Hold Up Monday Night

Monday night about 10:30 while Mr. Wm. Heron, assistant cook of the Car Ferry, who is spending a short time at his home in the city, was coming along Sydney Street, near the corner of Queen, he was held up by two young men who demanded money.

When he refused one of them struck him and again they demanded money. The victim of the assault, who recognized his assailants then handed over his money, about \$20.00 and immediately reported the matter to the Police.

Later in the night, Police Officers Watson Higgins and Dominic Doyle placed under arrest two brothers, Clarence and Walter Power who appeared before His Honour at the Police Court yesterday morning and were remanded until the afternoon.

Yesterday afternoon the prisoners appeared before His Honour and pleaded "not guilty."

Wm. Heron, the complainant and Police Officer Higgins, were the only witnesses examined.

Walter Power took the stand on his own behalf and told of his whereabouts last night, claiming he had not seen Mr. Heron.

His Honour adjourned the case until Wednesday morning to allow prisoner to bring in witnesses to support his evidence.

The Markets

OTTAWA, Ont., Oct. 18.—(Eggs)—No change of any consequence is reported from Canadian egg or poultry markets today.

TORONTO—Receipts of the best grades of eggs here are very light and the market is firm. Dealers are quoting country shippers extras 45-48, firsts 40 to 42, seconds 34-35. Storage eggs are moving to regulars at extras 45, firsts 42, seconds 38-40.

MONTREAL—This market is unchanged but extras but slightly lower on firsts and seconds. Firsts are quoted in a jobbing way at 40-41, seconds at 33-34c.

WINNIPEG—Poultry receipts here are still quite light. Dealers are piling delivered for live chicken over 5 lbs. 21 cents, 4 lbs 19 cents, 3 lbs 16c, fowl over 5 lbs 17c, 4 lbs 14c.

EDMONTON—The egg market here is holding steady. Dealers are quoting country shippers extras 40, firsts 37, seconds 32.

VANCOUVER—There is no change in prices here although the market is tending firmer. Several dealers report a drop in receipts, due to the fact that the old hens have ceased laying and the deficiency is not yet being made up by the pullets. There will be only a few eggs available this week, for out-of-state dealers are quoting country shippers, delivered cases returned extras 46, firsts 42, seconds 35.

Local fresh supplies are scarce and storages eggs are being used more freely.

MONTREAL, Que., Oct. 18.—A fair trade was done in wheat by Montreal exporters with both the United Kingdom and the continent today. There was also more inquiry for ocean grain here and engagements of spot freight to Rotterdam were made on Monday at ten cents per hundred pounds, and today at eleven cents per hundred pounds. A feature of the domestic grain market was the increased demand from exporters for wheat and sales of a number of loads of No. 3 northern were made at 4 1/4 to 3 3/4 cents per bushel over the Winnipeg October option, C. L. F. Montreal.

Coarse grains were weaker and prices declined one cent per bushel. No. 2 Canadian western oats quoted at 75 cents per bushel. The undertone of the market for spring wheat grades of flour was easier but there was no change in values. The local and foreign demand was fair. There was a moderate demand for winter wheat grades and values were steady for all lines of millfeed, the undertone to the market remained steady and prices were unchanged.

The movement of standard grades of rolled oats was fair and prices ruled firm. The trade in baled hay with foreign buyers continued steady but the local demand was quiet. Values were firm.

Prices for all grades of eggs were firm, maintained under a moderate demand. The receipts were 981 cases. A good trade was done in potatoes and the undertone was firm. Car lots of New Brunswick firm, Quebec white stock at \$1.25 to \$1.35 per bag, Cobblers at \$1.30 per bag, and Quebec white stock at \$1.25 to \$1.35 per bag of 90 pounds exclusive of the butter trade and the moderate amount of business was done. The local trade was quiet. Western grades were quoted at 29-34 cents per pound, and eastern grades at 19-22 cents per pound. The receipts were 7,658 packages.

Requisite on the Farm—Every farmer and stock-raiser should keep a supply of Dr. Thomas' Electric Oil on hand, not only as a ready remedy because it is a horse and cattle medicine of great potency. As a substitute for sweet oil for horses and cattle affected by colic it far surpasses anything that can be administered.

JOSEPH MITCHELL

The death occurred in the Charlottetown Hospital yesterday morning after a lengthy illness of Joseph Mitchell of Scotchfort, familiarly known as "Uncle Joe" among his fellow Miemac's of Prince Edward Island. He was 81 years of age and was born at Scotchfort, although he has been all over the Island camping at Lennox Island, Rocky Point and other parts. He had a good knowledge of Indian lore and had a wide spread reputation as a healer on the movements of the stars, and other heavenly bodies and by the marking and formation of the bones of birds and quadrupeds. He possessed a very comfortable house there and spent most of his life fishing and hunting. The funeral will take place this morning to Tracadie Cemetery.

JOSEPH MITCHELL

The death occurred at his residence, 62 School Street Monday of John A. Lawson, a highly respected citizen who had reached the ripe age of 85 years.

Mr. Lawson had been in failing health for some time prior to his death, and he gradually grew weaker until he peacefully passed away.

He was a son of the late William Lawson and was born at Scotchfort, where he came to Charlottetown and after serving for a time as clerk in the Apothecaries Hall, the well known drug establishment, he entered the Postal Service, and for thirty-eight years was a faithful and efficient employee, retiring on superannuation allowance in 1909.

He was the last of a family of nine, being a brother of the late Rev. Stephen G. Lawson, J. D. Lawson, Charles Lawson, all well known in this city, and Dr. Frank Lawson of Central Bedouque.

Mr. Lawson was a man of deep religious convictions, and took a very active part in church work, being an elder in the Presbyterian Church for fifty years, both in St. James and Zion. When Church Union came he identified himself with the United Church in this city. A life long total abstainer, he was so very active in promoting temperance, being a member of various temperance societies, and of the Temperance Alliance. He was also a member of the Masonic and Foresters Orders. He was well read and possessed that strength of mind and character typical of the Lawson family. He was widely esteemed throughout the community, and regarded as one of our best citizens.

There are left to fondly cherish his memory, the following sons and daughters, Frank and Miss Harriet in Everett, Mass., Mrs. B. D. Rogers in Bridgetown, N. S., Miss Louise and Miss Ethel Rogers, Charlottetown, William, Manager of the Bank of Commerce in Alberton, and Mrs. Casely in Edmonton. His beloved wife passed away on June 3rd. Had she lived until October 5th they would have reached their 62nd wedding anniversary. As it was they had both lived to observe the diamond jubilee of their marriage.

Mr. Lawson will be laid to rest this afternoon in the People's Cemetery, the service starting at the house at 2 p. m.
