YESTERDAY'S STOCK AND BOND QUOTATIONS

MARKET GOSSIP

(By John L. Cooley, Associated Press Financial Writer.)

NEW YORK, N. Y., March 14.—Dull statistical studies of progress toward business improvement were swept aside in the principal security markets today as they turned their attention almost solely to the drama of two startling suicides.

The stock market spent most of the day trying to gauge the effects that Ivar Kreuger's unexpected death might have on listed values and business conditions. Then late in the trading day it was again caught unawares by another startling suicide announcement. The death of George Eastman probably caused no great amount of liquidation, for at no time was there any concern as to his own finances, but the sentimental effect was depressing.

Sales on the stock exchange totalled 2,634,045 shares, a fairly large proportion of which was believed to be for European account. It marked the first time in nearly a month that sales for any one day had passed the 2,000,000 share mark. Stocks declined 1 to 3 points in a majority of instances, but there were numerous specialties and especially those stocks of companies in which Kreuger and Eastman interests were larger that declined more than 3 points. The average price of 90 stocks used in the Associated Press Standard Statistics compilation down 2.3 points.

The strong race run by President Von Hindenburg in his campaign for re-election as Germany's Chief Magistrate won high favor in Wall Street investment circles.

Foreign selling was reported particularly in the Kreuger issues and in others in which the "Match King" was reported to have invested. Kreuger and toll stock, which is widely held throughout the United States, bore the brunt of this selling. It required an hour for the specialists in the stock to tabulate their over the week-end orders.

The opening transaction consisted of 150,000 shares, the largest block ever to appear on the stock exchange ticker tape in a single unit, which was quoted at 1⅞ off 3⅛ from Saturday's closing price of 5. This large operation cleared up the atmosphere considerably and later the stock firmed. It closed at 2¼.

International Match Preferred was off over 5 points. International Telephone and Telegraph, although not directly related to the Kreuger enterprises, was another active issue, but held well. The stock closed at fractional loss.

The railroad shares were sold fairly heavily on continued evidences of poor traffic.

Stocks of leading companies, including New York Central, Southern Pacific, Baltimore and Ohio, Santa Fe and Union Pacific reacted 2 to over 4 points. Likelihood that directors may omit the next dividend on Baltimore and Ohio Preferred caused fairly heavy selling of that security. U. S. Steel lost 2¼ points following publication of the company's annual report.

Losses of around 2 to 3 points appeared in J. I. Case, Consolidated Gas, Du Pont, Allied Chemical, American Telephone and American Tobacco while larger losses were reported in some specialties such as Auburn and International Business Machine.

NEW YORK, N. Y., March 14.—Raw sugar was unchanged today. Buyers were said to be willing to pay 2.76 for spots, but holders were generally asking 2.80. The only sales confirmed were 14,000 bags of Cuban from store concluded late last week to a local refiner at 2.76.

Approximate sales 20,300 tons. March closed 72, May 76, July 80, September 90, December 95, January 98.

The refined market was easy, and all refiners reduced prices 15 points to the basis of 4.00 for fine granulated. The decline however to stimulate much buying, and the demand was still limited to nearby requirements.

Quebec Safety League Asks For Protective Law

MONTREAL, Que., March 14.—(C.P.)—Once more the Province of Quebec Safety League will ask the provincial authorities to enact a law ordering the use of tear gas as a protection when deadly poisonous gases are used in disinfecting buildings, it was announced recently at the league's offices.

The league also asks that companies doing this kind of work and their employes be licensed and that specific directions be given. It is felt that a provincial regulation is needed since the danger exists not only in Montreal, but in many towns and municipalities of the province. It is thought that the best means to protect the public at large is to order the deadly gases to be mixed with tear gas, which would make it impossible for anyone to either enter or remain in a place where the deadly gas still lurked.

Teacher— Can any one tell me what are the sins of omission?

Small Boy —Yes sir; they are the sins we ought to have done and haven't!

Montreal Market Sidelights

MONTREAL, Que., March 14. (By the Canadian Press)—In common with financial markets the world over, the Montreal Stock Exchange today was hesitant while week-end developments were being digested.

A slight reaction in prices resulted with the changes confined to fractions with a few exceptions. Outstanding among the weaker issues was Canadian Pacific Common, by far the most active stock, which declined 1¾ points to 17½. The company's preliminary earnings report for 1931, issued today, showed the expected contraction in earnings, as foreshadowed in the monthly operating reports. The net earnngs at $25,682,872 compared with 338,248,658 in 1930. After dividends there was a deficit of $8,326,225 charge able to surplus.

Brazilian Traction worked almost a point lower in line with weakness in New York. On sales of 1,255 shares it closed at 13⅛, off ⅞; International Nickel, third in activity with sales of 205 shares, held unchanged at 9⅛.

The close showed 5 gains and 6 losses. Alberta Grain Preferred showed a gain of 5 points at 25 on sales of 50 shares. Amalgamated Electric Common was up ½ at 3 and the Preferred was ¾ higher at 10¾; Canada Cement up ¼ at 6¾ and Hollinger up 5 cents at $5.10.

B. C. Power lost a point at 6; Canadian Bronze was off ¼ at 13¼ and National Steel Car eased ½ at11.

Total trading was 5,449 shares of which Canadian Pacific accounted for 2,084. Friday's sales were 4,803 while on the corresponding day of last year the exchange had a turnover of 14,547 shares.

On the bond market Montreal Tramways first mortgage lost ¾ at 93 and Victory Loan, 1934, eased 20 cents to $100.60.

Sterling closed at $4.0596 and United States money at a premium of 11⅞ per cent.

Grain Market

CHICAGO

CHICAGO, Ill., March 14.—Stop-loss selling carried the wheat market sharply downward in the last hour today. Defeat of anti-Prohibition moves in Congress was construed as bearish.

Wheat closed unsteady at about the day's bottom, 2⅞-3⅜ under Saturday's finish, corn 1⅛-1½ down, oats ¾-⅞ off, and provisions unchanged to a setback of 12 cents.

WINNIPEG

WINNIPEG, March 14.—Chicago bears executed a surprise attack that caught traders napping in the closing minutes of today's market. And wheat prices cracked under heavy selling to close 6¾ cents to 1⅞ lower than Saturday's close.

May dropped 1⅝ cents to close at 65½ July eased 1⅞ to 66⅜ while October declined 1⅜ to 68⅜.

The nature of the selling was not determined. Trading up until the selling wave hit the market had been very ordinary with a range of ¼ cent. Shortly after the Chicago run had started prices had dropped sharply two cents from Saturday's final figures.

No export business could be traced and the market for the first three hours of trading was the dullest of the year with the pit at times almost deserted. Foreign advices contained little of note but the Liverpool market showed gains of ⅛ to ¼ over the week end.

Export figures for last week showed about 7,250,000 bushels of wheat and flour shipped from surplus countries. Of this total Canada and the United States were credited with only 4,626,000 bushels the balance being divided between Argentine and Australia.

Demand for cash wheat and coarse grains was dormant with prices showing little change.

—STORE BROKEN INTO—Early Sunday morning the store of Messrs. F. W. Strong at the corner of Central and Water streets, Summerside, was broken into and some cigarettes and other small things were taken. The thief or thieves gained entrance through the cellar by breaking a pane of glass in one of the windows. After taking out the glass they unfastened the catch on the inside. Evidently the thieves knew their way about as there is a drop of eight feet to the floor and nothing appeared disturbed. Reaching the floor above by the elevator entrance was gained to the store. So far the thieves have not been captured.—SS.

—RESIDENT OF ST. NICHOLAS PASSES—There passed away early Monday morning at the home of his daughter, Mrs. DesRoches, of Miscouche, Mr. Joseph J. Poirier, of St. Nicholas, at 74 years of age. The deceased was a native of St. Nicholas and had resided there all his life and was very highly esteemed by a large circle of friends. He had been ill for several months but the end came rather suddenly. There are left to mourn, his widow, four daughters and two sons, Mrs. John DesRoches, with whom he lived, Tilley, Bernice and Celena and one son, Alphonso, are in Boston; another son, Emanuel, is in Moncton. He also leaves four brothers, Andre, Sylvang and Cyrus, of Muddy Creek; John J., of Summerside, and two sisters, Mrs. Arsenault, of Ipswich, Mass., and Miss Mary M. Poirier, of Muddy Creek, to all of whom much sympathy is extended. The funeral takes place this morning at 8 a. m. from the R. C. Church at Miscouche.—S.

—Rev. Mr. Harding, of Summerside, has received word that his son, Paul, is seriously ill with rheumatic fever in a hospital in Reno, Nevada. His many friends hope that a more encouraging report will be received in the near future.—S.

FERRY DELAYED—Due to heavy ice in the Strait the car ferry was again delayed last evening, the Borden train arriving in Charlottetown at 8.25. About 50 passengers made the crossing.

FUNERAL SERVICE—The funeral of the late Miss Margaret MacMillan took place yesterday afternoon at 2.30 from Zion Church to the Peoples' Cemetery. Rev. G. Carlyle Webster officiated at the Church and grave. The pall bearers were: Messrs. Dr. S. N. Robertson, S. A. McLeod, Dr. J. H. Ayers, Murdock Ross, Donald MacKinnon and Howard Hillson.

ROTARY MEETING — At the Rotary luncheon yesterday the speaker was Rev. Dr. F. J. Coffin, who gave an interesting address on "Libraries" dealing with his own personal experience with libraries and their place and function in our modern life and civilization. He referred to the public library in Charlottetown, which he said shou'd be the centre of the educational work of the town. The need of a reading room, especially for our young people, was also stressed. Rotarian James Harris was in the chair, and the guests were: Rotarian Frank Goforth of Toronto, Rev. Dr. E.H. Ramsay and A.L. Wright of Charlottetown, Dr. A. E. Clark of Toronto and Harry Trenholm of Sackville. The musical program comprised vocal solos by Mr. Percy Williams who was heartily encored.

DEATH OF PILOT DEAN—Dr. J. S. Jenkins received word late Saturday night of the death at Winnipeg, of Godfrey Dean, the well known aviator, who spent two years flying the mail between Moncton, Summerside, Charlottetown and the Magdalens. He visited the Island last summer demonstrating the autogiro plane owned by the British Consul Cigarettes. He was a native of England, had seen service during the war, and was regarded as a very skilled and experienced pilot. He was the first and only man to "loop" an autogiro, which he did in Philadelphia last summer. A few weeks ago Mrs. Jenkins received a letter from him stating that he was being asked to carry on a western service but that he had made application to come on the Island run. However, he was sent west instead. Pilot Dean had many friends in this city, who will learn with deep regret of his untimely death.

PERSONALS

It is pleasing to note that Benoni J. Gaudet, son of Mr. and Mrs. J. B. Gaudet, Charlottetown, who has been confined to the City Hospital for the past six weeks, suffering from a serious fracture of the hip, is improving nicely although as is characteristic of a fracture case, progress toward recovery, is rather slow.

Turned Blue In The Face He Coughed So Hard
Mr. Joseph Laudhardt, Melville, Sask., writes:—"Last winter I had such a bad cold that when I started coughing I would turn blue in the face.
I went to the druggist and asked him what I could do for it, and he handed me a bottle of Dr. Wood's Norway Pine Syrup. When I had finished it I felt a lot better, so I got another one and after that was finished I never had another cough all winter."
