SUCCESSFUL MEN

MANY OF THEM ARE HANDICAPPED WITH CATARRHAL DISEASES.

Dr. A. W. CHASE COMES TO THEIR AID.

Success in life is almost impossible for a man with bad breath. Nobody wants to do business with him. Nobody wants to associate with him. He is handicapped everywhere. Offensive breath comes from catarrh; sometimes from catarrh of the stomach, sometimes of the lungs, sometimes of the head, nose, and throat. It is from catarrh somewhere, and catarrh is another name for uncleanness. Many men understand this, and make every effort to cure it, but it is beyond the reach of ordinary practice. No self-respecting man can ignore catarrh. If he has it in any form he makes constant effort to be rid of it. There is something about the manner of life and the climate of Canada that seems to breed diseases of the mucous membrane. Medical science ordinarily doesn't try to cure catarrh; it "relieves" it; but Dr. Chase has been curing catarrh for over thirty years, and his name is blessed by thousands who have shaken off the grasp of this insidious disease. Sold by all dealers price 25 cents per box, blower free.
