YESTERDAY'S RACES

A GREAT SUCCESS

With elegant weather and a track that could not be better, the races yesterday were a success from every point of view and were witnessed by upwards of thirteen hundred persons.

A unique feature of the day's sport was the first appearance on the Charlottetown Driving Park of the "British Soldier," a splendid trotter owned by Mr. Benjamin Pope, of Boston, a wealthy lumberman and entered by Mr. W. S. McKie. The British Soldier is a son of the famous "Cochata," 2:11 1/4, and "Miss Pratt," also the dam of a leading "lady," 2:7. The British Soldier worked the track here in 1:06 last week.

In the first heat, the 2:16 trot and pace the horses got away after a few scores, Dr. Sharper acting badly on the start to finish, he leading from 1:06 last week, while the other entries were close second, while the other entries made a closely contested race for the third position. In the second heat the Dr was on his good behaviour and the horses got away quickly. Sharper again took the lead and won out by a small margin, Etta 3 driving him closely. The third heat was a battle royal from start to finish, the black mare fighting the whole way. At the finish the spectators all were under the impression that the race was a dead heat, but the judges decided that Dr. Sharper had won by inches.

The 2:24 trot was an interesting race, but it was an easy matter for the British Soldier. He was hardly driven, keeping ahead with consummate ease. Queen Alto was second without much difficulty.

In the 2:30 pace Fernalde had the pole in the first heat, but Derby took it on a spur, closely followed by Moth Miller, Queen Catherine coming in third and Fernalde fourth. In the second heat, a considerable score, the horses got away with Queen Catherine slightly in the lead. However, Derby, by a great burst of speed, took first position and won the heat, with Moth finishing a close second. The third heat was one of the most interesting in the afternoon's racing. On the first turn Catherine crowded Moth Miller, who did the same thing to Derby to some extent, Moth making a break. This was a horse race from start to finish, Derby beating the Queen only by a small margin on the home stretch. It was Queen Catherine's first race on clay and she showed up well. She has every indication of becoming a fast pacer.

During the afternoon the starter announced that the Charlottetown Driving Club would hold matinee races on the Park on Monday, 14th, when they would put on five races as good as yesterday's. The members of the club and other horsemen interested are requested to meet at the Canada Fox Exchange office this evening at 8 o'clock to arrange matters in connection with that meeting.

Following is the summary of yesterday's racing:—

FOUND A SKELETON.

LIVERPOOL, N. S., June 2.—A skeleton was found today by John Jennings, while excavating for a cellar, on the property of Charles Anderson. The skeleton, excepting the skull was much decayed. It was laid with the head to the west and was 17 inches below the surface.

All the teeth are sound. The find was made close to the original shore of the river, and may be that of a suicide, as the custom here until a century ago, was to bury these unfortunate beneath some path along the river bank, or under the public roads.

GRAND TRUNK TRAIN WRECKED.

LONDON, Ont., June 2.—Eighteen people were injured, some of them quite seriously, when Grand Trunk passenger train No. 126, south bound jumped the tracks on the London, Huron and Bruce branch of the line near Hilderton, 12 miles from here, at 10 o'clock this morning. The accident is thought to have been due to a broken rail. The entire train left the rails, the smoking car and coach plunging down a twenty foot embankment.

Henry Eliber, M. P. P. from South Huron was badly shaken up and suffered two fractured ribs. Frank Glass, M. P. from East Middlesex, an other traveller, suffered a broken jaw and collar bone as well as internal injuries. W. J. Mallett, proprietor of the Central Hotel, Exter, had his back badly sprained and was also injured internally. It is not expected that any of the injuries will result fatally.

BRITISH WOMEN MAKING SHELLS.

BARROW, Eng., June 1.—Women will play an increasingly important part in supplying the huge demands of the British army for shells. The Vickers Sons and Maxim works 600 women hands employed in the manufacture of munitions have given such satisfaction that the firm had decided immediately to employ an additional thousand. Other firms are expected to follow the example of Vickers Sons and Maxim.

METHODISTS AND CHURCH UNION.

ST. MARY'S, Ont., June 2.—The Methodist Church has already made its decision and we await with dignity the final decision of the Presbyterians, declared Rev. Dr. H. S. Douglas, of St. Thomas, in referring to church union, in an address before the London Methodist Conference this afternoon.

BE PATRIOTIC!

Those who have not secured a UNION JACK should do so at once, thereby expressing a true loyalty and approval of the mighty conflict in which our Empire is engaged.

All loyal subjects who have celebrated the birthday of King George V by displaying the UNION JACK, should continue to show their patriotism by daily flinging to the breeze the good old flag, until the last great battle is fought and our nation's emblem is crowned with final victory. The Union Jack on your house-front expresses your conviction that the British flag will be triumphant and that a real civilization will conquer a cruel and barbarous foe.

This Presentation is made possible by the leading Canadian newspapers acting in conjunction to provide a flag for every home. These splendid outfits can be secured in no other manner.

HEROIC ACT OF ITALIAN OFFICERS.

ROME, June 1.—Although his arm had been shot away, the commander of the Italian torpedo boat destroyer Turbine, which was sunk in the Adriatic Sea last week by Austrian warships, refused to desert his post and continued to shout orders to his men until his vessel went down.

Further details of the naval fighting were received here today, including news of the gallant behaviour of the Turbine commander. Although outclassed and sinking, the Turbine kept her guns going until her deck was awash. The captain, who had been struck in the arm by a fragment of shell, continued to direct his men, and was the last to leave the ship. He is reported to have been picked up by the Austrians.

ITALIANS FROM CANADA WILL BE CALLED TO WAR.

TORONTO, June 1.—Canadian Italians will go to the war. Official news received in this city today, calling upon all Italian naval and military officers to return home at once, and asking all reservists over twenty years of age to hold themselves ready to join the colours. At the last census there were 5,000 Italian army reservists in Canada.

Doctor Said Only Hope Was in an Operation

WAS SKEPTICAL WHEN HE BEGAN THE USE OF DR. CHASE'S OINTMENT—RELIEF CAME QUICKLY

Here is a plain, honest statement in regard to Dr. Chase's Ointment. You can read the gratitude which its writer feels. One does not suffer from annoying distressing piles for ten years without appreciating a cure when it is obtained.

Almost every mail brings the report of someone who has been cured of piles by the use of Dr. Chase's Ointment. Such statements are never used without the permission of the writer, and until we are satisfied that the cure is genuine and the writer a person believe in operations for piles, and think there is no other cure. Write to Mr. Ingles, enclosing stamp, and he will gladly verify his statement. He will tell you that the pain, the expense, the risk of an operation are quite unnecessary. That relief and cure come with the use of Dr. Chase's Ointment.

Mr. Ernest W. Ingles, Penitentiary, B. C., writes:—"I suffered from piles for ten years, and though I tried all kinds of ointments and injections I really had no permanent relief until I used Dr. Chase's Ointment. I had absolutely no faith in it, for I had been examined by a well-known physician in Vancouver, and he said that an operation was the only thing that would benefit me. It was surprising the relief I obtained from the very first box, and how after using four boxes I am practically cured. My case was so exceptionally bad that I received no relief day or night, and for this reason the results are wonderful."

You can obtain Dr. Chase's Ointment from any dealer at 60 cents a box. If you do not want to risk this much send a two-cent stamp to pay postage, and mention this paper, and we shall send you a sample box free. We are so certain that any sufferer from piles will obtain relief by using this ointment that we do not hesitate to make you this offer. Edman, B. C., writes:—"I suffered from
