### THIS IS HON FRED PETERS OPINION.

WINNIPEG, Nov. 2.—Hon. Fred Peters of Victoria, former Premier of Prince Edward Island, passed through the City to the west tonight. Mr. Peters is confident of a Liberal victory at the polls tomorrow. He said: "The idea of giving two seats in Prince Edward Island to the Conservatives is absurd. There is no more chance of electing two conservatives in Prince Edward Island than there is, for instance, of defeating Greenway in Lisgar. None of the conservatives of the Island expect to elect any candidates. Four seats are conceded to the government."

"In New Brunswick similar conditions exist. No intelligent Conservative in New Brunswick really expects that the Opposition can carry six seats in that Province. There is nothing to warrant it either in Dominion politics or in local conditions. In Ontario the result will also be somewhat more favorable to our Government than is supposed in the West. The best judges say that the parties will split even in Ontario, and we certainly do not need any more than that."

JABEL ROBINSON  
Independent Candidate defeated in West Elgin.

## NEWSPAPERS ARE ANGRY

### London Journals Assail the Government for Not Contracting Alarmist Rumors.

LONDON, Nov. 2.—Yesterday's attack of nerves, due to misinformed statements in the London newspapers has given way to extreme calm. The newspapers angrily assail the Government for leaving London to wrestle with its fears and all day long when a word would have disposed of all the alarms and they suggested that if the Admiralty would request Vice Admiral Lord Charles Beresford to refrain from "surprise mobilizations" and other interesting manoeuvres during the next few days, it would not only add to the tranquility of the country, but would smooth the way to a final settlement of the dispute.

Today's Cabinet excites not the slightest interest on the part of general public. For the first time in many years, the Ministers met at the Premier's residence, as Mr. Balfour is suffering from the blocking of a small vein in his left leg, requiring complete rest. All the Ministers were present, Foreign Secretary Lansdowne coming in after having interviews with ambassadors Benckendorff and Cambon, who were early visitors at Lansdowne House and the Foreign Office respectively. The two ambassadors had previously met to discuss some points of detail in the formation of the International Commission. The Cabinet sat for nearly a couple of hours, the subject of discussion being details of the arrangements for the International Commission.
