Many relatives and friends were also in attendance and all passed a pleasant time in social talk and in singing. An interesting feature of the occasion was the posing for a group photograph of the brothers and sisters present, and an excellent likeness was secured by Montague's expert photographer, W. A. Cumming of the firm of Cumming and Jordan. A photograph was also taken of all the guests and relatives present on the happy occasion. After this enjoyable labor, all partook of refreshments, ice-cream, etc. on the well-kept and attractive lawn. The day was a beautiful one and long to be remembered by all of those who had the privilege of being present. A bountiful banquet was served in the evening by the genial hostess Mrs. P. A. Dewar. Glory Oil Cures Asthma

Glory Oil Company, Port Elgin, N. B. Gentlemen:—This is to certify that I have used Glory Oil with great success. Our little son was troubled with asthma and when one year old he suffered so much from this disease that we were afraid we would lose him. We tried many remedies but without results. At last we procured a bottle of Glory Oil, which we used according to directions. To our delight Glory Oil gave immediate relief. We kept using the oil from time to time and at length we noticed that the attacks became less frequent until they ceased altogether. Our boy is now five and a half years old and he has not had an attack of asthma for over a year. He is now well and strong.

We also have another boy, now twelve years old, who suffered from enlarged tonsils to such an extent that we feared that an operation would be necessary. Glory Oil was used and wrought a complete cure. Our appreciation of your medicine is beyond the power of words to express. You are at liberty to publish this testimonial.

Look over the list of candidates. There are not a great many actively at work in either of the three districts. A "live wire" can enter today and before the close of the second period secure enough votes to put his or her name among the leaders. Why not win a \$2400 Russel Touring Car or one of the Ford autos?

Second Period Closes Saturday Night September 3 Your Best Opportunity to Secure Votes Before Contest Ends

Remember that up to Saturday night, September 3rd, is your best opportunity to secure votes necessary to win the prize you want.

If you have done well so far you can afford to feel content UP TO THIS TIME but you can never afford to feel secure that someone else may not pass you until the contest closes on Sept. 17.

Then if you are ahead of all the rest, the Grand Capital Prize will be yours. You don't have to be first to win a Grand Prize. After the first they are the second, third and fourth Grand Prizes, all of them magnificent, and after the Grand Prizes there are eight fine prizes for each district.
