The Millinery People

\$4.50 to \$7.00 ready-to-wear SKIRTS \$2.99

An extra special for exhibition week.

WE BOUGHT the autumn samples of the best ladies' tailors in the Dominion, Messrs. J. H. Waldman & Co., of Montreal at practically our own price, hence the sensational saving chance we are able to offer you to-day.

We cannot recommend too strongly the merits of this line. From every point of view the most exacting tests reveal no weakness. They are new, thoroughly stylish, and a trial on a score of ladies exhibited to us their faultless fit. The fabrics are mostly chevots, tweeds, panamas and the like, and some are colored, but the majority black. They are all good autumn weights and as we have said the cheapest in the lot is worth \$4.00 any time and anywhere.

But see them—when you see them, you will think more of them than we do, if possible.

Second Floor Annex

Modern Millinery

Distinctive, individual, original. Our millinery is in a class by itself.

The styles? As impossible to describe in detail as to paint the leaves of October. They are the styles YOU want—for your face fair or be it dark, be it oval or long, if you are tall or short, stout or slim, endowed by nature with abundant tresses or few—the HAT you NEED is here, waiting to delight you with its becomingness. Paris has been lavish with her Hat shapes—great, striking, daring picture Hats with superb, sweeping feathers that are grace itself—or pert little toques that are charmingly coquetish and so admirably adapted to veils in the winter days.

Your order left in our millinery rooms will ensure your satisfaction and your bill will be as low or lower than ordinary millinery will cost.

Handsome ready-to-wear hats. Dainty headwear for little tots. Graceful ready-trimmed creations. Pretty caps for girls and women. Second Floor—Front.
