

AUTOINTOXICATION OR SELF-POISONING

The Dangerous Condition Which Produces Many Well Known Diseases.

HOW TO GUARD AGAINST THIS TROUBLE

"FRUIT-A-TIVES" — The Wonderful Fruit Medicine — will Protect You

Auto-intoxication means self-poisoning, caused by continuous or partial constipation, or insufficient action of the bowels.

Instead of the refuse matter passing daily from the body, it is absorbed by the blood. As a result, the kidneys and skin are overworked, in their efforts to rid the blood of this poisoning.

Poisoning of the blood in this way often causes indigestion, loss of appetite and disturbed stomach. It may produce headaches and sleeplessness. It may irritate the kidneys and bring on pain in the back, rheumatism, gout, and rheumatic pains. It is the chief cause of eczema — and keeps the whole system unhealthy by the constant absorption into the blood of this refuse matter.

"Fruit-a-tives" will always cure auto-intoxication or self-poisoning — as "Fruit-a-tives" acts gently on bowels, kidneys and skin, strengthens the bowels and tones up the nervous system. 50c. a box, 6 for \$2.50, trial size, 25c. As there is going to be a prize given to the one who knits the most that evening, every one is expected to be there early and bring their own knitting needles.

WEDDING BELLS.—As the busy clock chimed the hour of seven on Wed. Sept. 20, a picturesque scene of unusual recordance was enacted at the home of Mr. and Mrs. Chas. Campbell, Chatham, when their eldest daughter Gladys Pearl was united in marriage to Mr. Henry G. Affleck, Searletown. As the strains of Lohegrins Wedding March was rendered by Miss Ruth Howatt, Bedouque, the bridal couple unattended entered the parlour which was beautifully decorated with Autumn trimmings. Golden Glow blossoms and house plants, where the ceremony was conducted by Rev. E. P. Calder in his well known famous manner. The bride looked superlatively charming being attired in white silk with silk ribbon trimmings. Ninon Vestee and bridal veil with orange blossoms, carrying a dainty bouquet of white asters and trailing ferns. The nearest relative of the contracting parties living in the vicinity of Bedouque witnessed the ceremony. The gifts beautiful and costly revealed the high esteem and favour the young couple were held in the minds of the donors. Friday the party repaired to the dining room which was adorned with Green and Red where in accordance a sumptuous repast was displayed. About nine o'clock the bride and groom were greeted by an unusually large band of chavariers who not only did honour to the occasion but revealed their high respect and good behaviour to such a degree that every guest present could not refrain from speaking about them with the highest appreciation. At an early hour Mr. and Mrs. Affleck left for their future home at Searletown, but not before congratulations and every good wish were bestowed on them.

A SUMMERSIDE PROTEST.—There is but one place on the map, and one only, as this will go to testify: According to a letter received by a representative Summerside business man, Sir Herbert Ames was to have arrived in Summerside on Wednesday evening by the Northumberland to talk over various matters in connection with the Patriotic Fund with some of the citizens who are interested in this matter. On Thursday Sir Herbert was to proceed to Charlottetown on the same mission. On Wednesday evening when the Northumberland docked certain leading citizens were on the wharf to meet the visitor. Sometime later it was discovered that those in Charlottetown who had charge of the matter had wired Sir Herbert that it was not advisable to come to this province at present as Charlottetown's accommodations were overtaxed owing to the Exhibition. It would have been a matter of common courtesy on the part of the Charlottetown committee in Charlottetown to advise Summerside of its intentions, and thereby save many justly ruffled feelings.—Summerside Agriculturist.

RETURNED HERO.—Lieut. G. C. Skinner, of Louisburg, C. P., is the guest of Mr. and Mrs. J. McLaine, Prince Street. Lieut. Skinner enlisted in Winnipeg at the outbreak of the war, with the Canadian Army Veterinary Corps, but joined the Infantry at Salisbury Plains. He left Canada in October, 1914 with the first Battalion, First Brigade, First Division, and reached the trenches February 11, 1915. He spent 18 months continuously on the battlefield, taking part in all the operations in which Canadians were engaged, including the second battle of Ypres, Festubert, Givency and the third battle of Ypres. On June 13th, when engaged in transport work on the Ypres salient, a high explosive shell exploded in the ground underneath Lt. Skinner and his horse. Both horses and man were blown up, the horse being killed, and the Lieutenant wounded in the knee and back. He spent six weeks in the hospitals and was then invalided home. He arrived in Winnipeg on August 19th, and from there went to Leclairsburg. Mr. Skinner entered the trenches as a Private, but received his commission on the field on April 19, 1916. Needless to say he has had memorable experiences, but his natural modesty prevents him from elaborating on what he has gone through. He was three hundred yards behind the firing line when the shell which put him temporarily out of commission "got him." During the memorable battle of Ypres, in which General Mercer was killed, and Colonel Williams captured, Lieut. Skinner's battalion was in support, but it subsequently moved up, and on the 13th of June shared in the honor of re-capturing lost ground. The Lieutenant says that the morale of the Canadian troops is excellent. Asked as to the duration of the war, he said that he had formed no opinion, but believes that at least within a year the triumph of the Allies will be complete. He leaves for Louisburg on Wednesday morning.

A ceremony which will be memorable in the annals of the Catholic Church of Charlottetown was witnessed in St. Dunstan's Cathedral yesterday morning, when Revs. J. E. Dougan and F. J. Hughes were elevated to the Holy Priesthood. At 11 o'clock His Lordship the Bishop of Charlottetown, began Mass and at the end of the epistle performed the ceremony of ordination. The candidates were presented by Father Maurice McDonald as Archdeacon, Father McQuaid acting as sub-deacon, Father Hughes as Master of Ceremonies, and Fathers G. J. McLellan, Owen Kiggins, C. J. McDonald, Joseph Rooney and W. E. Cameron assisting. The candidates being duly presented, His Lordship addressed the clergy and the people, and later those about to be ordained.

Sold by Johnson & Johnson and E. A. Foster, Distributing Agents for P.E.I. and home through the kindness of

candidates, as also did each of the priests present. Next the bishop and all the clergy raised their right hands and held them extended over the candidates while the bishop said: "Let us, dearly beloved brethren beseech God the Father Almighty to multiply His heavenly gifts on these His servants, whom he has chosen for the office of Priesthood and enable them to fulfill by His help what they undertake through His favour."

This concluded, his Lordship prayed for those about to be ordained after which he proceeded with the preface special for ordination. Then, with his mitre on, and taking the stole which hung from the left shoulder of each candidate, and arranging it in the form of a cross on the breast of each he pronounced the words: "Receive the yoke of the Lord; for His yoke is sweet and His burden light." He then placed over the shoulders of each a chasuble folded behind and hanging down in front, at the same time saying, "Receive the priestly vestment by which charity is signified; for God is powerful to make you grow in charity and every perfect work," to which the ordained candidates responded, "Thanks be to God."

This was followed by a prayer by his Lordship, who then intoned the "Veni Creator spiritus." The hymn being taken up by the choir. The Bishop then anointed the hands of the candidates with the oil of Catechumens. This done, he closed the hands of each, one of the attending priests binding the hands together with a white linen cloth. Each candidate was next presented with a chalice, containing wine and water, a paten upon it with a host, the Bishop saying the words: "Receive power to offer sacrifice to God and to celebrate Mass as well for the living as for the dead in the name of the Lord." His Lordship again proceeded with the Mass, and after the Agnus Dei gave the kiss of peace to the ordained priests.
