**Kirk Sunday School Picnic Held Saturday**

The annual Sunday School picnic of St. James Presbyterian Church was held at the summer home of Mr. J. R. Burnett at Balgownie, the farm of Mr. Robert Rhynes, Dunstable, Saturday afternoon. The outing proved a most enjoyable affair with both old and young entering into the spirit of the occasion. Light showers during the afternoon failed to dampen enthusiasm, the picnicers enjoying the full gamut of entertainment. The various sporting events produced exciting competition with a "mixed" softball game climaxing the afternoon's competitions.

Following the sporting events a sumptuous repast, prepared by the ladies of the church, was served. Prizes for class work were presented by the Minister, the Rev. R. Moorhead Legate, D. D., while the Sunday School Superintendent, Mr. Ian Burnett, presented the prizes to the winners of the sporting competitions.

A sing song with Mrs. Keith Rogers presiding at the piano, wound up the pleasant afternoon. Results of events follow:

Morau, C.S.B., and conducted and officiated at the graveside also. Pall bearers were: Messrs. James Smith, Herbert Gorvett, Joseph Murphy, John Dowling, John Griffin, Michael Sinnott.

**RING-NECKED PHEASANTS HAVING HARD LUCK**—Mounted Police report that the recently imported ring-necked pheasants are having losses. One brood of eight that had hatched successfully west of Charlottetown were destroyed by a large cat. T. Hill stopped slanders on a nest of 11 eggs while spreading manure and broke 9 of them. Needless to say the mother became discouraged and left the broken eggs. The occurrence was accidental as the nest was built in a slight depression in the ground and covered with feathers. Another pheasant is hatching the vicinity and her luck is expected on this one.

**CROW BANDING**—Royal Canadian Mounted Police in this province have been co-operating with the U. S. Department of Agriculture in banding nesting crows during the month of June. Throughout the central portion of the United States east of the Great Plains hundreds of thousands of crows congregate in winter in large roosts. The Biological Survey at Washington are anxious to learn what proportion of these birds come from Canada as well as to gain additional information as to the dispersal from the nest, yearly survival and longevity of the crow. Hence bird banders are requested to band as many nesting crows as possible in Canada and along the northern tier of states bordering Canada. A considerable number have already been banded in this province.

**MARGARET MARTIN**

There entered into her eternal rest on June 18th in Boston, Mass., Margaret Martin in her 74th year.

The deceased lady was born in Valleyfield East, Prince Edward Island, the daughter of John Martin and his wife Flora Buchanan. In her early childhood she moved with her parents from there to Glen William, this Province. While still a young girl she went to the United States where she afterward made her home.

In her early womanhood she entered into Christian Fellowship with the Presbyterian Church at Caledonia under the ministry of the late Rev. John Sutherland. Her daily walk in life fully showed how faithfully she kept the vows then taken. Later she united with the First Presbyterian Church of Columbus Avenue, Boston, of which she remained a faithful member.

All who have enjoyed the pleasure of this estimable lady's acquaintance bear testimony to her stirring work. Her life was devoted to the service of others, especially exemplified by the wonderful care shown to her sister Mary for many years.

Besides this sister living in Roxbury, Mass., there are left to mourn the following brothers and sisters: William in Vancouver, B.C., Angus in Glen William, P.E.I., Katie in Glen William (Mrs. William Schenetsky) of Riverton, Conn.

The funeral which was held on Monday, June 20th, was largely attended by numerous friends and relatives. Interment was in Forest Hill Cemetery.

**RELIGIOUS SERVICES**

**ST. JAMES CHURCH**

The morning service was conducted by the Rev. A. A. Thorpe, Hunter River, who delivered a thoughtful sermon on "The Growth of the Church," based on Ephesians V and 25. Christ also loved the Church and gave Himself for it." He pointed out there must be an increased growth in grace affecting the membership, and then an outward growth tending to bring back the wanderer and the unconverted.

At the evening service the Minister, the Rev. R. Moorhead Legate, delivered a forceful sermon from the text, St. Matt. 11:28. Soloist at the morning service was Miss Margaret Sterns who sang "Cast Thy Burden on the Lord."—Hamblin.

**TRINITY UNITED CHURCH**

At the morning service in Trinity United Church Rev. A. E. MacKenzie preached his farewell sermon on the subject: "Christian Fellowship." Following the sermon, on behalf of Mrs. MacKenzie and himself he expressed appreciation for the kindness and affection the congregation had shown them during their stay in Charlottetown.

The sermon was based on the text 1 John 4:7 "Beloved let us love one another, for love is of God." After saying that Christian Fellowship is just another way of saying "The Church" the speaker stated that Christ is always the head of this fellowship. He then went on to indicate certain things that helped the Fellowship: (1) An understanding of our common purpose in life; (2) Acquaintance with one another; (3) Goodness—sheer moral goodness; (4) Perfect love (which casteth out fear).

As things which endanger the Fellowship, Mr. MacKenzie suggested the following: (1) Neglect, (our preoccupation with other things); (2) Lack of faith—For is by faith that we overcome the world; (4) Avoidance of Personal Responsibility.

What of the future, we ask, in the midst of our hopes and fears? We can at least remember the nature of the Fellowship—it has one Purpose, To establish His Kingdom on the earth; one Slogan, To love one another as He loved us.

If each of us is faithful from day to day in our efforts to advance the coming of the Kingdom, then we shall be doing our part to enrich the fellowship.

At the evening service, the pastor, Rev. Hugh Miller preached and on behalf of the congregation spoke feelingly and regretted the departure of the assistant pastor the Rev. A. E. MacKenzie who with Mrs. MacKenzie leaves today for his new charge at Great Village, N.S.

The special number at the morning service was a solo "Let Not Your Heart be Troubled," very pleasingly rendered by Miss Berna Huestis. In the evening the choir gave a selection from the Hymnary.
