Give The Children Plenty of Good Bread

good home made bread—made of "BEAVER" FLOUR. It means vigor, bone and muscle to your growing children, because it is a perfectly balanced food. And it is the least expensive food you can put on the table.

"BEAVER" FLOUR is a scientific blend of the best Western Spring Wheat and Ontario Fall Wheat. It is as good for pastry as for Bread, and best for both. Your grocer has it.

The Ever Popular Blouse.

To most women a beautiful blouse is perfectly fascinating. Indeed, some women spend as much money for a single blouse as for a tailored suit, and the amount is frequently more than a

hundred dollars for each. This condition is rapidly developing, because the designers of blouses are creating such luxurious styles. The exquisite model pictured is of chiffon and net in lovely tan and brown tones. The square necked effect of tiny pin dotted tulle is very new, and the sleeves are the latest approved of by Parisian makers.

To the Zam-Buk Co.

Dear Sirs,—I have found Zam-Buk most reliable for healing cuts and abrasions; while for the relief of skin irritation it is invaluable.

(Signed)

RODNEY M. LLOYD,
Admiral.

How Zam-Buk Cures Burns.

Stoker Kingsnorth, of H.M. First Class Cruiser "Cochrane," says: "One day I fell with my arm on an exhaust steam pipe, which fairly frizzled the skin. At once the ship's surgeon dressed my arm, but from the first, the burns took the wrong way, owing to a lot of coal dust and dirt from the pipe having got embedded in the flesh and setting up blood-poison.

"For weeks I remained under treatment, but the ordinary ointments proved no good for my arm. Indeed, I got worse, and I became alarmed at the spreading of the poison. I therefore obtained a supply of Zam-Buk and almost as soon as this was applied I got ease. From the very first application, healing commenced; and a few boxes of Zam-Buk healed my wound completely."

Zam-Buk is just as good for piles, blood-poison, festering sores, pimples eruptions, cuts, bruises, and all skin injuries and diseases. 50c. box all druggists and stores, or post free for price from Zam-Buk Co., Toronto. Try Zam-Buk Soap, 25c. tablet.

USE ZAM-BUK

A Different Species.

The young hopeful of a well-known Canadian jurist had lately become very much interested in the study of butterflies and moths. Just before Christmas his father had given him a dollar as a reward for some service and the boy promptly flew off to a bookseller's where he had observed a certain work on sale relating to his favorite study.

He brought the book home in high glee, and speedily became lost in perusing its contents. His father was quite delighted to notice the serious way his young son and heir, was applying himself and asked the boy how he was getting on with his new book.

"Not very well, father. I've read three chapters and can't find a blessed thing about moths."

"Bring the book to me and let me see it," said his father kindly.

On looking at the cover of the book, the judge was extremely amused to read the following title: "Help to Young (Mothers) Moth-ers."

FASHION HINT.

How to Make a Stunning Afternoon Gown.

For the girl who goes to bridge parties or to club afternoons a gown like the one illustrated is very useful, and the best point about it is that it may be evolved from two or more discarded party frocks. In the present instance an old white satin ball dress forms the foundation, over which is draped black dotted net. Trimmings are of black velvet, ribbon and coral beads.
