

The Advantages to be Gained

—by appointing the Dominion Trust Company as your Executor are many. An important feature is, that it has a fixed place of business where it is accessible at all times during business hours.

The individual Executor is oftentimes ill, is away from his office through other business calls or may be absent from town taking a vacation. Or he may die, necessitating the appointment of another person at additional expense to the estate.

All of these inconveniences and contingencies may be prevented by your appointing this Company, which is always at home, to thoroughly supervise the management of your estate.

The cost is no more than that allowed the individual and is usually less. One of our booklets on this subject will give you some very interesting information.

Milton Silver Patch Fox Co.

Capital \$16000 Shares \$50

Very little information has been given the public regarding the immense possibilities of Patch Fox Ranching—in fact very few were bred in captivity until last year. The test more than exceeded the expectations of the owners as in every litter was found one or two Black Beauties. Another point to consider is that the fur which has advanced over 150 p. c. in value during the past year, is very popular with the nobility and the wealthy class.

If you consider carefully the above indisputable facts you will be convinced that the Milton Silver Patch Fox Co. is offering to the public a proposition hard to beat. The six pairs of foxes owned by the Company were not picked up at random but were carefully selected by men of several years experience in handling all classes of foxes. Most of the foxes in this Company are but slightly removed from the silvers. The very low capitalization of \$16,000 for six pairs lets the investor in on the ground floor.

The ranch which is located at Milton is built of the best possible material and is up to date in every respect. The manager D. W. Howard has had several years experience in the raising and handling of foxes, and the services of an assistant has been secured who has had two years successful experience along this line. Mr. Investor, consider this proposition carefully—remember you only have about six months to wait for dividends. As there are only a few shares left don't delay, but send in your application today.

...SUDDEN DEATH.—On Tuesday 31st, inst., the people of Georgetown were shocked and deeply grieved by the news that Mrs. Wm. O'Brien having been taken suddenly ill that afternoon had died a few moments after. To those who but a few hours before had seen her, apparently in the best of health and spirits, the news was almost unbelievable, and when its certainty was ascertained there were none to whom the affliction did not seem as a personal loss. The deceased was about fifty years old and had never suffered any serious illness. During her residence in Georgetown her buoyant cheerful nature, and her never failing kindness of heart had won the affection of all who came in contact with her. It is much to say of a person that she lived without enemies, but if Mrs. O'Brien had such, none could ever perceive it. A tender affectionate wife, the best of mothers and the truest of friends, one can surely hope that such visitors have ere now brought their own reward, and that the rest which she on earth denied herself is now her eternal portion. The funeral was held on Thursday morning and in spite of the inclement weather was largely attended. The funeral Mass was sung by Rev. D.P. Croken, Fr. Theodore Gallant officiating at the organ. The sincere and heartfelt sympathy of their many friends goes out to the bereaved husband and daughter.—G.

...We are showing now a splendidly varied assortment of hair combs for men and women, some in Vulcanite, black, others in Egyptian Ivory white. There is a splendid variety of sizes and grades to suit every person and the prices are moderate. We are showing also some good values in fine tooth combs, pocket combs and barbers' combs. You should see the display. McKinnon Drug Co. Cor. Great George and Kent Sts. Mt.

TEA DUST, VERSUS WHOLE LEAF

Tea dust is worth first hand just about one quarter of the price of whole leaf teas, therefore, you can easily understand why so many tea sales are loaded with it to the disadvantage of the public. "Salada" Teas are the pick of the finest gardens in Ceylon, and are clean, rich, full flavored, free of dust and delicious.

The very next time you are buying Tea insist on getting "Salada." You will not be disappointed.

...SUBSCRIBERS should renew a week or two before the time they have paid for has expired and thus not miss an issue, as all papers are discontinued promptly on expiry date.

...Added to the purity, reliability and efficiency of the prescription is that important factor, cleanliness. The prescription department of the Rexall Store is the cleanest in Charlottetown. Everything is kept under glass covers. The prescription counter is spotlessly clean, the most improved weighing machines are used and only expert pharmacists take part in any of the work. Add to these factors our prompt services, quick delivery and reasonable charge. —These are all you need in good prescription service. McKinnon Drug Co., Cor. Great George and Kent Sts. M.E.F.
