Scraps

**CHINESE PUZZLE.**  
Ching Ling Lung adds Chang Long Luey could not get enough chop-suey. One day they ate until they died. What did they commit chop-suey-icide?

**MOTHER WAS PRESENT**  
It was the first time in three days that Mrs. Very Rich had seen her children, so numerous were her social engagements. "Mama," asked Ruth, as her mother took her up in her arms for a kiss, "on what day was I born?" "On Thursday, dear," said the mother. "Wasn't that fortunate?" replied the little girl, "because that's your day home."

**ISN'T IT A FACT.**  
That a cavalrman unhorsed is the most easily covered? That one can show his temper only after he has lost it? That a contractor should be called

John Thompson, Fernie, B. C., is visiting in St. Peters.  
In Montague yesterday oats sold at fifty cents a bush, butter at 18c a lb, eggs at 16c a doz, pork at 8 to 8 1/2 cents a lb and hay loose per ton 6 to \$8.  
Miss Gertrude Bell, of West Royalty, and Miss Helen Stewart, of Charlottetown, are on a visit to Maynard F. and Mrs. Macdonald, Montague.

Georgetown has been saddened by the death of William Gotell, a son of Francis Gotell, of that town, aged about thirty-four years. The funeral took place Monday. Rev. Father Phelan and Dr. McMillan officiating.  
To expand a house? That no young man ever rose rapidly till he had settled down? That the plow must be soiled before the soil can be plowed? That a susceptible fellow is hardest hit by the softest glance? That in everything (except baseball) you must strike out to make a hit? That many students cannot state bald facts without splitting hairs? That the papers often refer to a man's double life as a singular career?

**FORESTALLED.**  
"Well, Mrs. Dennis, what are you going to give Pat for Christmas this year?" inquired the recipient of Mrs. Dennis's regular wash-day visits, one day at the beginning of the festive season.  
"Deed thin, ma'am, I don't know," replied Mrs. Dennis, raising herself from the wash-tub and setting her dripping arms akimbo. "I did but thinkin' I'd give him a pair of pants, but, Lord deest ye ma'am, only last night didn't he come home wid a pair on."

**BREAKING THE NEWS.**  
Marion, who had been taught to report her mistakes promptly, came to her mother one day, sobbing penitently.  
"Mother, I—I—broke a brick in the fireplace."  
"Well, that is not very hard to remedy. But how on earth did you do it, child?"  
"I pounded it with father's watch."

The Big Free Trip Contest will close on Saturday May 23, 1909. 10 Years Rheumatism In Left Knee.

Treatment at Hot Springs and Years of Experiment with Noted Physicians failed. "NERVILINE" Cured Quickly.  
Nearly every old person is troubled more or less with rheumatism, and few actually escape its manifold tortures. Some it deforms, others it disables, many it completely destroys.  
"I was born with a strong and predisposing tendency to rheumatism, my father and mother both have had it for years," writes J. H. Hunter, from Saratoga. "The aches, the pains, the throbbing muscles, I endured them all, but it was in my left knee that the disease had the worst hold. Pains of the most agonizing kind shot through my knee as if hot irons were piercing my flesh. Nothing did me any good till I used Nerviline. I rubbed it over the sore place four to six times each day and bound on warm flannel cloths. Every night I took half a glassful of Nerviline in hot sweetened water. My cure was completed after several months and I have never since had a single twinge. I strongly urge every sufferer from any rheumatic disease, Lumbago, Sciatica, Neuralgia, Toothache, or Earache to test Nerviline. I know its power over pain is simply magical."  
There is not an ingredient in Nerviline that isn't good for pain. Young and old use it, internally or externally. Safe, sure and 50 years in use. Beware of the dealer who offers you a substitute on which his profit is larger than on Nerviline. Large 25c. bottles at all dealers.

**BROAD DISCRIMINATION.**  
There is an elder of a certain church up-State who thinks that things are only half done or not well started in which he has no voice, but at a prayer meeting he offered thanks for the safe return from vacation of the minister and his wife. With proper dignity and in a loud voice he said: "O Lord, we thank Thee for bringing our pastor safe home, and his dear wife, too, O Lord, for Thou preservest man and beast."

**THE GREATEST WEALTH.**  
"Is there any compensation in money for a starved, stunted, dwarfed mind? Can lands and houses, stocks and bonds, pay a man for living a narrow, ratty, selfish life? How much money would match the wealth of a trained mind, of unfolded possibilities? Is the capacity for the appreciation of the meaning of life, of the lessons of civilization, worth no more than one's bread and butter and roof? Can any one conceive of greater possessions than an intellect well trained and disciplined, that is broad, deep, full-orbed mind responsive to all beauty, all good?—O. S. M."

This Tells How Female Ailments Are Best Treated and Cured

Ask any intelligent physician what causes nine-tenths of all female disease, even including anaemia, nervousness and consumption? Back comes the answer—"Constipated Bowels."  
There is scarcely a female ailment that had not in its earlier stages symptoms of constipation. How much better off the system is with the poisonous accumulations caused by constipation. How much clearer the complexion, how much fresher one feels when the system is pure and clean. Think it over yourself. Isn't it apparent that a bowel regulator and liver stimulant like Dr. Hamilton's Pills is sure to do you good? Gay spirits, good looks and happy health have returned to many a sick woman through Dr. Hamilton's Pills.  
Better get a few boxes to-day: purely vegetable, free from injurious ingredients, healthful and antiseptic. \$1.00.
