Womanly Troubles

Should Not Be Allowed to Undermine Health.

It is impossible to go into details on this subject but the experience of many a poor woman who is crippled for life, just because she didn't use a good remedy in time should be a warning to others.

When the first stages of womanhood appears in a young girl, a great deal depends in getting her over this critical stage, so in years to come she will not develop green sickness or consumption.

When she complains of flushed face, headache bearing down feelings, give her a course of Ferrozone which will carry her past the crisis.

In the adult woman if any irregularities occur, Ferrozone will be found a remedy of remarkable potency and power.

Ferrozone is the ideal regulator and causes all organs of the body to perform their work properly.

It purifies the blood, tones up the nerves and vital energies. The stomach is strengthened, and digestive and assimilative processes are improved by the good work of Ferrozone. It regulates the bowels, cures constipation and piles, and replaces disease and decay by health and strength.

There is nothing better for the complexion than Ferrozone. It removes the dark circles from under the eyes, removes and cures all manner of skin eruptions, gives brightness and brilliancy to the eyes, a rosy tint to the cheeks, whitens the teeth and develops a well rounded, plump and handsome form. Ferrozone is the ladies' favorite, and should find a place in every household. It is prepared in the form of a chocolate coated tablet, convenient and pleasant to take. Price per box, 50c or three boxes for \$1.25. Sold by all druggists.

-The home of Alma and Mrs. Picketts, Wilmot Valley, presented a lively appearance when about thirty young people met there in honor of Mr. Picketts' sons who left this week for Saskatchewan. Games of different kinds were heartily enjoyed by all. Then followed singing, Mrs. Robert Hogg ably presiding at the organ, and after a brief bill a short address was read by Gordon Huestis, and William and Bruce Picketts were each presented with a volume of poems as a souvenir of their visit to their Island home. The presentation was made by Misses Beente Clark and Lily Huestis. Ring worm

STUBBORN CASE HEALED BY ZAM-BUK.

The most troublesome and obstinate of all scalp troubles is Ringworm. Mrs. H. Girdleston of 106 Rawdon St., Brantford, Ont., says: "My daughter had ringworm very bad, so bad that I was compelled to have her hair cut off. I obtained a preparation from the druggist to paint the sores, but instead of curing the Ringworm developed into nasty sores matted and smelling badly. I saw Zam-Buk advertised in the newspaper and immediately sent for a box. After several applications I could see a great improvement, and as I kept up the Zam-Buk treatment daily the disease was soon checked. The nasty sores were thoroughly cleaned and healed and all trace of Ringworm banished from the child's scalp in a few weeks after commencing with Zam-Buk. I cannot recommend Zam-Buk too highly." Zam-Buk cures cuts, burns, chapped hands, cold sores, itch, lice, eczema, running sores, catarrh, piles, bad legs, rheumatism, neuralgia, sciatica, abscesses and all diseases of the skin. Of all druggists and stores, 50c., or post-paid on receipt of price, from Zam-Buk Co., Toronto. 5 boxes \$2.50.
