ARE YOU BUSY

With a pencil and paper these days trying to figure what you can do about having a real home desirably located? Maybe you are quite content to keep on throwing your money away in rent, especially when you find it impossible to get a rented place to suit your needs and requirements.

HEALTH IS THE BIG FACTOR IN TREATING RHEUMATISM EVEN AT A SPA

The first thought in maintaining life is the use or application of heat. Heat is created or manufactured in the body from the food we eat, just as heat is created in a stove or furnace from the coal, wood or oil that is burned.

As food may take a number of minutes to create heat, starved or lost children or adults, who have been without food for some time are not given food at first but they are given heat in the form of hot bricks, hot water bottles, electric pads or by other methods.

Heat stimulates the circulation in the inner and outer parts of the body, increasing or strengthening the circulation in individual parts, and throughout the entire body.

Dr. C. W. Buckley in the Journal of State Medicine, London, says: "The effect of a course of mineral water drinking may be due to purgation or purging, cleansing the bowel or intestine, and so removing toxins or poisons; this will be the effect of strong sulphur and saline waters; and to flushing of the kidneys and the tissues generally. In most rheumatic conditions, however, the external use of water in the form of baths, douches, and other methods is generally considered to be more important than the drinking of the waters."

What are the effects of the use of these hot baths, douches, and other heat methods? Dr. Buckley states that the effects are due to heat, mechanical, and chemical action that takes place in the body tissues. The heat effects will be the same whatever the character of the water employed and will influence rheumatic conditions by improving the flow of blood especially in the skin and outer tissues.

The point then is that it is the heat applied to the body by the water of the Spa (in addition of course to the massage and electric treatments) rather than the drinking of the water that does most good. There is also of course the rest and recreation forming a part of the treatment at the Spa. This is very helpful to many patients. You may not be able to go to a Spa, but heat can be applied at

CUDMORE BROS. SATURDAY SPECIALS BACON No 1 SLICED Lb. 25c EGGS Grade A Dozen - - 25c GREAT GEORGE STREET

DOWN THE BACK STRETCH Image of a horse and rider.

(Continued from page 6) Time: 2:27 1-4, 2:25 1-4, 2:30 1-4, 2:30, 2:30.

James Alexander of Saint John, (Cecil's brother) has purchased from Eddie Myers, Harrington, Delaware, the three-year-old pacing mare Bebe McElwyn (2) 2:10 1-4. This well-bred missey made three starts last season over the mile rings. She was second in 2:08 1-4 at Springfield, first in 2:10 1-4 at Sealdale, Mo., and in her other start she was unplaced. She is a big, growly filly, with a good set of legs and feet, and has all the appearance of being a formidable competitor for the slow class paces. She is a 2:26 class eligible.

The following is the summary of the race referred to in last Saturday's "Down the Back Stretch," which was won by Dr. J. M. Nicholson with Aquiri. He completed the course after the word "GO" was given, while the other competitors pulled up—note the summary in the fifth heat where the mix-up occurred.

Table with columns for race name, driver, and time. Races include Aquiri, Happy George, Miss Wrigley, and Red Wing.

It will be good news to race fans to learn that Hedley T. Fulton, Upper Stewiacke, N. S., has decided to retain his string of race horses instead of disposing of them. High Toby, 2:08 1-2, Star G. 2:09, Baronet 2:06 1-2, Early Dreams and his slower class trotters are exceptionally good race material and we hope to see them head many summaries this season.

RECEIVES SAD NEWS—Mr. Donald Stewart, Kent Street, Charlottetown, received the sad news yesterday of the death of his brother, Mr. John William Stewart in Woburn, Mass., after a short illness. The late Mr. Stewart was born at Argyle Shore, P. E. I., and emigrated to the United States about 40 years ago. His wife and one son survive.

ATTENDED SALES CONVENTION—Mr. J. David Stewart, Charlottetown, has returned from attending a convention at Moncton of the Maritime sales representatives of the McColl Frontenac Oil Company, Limited. The convention was in charge of Mr. A. J. McQuarrie, recently appointed divisional sales manager in succession to Mr. H. S. French, who has been appointed to the Western division and who leaves shortly for Winnipeg. A feature of the convention was the visit of Mr. R. N. Smith,

chief chemist of the company's central division, Toronto. Marketing and sales problems were discussed, an increase being reported of over 50 per cent in the firm's business in the Maritimes in the past three years.

CHILDREN ENTERTAINED—The Charlottetown Gyro Club sponsored an entertainment for children from the Mt. Herbert Orphanage yesterday. 29 children were brought to the city by one of the Island Motor Transport buses and were the guests of the Prince Edward Theatre management at the matinee. After the picture they were taken to a restaurant and treated by the Gyro Club.

ALTAR SOCIETY ELECTS OFFICERS—Members of the St. Dunstan's Basilica Altar Society held their meeting on Sunday evening in the assembly hall. There was a very good attendance. Mrs. James McAulay President was in the chair. The Chaplain, Rev. Louis Dougan, was present and congratulated the members on the good work they were doing. He told members that he would like to see every woman in the parish become a member, so that the Altar Society would be financially able to look after the supplying of everything needed for all church services. Officers elected for the coming year were: Mrs. James McAulay, President Mrs. J. B.

Asenaull, vice president; Mrs. Frank Sigworth, secretary-treasurer; executive, Mrs. Frank McGuigan, Mrs. P. J. McCluskey, Mrs. John Murnaghan, Mrs. Joe Coyle.

SPECIAL FULL COURSE Sunday dinner 50 cents, roast goose and chicken served from 11:30 a. m. to 2 o'clock p. m., or 5:30 to 8 o'clock. Tea cup reading week days from 2 p. m. to 9 p. m.—Nobana Tea Rooms. L-277.

OFFICIALS ARE THOUGHTFUL—Canadian National Railways this morning gave another demonstration of the lengths to which they will go to give service to its patrons. A sick man, a Mr. McPherson of Charlottetown, was a passenger on the Maritime Express this morning coming from Montreal where he had been receiving treatment. He was a stretcher case and the ordinary routine would have made it imperative that he be perhaps painfully transferred to the Island sleeper here. Instead of making such a move, railways officials shifted the sleeping cars on the two trains sent through to Halifax being sent through to Charlottetown and the Island car being attached to the Maritime for the balance of the run to Halifax. Mr. McPherson therefore rested undisturbed to the end of his journey.—(Moncton Transcript).

Every Province Represented At Bonspeil

Shown above are the ten Provincial champion curling rinks that began play Monday at the Toronto Granite Club in the eleventh annual Macdonald's Brier-Tankard round-robin competition and the Canadian single-rink championship. From left to right in each rink, the players are: Lead, second, vice-skip and skip. In the left-hand panel, from top down, is the Trent rink from Nova Scotia: G. Y. Thomas, C. W. Cox, Dr. V. D. Growe and H. M.

Ferguson. The Fredericton, New Brunswick, rink: A. H. Porter, H. B. Colwell, F. P. Hatt and C. R. Barry. Alberta is represented by the Royal Curling Club four from Edmonton: L. C. McIntyre, G. R. Manahan, J. W. Robinson and C. R. Manahan. In the centre panel, from top down, are Ontario's players from the Kitchener Granite Club: E. Hasenflug, A. Lehnen, I. M. Huntington

and A. E. Dunker. Quebec's hopes are carried by the Caledonia Club rink of Montreal: E. Maw, T. H. Stewart, J. F. Roy and W. O. Roy. From the Halleybury rink is representing Northern Ontario: M. Robb, W. A. Bescroft, D. H. Millar and E. E. Smith. From the Vancouver Club of British Columbia come the West Coast titleholders: G. W. Norgan, F. Timling, F. Avery and R. V. David.

In the right-hand panel, from top down, is Saskatchewan's rink from Moose Jaw: A. H. Graham, E. G. West, W. J. Turner and R. F. Smith. Prince Edward Island's rink comes from Charlottetown: W. W. Lord, E. L. Miles, P. S. Cobb and A. Belcher. Last but not least is Manitoba's young sharpshooters from the Deer Lodge Club of Winnipeg: H. A. Monk, J. K. Reld, F. Smith and J. Welsh.
