GIVES PAPER AT CONVENTION—Reference was made in the press recently to an important discovery in the ruined city of Troy. Mr. Cedric G. Boulter of this city, who was home this summer on his vacation, was among the students on the excavation staff. On Tuesday of this week Mr. Boulter attended the convention of archaeologists in Philadelphia and gave a paper illustrated with lantern slides on "The Pottery of Troy". The convention continues today.

PUBLIC HEARING ANNOUNCED—Public notice was given by the Board of Commissioners of Public Utilities of Prince Edward Island yesterday that a public hearing or inquiry would be held by the board "concerning the value of the assets and holdings of the Maritime Electric Company Limited used or useful in the furnishing of electric energy to the public within the said province and the cost of producing and supplying such energy and of the rates and charges of the said company for supplying such energy." The hearing, announced by Secretary J. J. Condon, will be held at the board room in the City Building January 6.

IN COUNTY COURT—Judgment for the plaintiff was given in the case of Allison McCleod, Ltd., vs Lee Darrach yesterday at a sitting of Queen's County Court. Judge C. G. Duffy presided. Other cases disposed of include, John McDougall vs. Frank King, judgment for defendant with costs; Septimus H. Colwell vs. Charles Tole and others, judgment for non suit; Peter McCormac vs. Robert Elwood Brehaut vs. Patrick H. Millan and another, judgment for plaintiff, \$37.50 and costs. The court adjourned until January 4.

PERSONALS

Mr. J. W. Boulter, Charlottetown, left yesterday for Wolfville to attend a meeting of the board of governors of Acadia University.

Miss Mary A. MacKenzie, Deaconess St. Paul's Presbyterian Church, Glace Bay, N.S., is spending the Christmas holiday at her home in Glen Valley.

Plane Makes Charter Flight To Prince Co.

A Canadian Airways Stearman single engine plane made a charter trip from Upton Airport to Shamrock and Piusville yesterday. Mr. H. S. Jones was pilot and Mr. C. A. Beer, Provincial Fire Marshal, was a passenger. The trip was made to adjust fire losses and if weather conditions permit a flight would be made to Souris today for a similar purpose, it was said. All Canadian Airways planes at Upton Airport have been equipped with skis. Aviation officials expected yesterday the mail service to the Magdalen Islands would begin the first week in January if present weather conditions continue. Formation of ice at the Gulf Islands is permitting the use of heavy twin engine Dragon and the amount of mail collecting in Charlottetown would be deciding factors as to the time of the first flight.

Red Cross Executive Meets

A meeting of the executive of the Prince Edward Island Division of the Canadian Red Cross Society was held on Tuesday afternoon at the Red Cross office with the president, Mr. George J. Tweedy, in the chair. Others present were: Dr. Johnson, Mr. Wm. Moran, Mr. D. A. MacKinnon, Mrs. J. M. McFadden, Miss Rodd, Mr. W. J. Brantford, Mr. W. B. Aiken, Mr. A. B. Fisher, Mr. C. N. Bisset, Mr. R. H. Rogers, Miss MacLean and Miss Arsenault.

The President reported that he had been advised by the executor of the estate of the late Mrs. C. H. Robinson that \$150.00 had been left by Mrs. Robinson for the Red Cross, the interest on which is to be used in lieu of her yearly contribution to the Society.

The choice of two students for the business courses so generously donated through the Rotary Radio Auction by Mr. Wm. Moran and Mr. B. Miller was approved. Miss Catherine MacLean who is now working for two weeks in this province reported that during the five weeks she spent here in the autumn, she had addressed eight local Teachers' Conventions and had visited the Charlottetown schools speaking to 36 groups of pupils. During the fall, Miss Bessie MacLeod, Assistant Director, had visited 451 schools where she had given 543 talks to pupils. Miss Arsenault had addressed in French the Acadia Teachers' Convention. The number of Junior Branches at present is greater than at the same date last year. At the Crippled Children's Clinic held in Summerside and Charlottetown during November, 267 cases were examined by Dr. Acker.

Mr. Tweedy read correspondence from the National Commissioner, Dr. J. B. Bigger with regard to the letters for the stricken Chinese and reported that he had assured the National Office of the support of this Division. He stated that as plans now stood an appeal would be made through the churches on the sixteenth of January and that letters to individuals would be forwarded by the National Committee on or about this date. There will be no personal solicitation of funds but the Red Cross will receive and forward contributions.

Arrangements for the Society's annual meeting in January were left with the President and Secretary. Mr. R. H. Rogers reported for the Committee on By-laws and read the first draft which he had prepared. This was gone over clause by clause, some revisions made and copies ordered typed and distributed to members of the Executive for further study at a meeting to be held in the near future.

South Granville And Vicinity

Mr. Sterling Waddell, Kelly's Cross, was a visitor to South Granville. He was accompanied home by his brother William, teacher of South Granville and Miss Bessie Halliwell, teacher of North Granville to her home in Springton.

Miss Rhoda MacLeod has returned home after spending several weeks at the home of her sister Mrs. Archie MacLeod of Quincy, Mass.

Services are being conducted regularly in the Presbyterian Church here by the Rev. Mr. Detler, who has recently become pastor.

On the evening of Tuesday, December 22nd, at the home of Mr. and Mrs. Sterling Corbett, South Granville, a miscellaneous shower was tendered Miss Elizabeth Corbett, one of the popular young ladies of this vicinity. The occasion was attended by a large number of friends and acquaintances. The presents, composed of aluminum, glassware, linens and sums of money. She was escorted to the parlor, where Miss Annie Morrison and Mrs. James Murphy opened the presents, while Miss Hazel Woodside read the accompanying verses and presented the gifts, after which Miss Corbett thanked those present for their many kind remembrances. All joined in singing For She's A Jolly Good Fellow. A dainty lunch was served. The evening was spent in singing and dancing, thus a very social and enjoyable event was brought to a close.

South Granville School Christmas Concert was held on Monday evening, December 20th, the night was fine and the schoolroom which was tastefully decorated for the occasion was completely filled by interested parents and visitors. The schoolroom was brilliantly lighted by electric light, installed by Herb MacKenzie and Willie Morrison. An artistically trimmed Christmas tree graced the corner of the room, heavily laden with gifts for children, and Mr. Peter A. Morrison capably presided and announced the program consisting of songs, dialogues, step-dancing, recitations and music. The pupils assisted by outside talent, very successfully rendered their parts which were enjoyed by all. The Todd orchestra of Summerside furnished the music, which helped to enliven the evening's entertainment. The program being over, the orchestra played Jingle Bells after which Santa Claus arrived in his usual jovial manner. He wished the boys and girls a Merry Christmas and delighted each boy and girl and the teacher by handing them gifts from the tree. After wishing everybody a Merry Christmas and a Prosperous New Year, he happily took his departure. Two special prizes were awarded, one to Lloyd MacLeod for best attendance and the other to David Parker for deportment. All present were then treated to home made candy by the teacher.

Investigator In Liquor Case Is Reprimanded

Two Charlottetown men, charged with infractions of the Prince Edward Island Prohibition Act, had their cases adjourned until today while another man, also charged under the Prohibition Act, had his case adjourned for a week, by Stipendiary Magistrate K. M. Martin, K. C., yesterday. Witnesses included special investigators employed by the Royal Canadian Mounted Police.

Magistrate Martin yesterday delivered a sharp reprimand to one witness, Ross McCarthy after he had given evidence, cautioning him as to his condition in court. His Honor remarked that the last time the witness was in court his condition was not satisfactory and the Magistrate later regretted he allowed the witness to leave court. The witness was warned that if he came into court in a similar condition again he would not be allowed to leave. Magistrate Martin concluded his warning with the order, "get out!"

Joseph Gillis gave evidence yesterday also. The men told of purchasing liquor from the accused. At a previous hearing the special investigators testified that they were paid \$3.00 per day and provided with incidental expenses up to \$10 or \$15 per night while they were investigating the illegal liquor traffic. They had been employed since early in November.

British Envoy To U. S. To Retire?

(C.P. By Guardian's Special Wire) NEW YORK, Dec. 29—A special cable from London printed in the New York Herald Tribune today said the possibility that Sir Ronald Lindsay, British Ambassador to Washington, may retire in the spring after conclusion of the projected Anglo-American Trade Agreement was under discussion in official quarters in the Empire capital. "Although choice of Sir Ronald's successor is still in the rumor stage," the cable said, "Sir Robert Unsittart, permanent Undersecretary of the Foreign Office, and Lord Tweedsdale, Governor General of Canada, are mentioned."

"Swingtime" At Prince Edward Midnite Show New Year's Eve

Astonishing dancing, delightful romance and a fast-moving story with the screen's finest music have always been features of the Fred Astaire-Ginger Rogers starring pictures. In their newest offering, "Swing Time", coming to the Prince Edward Theatre Friday, M. 12th show these qualities have been enhanced by an even larger percentage of comedy than any of their former pictures contained. With Victor Moore, Helen Broderick and Eric Blore given lavish opportunities in support of the stars, laughs run in a steady stream throughout the film. Moore, whose work as "Public Enemy No. 13" in the New York stage hit, "Anything Goes," firmly established him as Broadway's most consistent comedian, provides a large share of the mirth as a bungling vaudeville musician who the no less convulsing Astaire takes under his wing. And Miss Broderick, who appeared with the Astaire-Rogers duo in "Top Hat," and Eric Blore, who was with him in "Top Hat" and "The Gay Divorcee," both contribute plenty of fun to the many screaming situations in which Astaire and Miss Rogers find themselves. The story deals with a complicated romance between Astaire, a happy-go-lucky roamer, and Miss Rogers, as an instructor in a dance academy. Blore is the owner of the academy and Miss Broderick is another of his teachers, and the quintette of principals makes "Swing Time" easily the funniest of all the Astaire-Rogers hits. Betty Furness and Georges Metaxa, also featured, are romantic foils to a hectic courtship enacted by the stars. The Jerome Kern numbers for the show include the melodies for "Waltz in Swing Time," and the dance music for the "Pick Yourself Up," "Never Gonna Dance," and the "Bangles of Harlem," dances, besides three others.

Zero Weather Is Experienced In Province

Prince Edward Islanders shivered last night as the thermometer dropped to near the zero mark and a 22-mile per hour wind fanned light snow into a ground drift that piled up on roads. All Island trains were using plows and running slightly behind schedule because of heavy tracks, railroad officials in Charlottetown said last night. Yesterday morning at 9 o'clock the temperature was 25 above zero and at 8 o'clock last night was still dropping to 2 above and was still going down. Mr. Warren Burns, meteorologist at the Charlottetown Experimental Station reported. The wind was west, 22 miles per hour, and the barometer was rising indicating probably continued cold weather. Roads in the province were blocked for motor cars except a few miles in some sections and part of the Charlottetown-Summerside highway. A few automobiles were carried on railway flatcars between Charlottetown and Borden yesterday when motorists returning to their homes found the highway blocked by snow. The Rocky Point ferry "Fairview" was still running but the harbor was full of "lolly" and waterfront men predicted that if the cold snap continued ice would form rapidly. Last year the ferry was operating on almost summer schedule until late in February.

Tiny Infant Is "Doing Well" (C. P. By Guardian's Special Wire) TORONTO, Dec. 28—The daughter of Mrs. Samuel Fine, born Christmas Day, the smallest baby ever to arrive in Toronto, is doing well after the initial 48-hour danger period, it was reported at hospital today. The baby weighed one pound, 14 1/2 ounces at birth and dropped an ounce the first day. Today she was back to one pound, 14 ounces. Though only 12 inches long, the baby is formed perfectly. Normal length and weight of new-born babies is about 19 inches and seven pounds.
