

WHERE SHALL I INSURE?

An Experience of 45 Years in the Royal of England and the Mutual Life of New York.

THOS. S. WHITMAN'S LIFE INSURANCE.

RESIDENCE:—ANNAPOLIS, NOVA SCOTIA.

THE ROYAL INSURANCE CO. OF LIVERPOOL, ENGLAND.	THE MUTUAL LIFE OF NEW YORK.
No. of Policy..... 5,832	No. of Policy..... 21,569
Amount of Policy..... \$10,000.00	Amount of Policy..... 5,000.00
Premiums..... 255.00	Premium..... 115.10
Date of Policy, Nov. 16, 1859	Date of Policy, February 15th, 1859
Am't. paid as a death claim..... 15,150.00	Am't. paid as a death claim..... \$10,385.00
45 premiums less cash drawn..... 10,669.37	45 premiums less cash drawn..... 5,145.40
Profit over cost..... \$4,480.63	Profit over cost..... \$5,419.60

The Mutual Life gave more profits over cost on \$5,000 than the Royal did on \$10,000. If the policy of the Mutual had been \$10,000 the premium would have been \$30.20 against the Royal's \$25.00. A difference of \$4.80 per year, which compounded at 4 per cent interest would amount to \$3,721.35.

Nine Nations

Now Use Liquezone. - Won't You Try It—Free?

Millions of people, of nine different nations, are constant users of Liquezone. Some are using it to get well; some to keep well. Some to cure germ diseases; some as a tonic. No medicine was ever so widely employed. These users are everywhere; your neighbors and friends are among them. And half the people you meet—wherever you are—know some-one whom Liquezone has cured.

If you need help, please ask some of these users what Liquezone does. Don't blindly take medicine for what medicine cannot do. Drugs never kill germs. For your own sake, ask about Liquezone; then let us buy you a full-size bottle to try.

We Paid \$100,000
For the American rights to Liquezone. We did this after testing the product for two years, through physicians and hospitals, after proving in thousands of different cases, that Liquezone destroys the cause of any germ disease.

Liquezone has, for more than 20 years, been the constant subject of scientific and chemical research. It is not made by compounding drugs, nor with alcohol. Its virtues are derived solely from gas—largely oxygen gas—by a process requiring immense apparatus and 14 days' time. The result is a liquid that does what oxygen does. It is a nerve food and blood food—the

most helpful thing in the world to you. Its effects are exhilarating, vitalizing, purifying. Yet it is a germicide so certain that we publish on every bottle an offer of \$1,000 for a disease germ that it cannot kill. The reason is that germs are vegetables; and Liquezone—like an excess of oxygen—is deadly to vegetable matter.

There lies the great value of Liquezone. It is the only way known to kill germs in the body without killing the tissue, too. Any drug that kills germs is a poison, and it cannot be taken internally. Every physician knows that medicine is almost helpless in any germ disease.

Germ Diseases.
These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indefinitely uncertain. Liquezone attacks the germs, wherever they are. And when the germs which cause a disease are destroyed, the disease must end, and forever. That is inevitable.

50c. Bottle Free.
If you need Liquezone, and have never tried it, please send us this coupon. We will then mail you an order on a local druggist for a full-size bottle, and we will pay the druggist ourselves for it. This is our free gift, made to convince you; to show you what Liquezone is, and what it can do. In justice to yourself, please, accept it to-day, for it places you under no obligation whatever.

Liquezone costs 50c. and \$1.
