Prominent Farmer Praises Dreco

Mr. Dover Gets Excellent Results From Dreco and Feels He Owes His Present Good Health to its Splendid Tonic and Corrective Properties

Mr. Joseph S. Dover, a prosperous farmer. of Little York, Prince Edward Island, has put Dreco to the test and thereby proved its reliability as a tonic and health builder. Despite his 64 ears, th.s grand remedy relieved his sufferings and he has gained ten pounds in weight. This is how Mr. Dover feels about it.

"I suffered from stomach trouble, dizzy spells, pains in my hips and legs and also pains around my heart. I was not able to work, could not sleep and had no appetite. Dreco, however. has made a big difference in my condition.

"The pains have all left me.I sleep soundly and enjoy every meal and what is more, can work all day long with all my old time activity. I cannot praise Dreco too highly and recommend it to all who suffer as I did."

If you suffer, are rundown, and generally feel the need of a reliable tonic and system builder, try Dreco. This famous remedy has proved its value in thousands of cases and responsible people are the first to speak its praise. It contains no mercury, potash or habit forming drugs, being made from Nature's own herbs, roots, bark and leaves.

Dreco is being specially introduced in Charlottetown by E. A. Foster. It is also sold in Montague by H.J.Mabon, in Souris by Souris Drug Co., in Summerside by Gallant Drug Co., Limited and by a good druggist everywhere.

FAREWELL PRESENTATION

The regular meeting of Central Royalty Women's Institute was held at Mrs. J. W. Trowsdale's on December 6th, the President, Mrs. James F. Roper in the chair.

After the business was dispensed with, the following programme was rendered: Opening Chorus—"It isn't any trouble Just to Smile." Reading by Mrs. Harper—"That Boy of Ourn." Song by Mrs. Chowen—"When You and I Were Young Maggie." Reading by Mrs. Webb—"Timothy Doolan's Will." Solo by Nadine Roper—"My Old Prince Edward Home" (encored) Reading by the President—"Pointer's Dyspeptic Goat." Song by Mrs. Trowsdale—"My Daisy Bell." Reading by Laura Cullen—"The Minister's Grievances." Song by Ruth Webb—"Let the Rest of the World go by." Solo by Mrs. Agnew—"Look Down Dear Eyes." The accompanists were Mrs. Alexander Agnew and Miss Gertrude Cullen. An interesting eature of the meeting was the reading of an address, and the presentation of a brooch with wish bone set with pearls, to Mrs. J. B. Rombough.

The presentation was made by Miss Nadine Roper, and the following address was read by Miss Gertrude Cullen:—

Dear Mrs. Rombough:—As you are soon to leave us to take up your abode in another Province, we desire to express our deep regret at the departure from our midst, of Mr. Rombough and yourself.

As you are soon to leave us to take up your abode in another Province, we desire to express our deep regret at the departure from our midst, of Mr. Rombough and yourself.

As a member of the Women's Institute you have rendered valuable service by your kindly counsel and cheerful co-operation, and we wish also to bear testimony to the active interest which your husband has also taken in community welfare.

Since coming amongst us you have made many sincere friends and the bonds of friendship have been strengthened with the passing days. Though many miles divide us, we will ever cherish pleasant memories of Mr. and Mrs. J. B. Rombough, and can assure you a warm welcome if you ever return.

As a token of our regard and esteem, and as a souvenir of your residence in Central Royalty, please accept the accompanying gift, to which we add our warmest wishes for an overflowing measure of happiness and enjoyment in your new home.

On behalf of the Central Royalty Women's Institute:

Mrs. J. F. Roper, President.
Mrs. J.W.Trowsdale, Vice-Pres.
Miss Gertrude Cullen, Secretary

Mrs. Rombough, though taken completely by surprise, spoke at length of the good work the Women's Institutes are doing for the children of the country, who will be taking our place in the future. Although not able to do a great lot herself she has been greatly interested in all our undertakings. She never had the least idea of getting a remembrance, but was deeply grateful, especially for the kind words in the address.

Mr. Rombough then spoke briefly of the kindness of their neighbors and friends since coming to the Royalty ten years ago. Although coming here from the largest cities in the world and settling down (in the woods) yet they made many friends and it was real homelike and he was very sorry to leave it.

The programme closed with the singing of "For they are Jolly Good Fellows," after which Mrs. Rombough entertained the Institute by music on the piano. A delicious luncheon was served by the hostess, when we all joined hands and sang "Auld Lang Syne."

Stomach Troubles Are Due To Acidity

Tells Safe, Certain, Speedy Relief For Acid Indigestion.

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache and inability to retain food are in probably nine cases out of ten simply evidence that excessive secretion of acid is taking place in the stomach, causing the formation of gas and acid indigestion.

Gas distends the stomach and causes that full, oppressive, burning feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excess development or secretion of acid.

To stop or prevent this souring of the food contents of the stomach and to neutralize the acid and make it bland and harmless a teaspoonful of Bisurated Magnesia, a good and effective corrector of acid stomach, should be taken in a quarter of a glass of hot or cold water after eating or when ever gas, sourness or acidity is felt. This sweetens the stomach and neutralizes the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use.

An antiacid, such as Bisurated Magnesia which can be obtained from any druggist in either powder or tablet form enables the stomach to do its work properly without the aid of artificial digestents. Magnesia comes in several forms, so be certain to ask for and take only Bisurated Magnesia, which is especially prepared for the above purpose.
