into constant use, and the finished garments they turn out are the equals of this world's best. Suits, Jackets and Skirts of that kind wear twice as long, have four times the style and give twenty times the satisfaction that you'll get out of "the other kind." We scarcely ask what they're really worth—See us. We furnish everything but the measurement.—Jas. Paton & Co. 23.1f
