FINANCE

By Frederick Gardner
Associated Press Financial Writer

NEW YORK, March 12—(AP)—Shipbuilding shares advanced today under the impetus of the lease-lend law for aid to Great Britain, but a parallel upward movement through the rest of the stock market collapsed under the pressure of late profit-taking.

A few fractional gains and losses were sprinkled about the Canadian list, Distillers Seagram, Lake Shore Mines and Shawinigan were easy. International Nickel and Power Corporation steadied.

The Associated Press average of 60 selected stocks was unchanged from yesterday at 41.7. Transactions totalled 461,000 shares compared with 507,640 yesterday.

Best performers on the rising side included New York Shipbuilding, Electric Boat, Bath Iron Works, Eastern, Douglas Aircraft and General Motors. On the downside were U.S. Steel, Bethlehem, Chrysler, Montgomery Ward, Westinghouse, United Aircraft and Anaconda.

MONTREAL, March 12—(CP)—Leaders ran a staggered course on the stock market today, several sagging to new lows and recovering.

Steel of Canada common dropped to a new low in early trading and then finished firmer. The preferred pushed up a full point. Activity in the issues was said by market students to have been caused by the declaration of a dividend of 75 cents on both the common and preferred by the company, as compared with 43 3-4 cents per share previously. Shawinigan went to a new low level and came back. Bell Telephone sagged at the opening but was a point to the good at the finish.

In the balance of the list, stocks which improved were Brazilian, Dominion Bridge, National Steel Car, Noranda and Canada Steamship preferred. Losers were Montreal Tramways, Montreal Power, Dosco "B", Hudson Bay Mining and Canada Steamship common.

Grain

CHICAGO, March 12—(AP)—Net losses of more than a cent were chalked up today in the wheat futures pit here as grain traders stepped up profit taking sales attracted by the 9 to 10 cents advance by various contracts during the past three weeks.

WINNIPEG, March 12—(CP)—Weakness at Chicago and pressure of outside selling left wheat futures prices at lower levels on Winnipeg grain exchange today despite news that 2,500,000 bushels of Canadian wheat had been sold overseas. Final quotations were 3-4—7-8 cent lower, May wheat at 78 1-2 and July 80 1-8 cents a bushel.

Buenos Aires values were unchanged.

Canadian waters are not only a prolific source of good food for our tables, but contribute in important measure to our export trade. It takes a great army of workers—fishermen, canning hands, executives—to catch and market the "silver horde." No sporting pastime is this, but toil and business of great importance to the nation.

The Bank of Montreal co-operates with the FISHERIES' industries by furnishing the specialized types of banking services they need. It is the banking home of thousands of hardy fishermen who have savings or chequing accounts.

Serving Canadians and their industries in every section of the community, we invite you to discuss YOUR banking requirements with us.
