He is now senior quartermaster of the Canadian in France. Capt. Walker, who is a brother of Mrs. D.R. Chandler, does not expect to arrive home before the middle of the summer.—Moncton Times.

The passing away of Robert Thompson at his home, Milltown Cross, was a painful shock not only to his family and relatives, but also to his many friends throughout the province. Deceased contracted a cold, which developed into double pneumonia and after 11 days illness, patiently borne, passed away, at the age of 52 years. He was a strong, robust man, industrious a kind and obliging neighbour and a good citizen, a general favorite with all his many friends and acquaintances and will be missed by many a friend; but it is in the home, and by his immediate relatives that his absence will be mourned and memory cherished in the years to come. His passing away is a severe blow to his sorrowing wife and only daughter and his aged mother, three sisters and one brother residing in the United States. Spring Medicine

Hood's Sarsaparilla is Needed Now As Never Before—

Because, although the war is over, its work, worry and excitement have undermined your reserve strength. Because the coughs, colds, grip and maybe severer illness, have broken down your power of resistance. Because Winter's work and close confinement have worn-out your stomach and exhausted your blood. Can you afford the good long rest the doctor advises? If not, take a course of the famous old medicine,—the one that mother used to take,—Hood's Sarsaparilla. It's the finest extract of Nature's purifying vitalizing and strength-making roots, herbs, barks and berries such as physicians prescribe, prepared by skillful pharmacists, in condensed and economical form.

If you want the best Spring medicine you'll surely get Hood's Sarsaparilla. Hood's Pills help the liver.

OVERSEAS PARCELS.

The ladies of the Summerside Branch of the Red Cross Society met in the Armoury, Summerside, on Tuesday afternoon to discuss the matter of sending socks and other comforts to the men overseas, and it was decided that parcels to be sent from now on will be sent individually to the men instead of sending large parcels to the Battalions in France and England as the men are moving from place to place and parcels would not reach them before returning home. The President reported that the Christmas stockings were late in arriving in France, some having not reached there until late in February. The ladies intend holding another meeting shortly to settle up their business.

GOING WEST.

Leaving by car ferry on Thursday morning were Messrs. Joseph P. Ellworth and John D. McKenna, Dock Road Lot 4. These young men are bound for the Peace River District where they intend to locate for some time. H.

Before going overseas he was for sixteen years located in Vancouver, but has now decided to remain on the Island.

W. S. HARKINS IN ST. JOHN.

The Globe of St. John Says: W. S. Harkins, who came to St. John on Monday, left to-day for Amherst and Truro. His company, and he says he has a good one, opens at Yarmouth on Monday next in Johnny Get Your Gun, a funny western comedy. The tour includes a visit to Newfoundland. Mr. Harkins is most anxious to include St. John, but the difficulty of obtaining theatre accommodation may force him to cut out this city, although he is convinced the people are hungry for good theatricals. Although Mr. Harkins has had a hard year, in the loss of his only daughter and in an accident which laid him up for some time, he is looking the picture of health and greeted St. John, friendly with a cheery smile and warm hand-clasp.

There passed peacefully away at his home in Park Corner on Mar. 6th, after a lingering illness of about three years, Mr. William H. Campbell in the 64th year of his age.

The deceased had been a victim of a dreadful heart disease from which he suffered great pain and although he wished each time be the last yet he at times bore his suffering with patient fortitude.

It is the Flavour that counts

You know, yourself, that 95% of what you buy to eat, is purchased rather for the flavour than its food value. In other words, we eat what we enjoy, and usually eat only what pleases our palate. There is nothing inviting or appetizing about a loaf of bread made of western spring wheat flour, with its coarse texture, and lack of flavour.

But when the bread and rolls and biscuits are made of

BEAVER FLOUR

MILLED OF BLENDED WHEAT

Ah! that's another story altogether. While the food value of Bread, made of "Beaver" Flour is not to be belittled, it is the delightful flavour, the delicious nutlike "homey" taste, the fine, even texture, the creamy lightness, that make homemade "Beaver" Flour Bread such a treat for young and old alike.

And when it comes to things like Apple and Mince Pies—Chocolate or Layer Cake—or a batch of Cookies or Gingerbread for the children—well—just try "Beaver" Flour once, that's all—and you'll see and taste the difference.

"Beaver" Flour is a blend of the famous Ontario winter wheat and enough western spring wheat to give it strength. It has the flavour of the one and the strength of the other, and being milled of scientifically blended wheat, it is always the same in flavour, in quality and strength. Why miss so many of these good things, by using western wheat flour? Order a sack of "Beaver" Flour, at your dealer's, and begin to enjoy the delicious bread and pastry it makes.
