

Mrs. Able Says:

PEOPLE ask me why my tea tastes so good. First, I use freshly drawn water. When boiling briskly I pour it over the leaves, allowing the tea to steep, not boil, five minutes. Next, I pour the tea off the leaves into another pot. In that way you get the flavor of Red Rose Tea in all its fullness and richness. Try it. In sealed packages only.

Above everything else CERTAIN-TEED stands for quality, efficiency and economy. Any product bearing the name CERTAIN-TEED will deliver all three in heaping measure.

Certain-teed Roofing Faints and Varnishes

is the most efficient type of roofing for all kinds of buildings. For the sky-scraper a built-up roof of CERTAIN-TEED is now recognized as the ideal roof. For factories, especially where the roof area is considerable, the light weight, economy and long life of CERTAIN-TEED makes it by far the most desirable type of roof. For garages, out-houses, farm buildings, the economy, ease of laying and long life make CERTAIN-TEED superior to any other. For residences CERTAIN-TEED Slate Surfaced Shingles are artistic, light weight, economical. CERTAIN-TEED costs less to lay, less to lay, and less cost of life. It is light weight, clean, sanitary, and fire retardant. It will not dry out or rust, and is absolutely weather-tight. CERTAIN-TEED is made in rolls, plain and slate surfaced; also in slate surfaced shingles. Three thicknesses, but only one quality—the best. Guaranteed 5, 10 or 15 years, according to thickness (1, 2 or 3 ply), but will outlive the period of guarantee. The long life of CERTAIN-TEED is due to its quality and the formation of a special kind of soft asphalt, that soft, and prevented from drying out, by a coating of harder asphalt.

If you are building a new roof, or need a new roof, it will pay you to invest in CERTAIN-TEED before deciding upon any type of roof. For sale by dealers everywhere.

MUCH OF REPORT NOT MADE PUBLIC. LONDON, March 10.—The Times' parliamentary correspondent wires: No state paper has created such a sensation in St. Stephens since the beginning of the war as the Dardanelles report. The members were absorbed in this remarkable document yesterday. A considerable body of opinion appeared to be in favor of a debate. One report is that the ex-Ministers and their friends think an injustice has been done to Asquith's Liberal Government, not only by the presentation of some of the facts, but by the excisions which have been made from the report. They contend from their knowledge of the transaction that the excisions blot out material facts. A demand for the publication of the report in full is actually being

SPLENDID CONCERT AT POWNALL HALL.—On Tuesday evening, 13th inst., a Pownall audience was afforded a rare treat in the rendition of a programme of high order, furnished by some of Charlottetown's very best talent, assisted by Mrs. (Dr.) McKenzie, (daughter of Mr. N. Gay, of Pownall). Every number was so good that it would be unfair to particularize. Prof. Barlow came first with a patriotic solo, then the following order was observed:—Solo, Miss Dorothy Sutherland; reading, Miss Hortense Phillips; solo, Mrs. (Dr.) McKenzie; solo, Mr. Quigley; solo, Mrs. Seth Henderson; comedy sketch, Mr. Austin Trainor; solo, Mr. Ed. Saunders; solo, Miss Hunter; solo, Mr. Barlow; comedy sketch, Mr. Trainor. Every number on the programme was most enthusiastically received. The comedy sketches by Mr. Trainor were most humorous, and he kindly responded to several encores. The accompanists were Miss Katie Stanley, Charlottetown, for the city folks (and to whose efforts the success of the concert was largely due) and Mrs. A. G. Judson, for Mrs. McKenzie. The chorus of the Pownall congregation is cordially extended to those who so kindly came from the city to help out so splendidly in this concert. The local committee consisted of Messrs. Wm. H. Drake, A. G. Judson, Pope Noy and Harry Lane.

ADDRESS AND PRESENTATION J. Lorne Stevenson, who signed on as a naval recruit, and left Friday for Halifax, was entertained by a number of his most intimate friends and associates at the home of his uncle, Mr. George H. Stevens, New Glasgow, on the evening of Monday the 5th inst. A most enjoyable time was spent in singing, games, etc. The ladies in charge, Miss Ruth Dickieson, and Miss Edna Stevenson, dispensed a generous repast, after which the guest of the evening, who has been a great favorite on account of his cheerful and many ways was presented with a purse of fifteen dollars and the following address:—

Dear Lorne:—It is with feelings of pride, mingled with regret—that we, your friends are gathered here tonight, to wish you God speed ere you take your departure from our midst. From the beginning of this present crisis our valiant comrades have been leaving us one by one to take their stand in defence of King and Country. All have suffered great hardships and privations while many have given their lives in defence of Liberty
