**McNaughton Gives Report On U. N. Effort**  
OTTAWA, May 10—(CP)—Gen. A. G. L. McNaughton, hitting out at pessimism, said tonight the United Nations has made "very remarkable progress" toward international control of atomic energy.

Canada's United Nations delegate also said that United States ascendancy in the atomic field seems assured "for a decade or so at least" and that no other nation can overtake her except by "very arduous and long process."

In a speech prepared for delivery before the United Nations Association...
