..BICYCLE RHYME..

Wouldn't This "Explode" You?

Maud Muller, on a summer's day,
Scorched along on the broad highway;
Her wheel a worthy Welland Vale
Or else she'd never tell this tale.
The Judge steamed by, and said: "My dear,
There's room for you; come, jump in here!
My automobile's built for two—
For me, and for a peach like you."
But, as he spoke, his auto, reared
Blew up, and lo! it disappeared.
And Maud said, as she watched his plight,
"Thanks, Judge, You're really out of sight."

Jenny.
Jenny pedals neatly,
Gliding down the street,
Jenny smiles so sweetly,
Jenny is discreet.
Lithesome as a fairy,
Pink as the wild rose,
Golden hair so airy,
Streaming as she goes
On her Cleveland flying,
Drives dull care away.
Were I with her cycling,
What a joyful day!

He Walked The Floor

In Agony With Pains In The Back—Sleep Impossible—Medicine of no Avail Until He got Dr. Chase's Kidney-Liver Pills.

Mr. Patrick J. McLaughlan, Beauharnois, Que., states:—"I was troubled with Kidney Disease and Dyspepsia for 30 years and have been so bad that I could not sleep at nights on account of pains in the back, but would walk the floor all night and suffered terrible agony.

"I tried all sorts of medicines but got no relief until I began using Dr. Chase's Kidney-Liver Pills. They made a new man of me, and the old troubles seem to be driven out of my system."

Dr. Chase's Kidney-Liver Pills have an enormous sale and owe their popularity to the fact that they can be absolutely relied upon to cure all ailments of the kidneys, liver, and stomach. They are purely vegetable in composition, prompt and effective in action, and cure permanently. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates and Co. Toronto.

WORK TO BEGIN

On The S'Side Break-water During THE NEXT FEW DAYS

Mr. R. C. McLeod Will Contract for 4 to 6,000 Tons Island Stone.

Mr. Hugh McDonald, of the firm of McDonald & Moffatt, Sydney, C.B., who have the contract for the Summerside Break-water, arrived here Wednesday evening, and is making preparations to begin work at once. The first work to be done and which will be started in this the next few days will be the building of a temporary wharf at the lighthouse for the landing of stone and other material.

It was the intention of the firm to carry the stone required from Nova Scotia with their own steamer and barges. Yesterday, however, Mr. R. C. McLeod whom they have appointed their agent here submitted specimens of hard Island stone which Mr. McDonald approved of and which he has decided to use for ballasting and has authorized Mr. McLeod to contract for 4 to 6,000 tons, to be delivered in Summerside. Mr. McDonald also purposes building a few lighters if the necessary material can be procured.

A New Antidote For Alcohol.

(From the Times & Opinion.)
London, England.

A recent remarkable discovery in medicine which has been found to annihilate all appetite for alcoholic drink in a few hours, even in the most helpless cases, is attracting a good deal of attention among those interested in temperance work. The medicine is purely vegetable, perfectly harmless, and absolutely free from narcotics. Many well-known physicians who carefully watched several patients while being treated during a demonstration given by the discoverer, Mr. A. Hutton Dixon, of Toronto, Canada, under the auspices of a number of clergymen, philanthropists, and others, are endorsing this new product as being the only physical cure for alcoholism yet discovered which leaves no evil after-effects. The morphine and similar drug craves also yield to this new medicine and the beneficial results from its use in aggravated cases are extremely satisfactory. A strong argument in favor of this welcome help to unfortunate victims of these troubles is that the medicine can be carried in the pocket and taken in absolute privacy, thus dispensing with the publicity, loss of time and expense of an institute treatment. A report of the results of above mentioned demonstration and full particulars regarding this medicine can be obtained by addressing Mr. Dixon, 81 Wilcock Street, Toronto, Ontario.
