## NINE-POWER CONFERENCE CONVENES TODAY

### ALBERTA ACTS REFERRED TO SUPREME COURT

#### KEEN INTEREST IN JUDGING AT FOX SHOW

Favorable Comment  
Voiced—Buying Of-  
fers Freely Made.

Cool, and comparatively clear weather made conditions favorable for the first day's judging in connection with the Provincial Silver Fox Show at the Exhibition grounds. Shortly after nine o'clock Judge George Callbeck viewed the first class which consisted of black, extra dark and dark silver adult males. It was not a large class but there were several very fine specimens of a type that is now almost a memory with us.

#### Optimism Shown In Addresses At Foxmen's Dinner

Enjoyable Function Held At C.N.  
Hotel—Improvement In Quality,  
Markets Promising, Speakers Say

A note of optimism was voiced by speakers at the foxmen's banquet at the Canadian National Hotel last night, in connection with the eighth annual fox exhibition under the auspices of the Silver Fox Breeders and Exhibitors Association of Prince Edward Island. There was "quite an im-  
provement in quality over last year," Mr. George Callbeck, Sum-  
merside, judge of the show de-  
clared in his address. "Don't go  
out of the darker shades altogeth-  
er," he advised while commenting  
on the fact that the pale silver  
classes were much better filled  
than were the darker ones. "Have  
volume of fur, color and size what-  
ever kind you breed," he said. Mr.  
J. C. Donald of the Hudson's Bay  
Company, Winnipeg, said the mar-  
kets "looked very promising" this  
year. Mr. Thomas Fraser of C. M.  
Lampson and Company, London,  
England, supported Mr. Donald's  
remarks on market prospects and  
declared he believed prices would  
"probably be the same as last year  
bringing unforeseen accidents."

Mr. Samuel Johnstone, Fortune  
Bridge, president of the Silver Fox  
Breeders and Exhibitors Associa-  
tion, presided. Speakers included  
the Hon. Thane A. Campbell, Prem-  
ier of the province; Dr. A. A.  
Lockhart, Summerside, president  
of the Canadian National Silver  
Fox Breeders Association; and the  
Hon. W. H. Dennis, minister of  
agriculture. Brief remarks were  
made also by Coun. E. A. Foster,  
acting mayor of Charlottetown;  
George Callbeck, Summerside, judge  
of the show; Thomas McGill,  
Packanham, Ontario; R. H. Mc-  
Tighan, Lanark, Ontario; J. C.  
Donald, of the Hudson's Bay Com-  
pany, Winnipeg; Thomas Fraser,  
of C. M. Lampson and Company,

London, England; D. L. Murray,  
Charlottetown; and W. V. Gordon,  
Halifax, superintendent of the  
Canadian Bank of Commerce. Dr.  
W. J. P. MacMillan was included  
in the list of speakers but was  
unavoidably absent.

The sing song, always a feature  
of foxmen's banquets, was entered  
into most heartily by everyone in  
the banquet hall. It was led by  
Mr. L. W. Hancock of Summers-  
side who delighted the gathering  
with two solos. He sang first "The  
Song Of The Fox" and as an en-  
core number, "The Trumpeter."  
Mr. Albert Blanchard was accom-  
panist.

President Johnstone welcomed  
the foxmen. He referred to the  
large number of foxes on exhibit  
and to the progress being made in  
field work with a view to improv-  
ing quality. The year had been  
outstanding in many respects, he  
believed.

Premier Campbell  
Premier Campbell declared he  
was glad to note the tone of op-  
timism present in the president's  
address and believed it was echoed  
by foxmen from one end of the  
province to the other. He con-  
trasted it with what he felt was  
last year's tone of caution, if not  
doubt and pessimism by those in  
touch with the trend of the in-  
dustry in this province and  
throughout the world.

The note of alarm was brought  
to bear on the government and  
resulted in the appointment of a  
fieldman in the person of W. F.  
Burke. The speaker expressed the  
appreciation of the government at  
the co-operation shown by fox-  
men throughout the province.

The suggestion was frequently  
heard, Premier Campbell said, that  
the present type of exhibition was  
not the one best suited to the de-  
velopment of the ranchers' know-  
ledge of the industry, especially in  
the case of the younger men. It  
was suggested that more demon-  
stration work should be combined  
and should be directed towards an  
educational campaign among ranch-  
ers. He was glad to see that

#### "War Has Been Won" Says Rebel Leader

BURGOS, Spain, Nov. 2.—(CP  
Havas)—General Franco, com-  
mander-in-chief of the Spanish  
Insurgents forces, declared here  
in a formal statement today: "The  
war has been won."  
"It will end in a vertical col-  
lapse of Government forces),  
symptoms of which are becoming  
increasingly apparent every day."  
"Spain will wake up one day  
and will be surprised to learn that  
the war is over."  
Franco made the statement in a  
declaration issued to the press.

#### Government Quickly Quells Army Revolt In Paraguay

ASUNCION, Paraguay, Nov. 2.—  
A state of war was enforced in  
Asuncion, capital of Paraguay, to-  
night after an attempted uprising  
by members of the army who  
sought to create a dictatorship.  
Lieutenant Colonel Arturo Bray,  
chief of the Asuncion headquar-  
ters, was authorized to establish  
the rule although a communique  
from the secretary of state said  
the revolt had been suppressed.  
The insurrection apparently cen-  
tered at Concepcion, 135 miles north  
of Asuncion.  
(Newspaper dispatches to Buen-  
os Aires said the Government  
quickly gained control and the

#### rebels surrendered unconditionally.

These reports said the revolt-  
ers, adherents of Colonel Rafael Fran-  
co, deposed provisional president,  
were in one regiment of the As-  
uncion garrison.)  
"A fraction of the army head-  
quarters at Concepcion revolted  
against constitutional authorities  
in order to re-install dictatorship,"  
the secretary of state's commu-  
nique said.  
"The Government of the repub-  
lic has control of the situation in  
the capital and has the unbreak-  
able loyalty and support of army  
and navy commanders to crush  
the revolt and punish them."

#### SAYS DANZIG WILL SOON FLY GERMAN FLAG

Reich Officials Mini-  
mize Statement  
Made By Nazi Lead-  
er In Free City.

(By The Associated Press)  
BERLIN, Nov. 2.—German offi-  
cials tonight staunchly maintained  
the Free State of Danzig would  
remain a separate entity despite a  
forecast by its Nazi leader that  
"the time will come when the flag  
of the Third Reich will be the  
state flag also of the Free City of  
Danzig."

The prediction, made last night  
by District Leader Albert Forster,  
at Danzig was described authori-  
tatively here as merely "a rhetori-  
cal twist of speech."

The general view in foreign  
quarters, however, was that For-  
ster's statement was intended as a  
trial balloon in the direction of  
Danzig's ultimate union with Ger-  
many.

The Foreign Office spokesman  
here expressed the opinion that  
what Forster really meant was:  
"Just as the Nazi Party in Ger-  
many on assuming full power  
raised its party flag to a national  
emblem, so the Danzig Nazis, now  
that they fully control the little  
Free State, will also make their  
party flag the state emblem."

The spokesman asserted that  
"under no circumstances can the  
deduction be made that Danzig  
will be joined to the Reich when  
the Danzig people adopt our flag  
as theirs."

EXPRESS FEARS  
FREE CITY OF DANZIG, Nov. 2.—  
(CP-Havas)—Opposition fears  
that Danzig's Nazis may consoli-  
date the Free City with Germany  
were strengthened here today as  
the result of an address last night  
by Albert Forster.

In a speech to his followers the  
Danzig Nazi Leader warned that  
"soon the German flag will be that  
of Danzig."

"Soon justice will be done to  
Danzig, which was torn from the  
Reich by arbitrary treaties," For-  
ster declared. He said a new  
legal system will bind Danzig to  
Germany, and that all citizens  
will be Nazis except those who  
are from Poland.

Weight was given to his predic-  
tions by the fact that earlier to-  
day a group of Nazi Storm Troop-  
ers invaded Pleklo village, a sub-  
urb of the Free City, and beat a  
number of Polish residents. Four  
were seriously injured. A number  
of homes were sacked.

In Geneva the executive com-  
mittee of the International Jewish  
Congress sharply protested against  
failure of the League of Nations  
High Commissioner for Danzig to  
curb anti-Semitic excesses which  
broke out in the Free City since  
the Nazis assumed control.

#### 120 Killed In Rebel Raid On Madrid

(A. P. by Guardian's Special Wire)  
MADRID, Nov. 2.—A Spanish  
Government communique to-  
night reported that 120 per-  
sons, including 50 children,  
were killed during an insur-  
gent air raid on Lerida, 75  
miles west of Barcelona. Sev-  
eral hundred were injured.

Nine huge tri-motored bomb-  
ing planes suddenly roared  
over the city in the late after-  
noon just as children were be-  
ing dismissed from school.

Explosion after explosion  
rocked the city as the planes  
dropped a shower of bombs.

One bomb was said to have  
scored a direct hit on a pri-  
mary school. Rescue workers  
pulled the bodies of 50 child-  
ren from the demolished struc-  
ture tonight and the search  
was still not finished.

The communique said peo-  
ple ran in panic through the  
streets in a desperate effort  
to find shelter. Flying bomb  
fragments mowed them down.  
The planes machine guns  
swept the streets.

#### WILL DECIDE VALIDITY OF LEGISLATION

Suggestion Of Prem-  
ier Aberhart That  
Proper Test Case Be  
made, Followed.

(By The Canadian Press)  
OTTAWA, Nov. 2.—Alberta's  
bank taxation, credit control and  
newspaper regulation bills, passed  
at the last special session of the  
legislature, will be subject to re-  
ference to the Supreme Court and  
probably the Privy Council to de-  
termine if they will become law.  
Prime Minister Mackenzie King  
announced tonight.

The Supreme Court will be asked  
to depart from its usual custom  
and "receive such evidence and  
admit such proof" as it may con-  
sider necessary in order to deter-  
mine whether the bills, if allowed  
to become law, would be within  
the competence of the Alberta  
Legislature.

In the meantime the reservation  
of assent, made by Lieutenant  
Governor Bowen of Alberta pending  
signification of the Governor  
General's pleasure, will prevent  
the Acts becoming law. The Gov-  
ernor General himself, acting on  
the advice of his ministers, will  
have final disposition of the bills,  
signifying or withholding royal as-
