Oh, boy! No more colds!

Learned how at college

SOUNDS like magic. No more colds! What wouldn't you give to go through the winter without them?

Here is one sensible thing you can do. A preventive measure that doctors recommend.

Every night snuff a little "Vaseline" Petroleum Jelly up the nostrils. It coats the membranes of the nasal passage and actually protects them against germs. According to doctors, germs are not likely to get in their deadly work if these sensitive membranes are fortified against them by lubrication.

This simple treatment makes breathing easier too. You'll sleep more soundly. And snore less.

"Vaseline" Jelly relieves dryness, checks irritations, keeps the nasal secretions normal. So it actually does work to prevent colds. When you are outdoors on a dusty, windy day, use "Vaseline" Jelly in the nostrils to relieve that tickle; keep germs from lodging in the delicate membranes. The tube is convenient to carry, so you can always have it with you when you need it.

If the throat feels husky, take a teaspoonful of the Jelly and swallow it. Radio stars, whose voices mean their bread and butter, have learned this trick. You can profit from it too.

Lay in a supply of "Vaseline" Jelly—in jars or tubes—at the nearest store. Use it regularly every night. And remember, when you buy, that the trademark Vaseline on the package is your assurance you are getting the genuine product of the Chesebrough Mfg. Co., Cons'd, 5520 Chabot Ave., Montreal, Canada.

To the Ayrshire Breeders of P.E.I.

EARLE INGS, Charlottetown, R. R. 5
President.

B. R. BROWN, Yor.k
Secretary-Treasurer.

We wish all breeders of Ayrshire cattle in this province or anyone interested to communicate with the President or Secretary of this Club and state what they have to sell giving age and general description (cows when due to freshen) and also anyone requiring Ayrshires can be accommodated by corresponding with this Club.

Let us all work together in the interest of the breed.

1195-1-21-23-25-28-30-Feb. 1st.

"Announcement"

In order that there may not be any misunderstanding we wish to advise that Alden P. Mulligan of Kinkora and A. H. Affleck of Albany have been appointed as our only agents for these respective districts and solicit a continuance of your patronage and wish to assure you that our goods will be of the the same high standard of quality as they have been in the past and can only be procured in these districts from the above named.

RAW FURS BOUGHT—Five hundred silver black fox pelts wanted immediately, paying cash market price. Bring or send to me. Will pay your fare or transportation if I buy. State lowest prices. Harry Kirsh, 836 Main St., Moncton, N. B. 1480

ST. JAMES CHURCH—At the morning service in St. James Church yesterday Rev. Frederick Williamson of Malpeque preached with much acceptance to a large and appreciative audience. Medelssohn's beautiful solo "Oh Rest in the Lord" was admirably given by Mrs. A. J. Lawson. During the offering the choir gave as an anthem, "the Lord is Exalted."

HOTEL BASEMENT WORK COMPLETED—R. S. Allan & Co., expect to complete today, the extra work of building footings for the piers in the basement of the new Canadian National Hotel. Mr. Allan, who has been in the city during the last week, state that the equipment will be moved from the scene of operations on Thursday for shipment.

W. C. T. U. MEETING — Queens County Executive of the Women's Christian Temperance Union met on Friday afternoon to plan in detail the program for February 17th, the date set for Queens County's next Quarterly Gathering, which will be held in St. Paul's Parish Hall, Charlottetown, between the hours of 12 and 3.

INSTITUTE MEETING. — The January meeting of Pleasant Circle Institute was held at the home of Mrs. Urville Large. There were twelve members present. The meeting presided over by the President, was opened with Carry Me Back to Old Virginia. Roll call followed responded to by silver collection. Minutes were then read and adopted. A letter from the Supervisor was read offering a free course in home cooking and home economics. After some discussion it was decided that the buying committee buy some material for a bazaar. Reading by Mrs. Basil Sherry also one by Miss Norma Tierney. Next meeting to be held at the home of Maysie Cameron. Roll call to be answered with Riddles. A dainty lunch was served by the hostess which brought a very enjoyable evening to a close.

INSTITUTE MEETING. — The members of Cornwall-York Point Women's Institute met with Mrs. E. M. Aitken at her home at Cornwall for their regular monthly meeting. Roll Call was answered by nineteen members. As usual ways and means were discussed for making money, the result of which will appear later A school library and bookcase has been purchased for York Point School. At this meeting the sum of ten dollars was voted for groceries to help an immigrant family in the vicinity. Miss Laura Bain on furlough from India has kindly consented to give a descriptive talk of her journey home at the February 3rd. meeting at Mrs. Mack MacPhail's, York Point. Business part of meeting over a program of music, reading and a tree guessing contest gave much enjoyment to an already very pleasant evening. At the February meeting each member is to bring a likeness of herself, modern or antique, pastel, crayon, oil or rouge tints, daguerootype, tintype or any other type. Prizes are to be given, not for best picture but to the best guesser. A delicious lunch served by the Cornwall ladies was much enjoyed after which meeting closed by singing God Save The King.

According to the metrological department 1929 broke records in England for cold, heat, dryness and winds.

MARKET GOSSIP

Furnished by Mowat & MacGillivray, Stock Brokers.

National Breweries

With the old shares of National Breweries out of the way many look for the new stock to become a market favourite. There are many reasons for such an expectation. The Company has withstood the test of time. Its position today is almost impregnable in the Province of Quebec, Legislation affecting it is now accepted as permanent and the financial condition of the company is excellent. The demand for its products should increase progressively with that of the population and the rapidly growing tourist traffic. Plants and equipment have been brought to a high state of perfection and are ample to care for future requirements. There are no apparent possibilities of a setback in the future. The market does not appear to have discontinued the consistent development of the company. The appreciation in the price of the shares in the past three years is inconsiderable when compared to the increase of 70% in the net available for dividends.

Canada Power & Paper

The Street heard today that plans for the simplification of the financial structure of the Canada Power & Paper Co., Limited were being considered. If such a program is carried out many advantages would be gained. Financing is more easily arranged by one large holding company than by intermediary units. Earnings would go direct to the top company, thus strengthening its credit. Moreover it would give those in control an opportunity of squeezing out a good deal of water.

Side, Back, Arms Ached With Rheumatic Pain

Painful Experience Related by Resident of Goderich

Goderich, Ont., Feb. 3.—From her home on Bennett Street comes word of the wonderful results of Nerviline achieved in Mrs. Levery's case. She suffered from shooting pains in the side, arms and back. These muscular pains caused intense distress. Ordinary measures failed. Then Nerviline was applied. It penetrated quickly. Its pain-relieving influence quickly brought ease and comfort. All pain disappeared—recovery was complete. This all goes to prove what a powerful liniment Nerviline is. Every drop rubs in—and the pains of rheumatism come out. Get a large 35c bottle today.

CAPE TRAVERSE AND VICINITY

The Misses Elva and Marjorie Howatt left recently for Halifax. While there they will be the guests of their sister Mrs. Snowball Allen.

Mrs. Raymond Harvey and little son Lloyd are visiting friends in Freeland and Alberton.

Among those who attended the hockey match in Victoria on Monday evening, between the Kensington Granintes and Victoria Unions were: The Misses Evelyn Bell, Margaret Gould, Willa Crossman, Georgie Driscoll, Hilda Harvey and the Messrs. Harold Campbell, Leonard Gardiner and Earle Sheenan.

Mr. Ralph Campbell of Chelton, visited Cape Traverse on Monday evening, the guest of Mr. George MacMicken.

The many friends of Mr. Gordon Dawson will regret to learn that he had a rib fractured and other minor injuries while operating a gasoline engine. His many friends wish him a speedy recovery.

At Cape Traverse Rink on Tuesday evening was the scene of an exciting game of hockey between Cape Tormentine and Cape Traverse, which ended in a victory for the latter.

The Misses Florence Bell, Laura Howatt and Mr. William Bell were week-end visitors to Tryon and Victoria.

BEAR RIVER AND VICINITY

..*An enjoyable whist party was held on Monday night at the residence of Peter McGaugh, Bear River South. Nine tables were played. The prize winners were Georgie Deagle and Mr. Joseph E. Deagle. A flashlight was raffled and won by Joseph P. Deagle, Bear River. $28 were realized.

Mr. and Mrs. Thomas McGaugh have returned home, after spending a few days with their daughter in Montreal.

..*A very successful whist party was held in St. Alexis Hall Rollo Bay, conducted by Mrs. J. B. Chaisson and Mrs. Edward Mahar. Eight tables were played. The prize winners were Mrs. John J. Deagle and Frank Peters, Rollo Bay. After the whist a delicious lunch was served by those in charge. The sum of twenty-four dollars was realized.

Mr. and Mrs. J. Andrew McDonald, were recent visitors to Souris.

Rev. A. L. Sinnott was a recent visitor to the city, Tuesday last.

TO STUDY THE APE FAMILY

JACKSONVILLE, Fla., Feb. 2.—Representatives of Yale University, who desire to study the reactions of a colony of apes placed in a model American community, contemplate the immediate construction of seven buildings near here at a cost of about $100,000.

Small bungalows for the occupancy of anthropoid families with several bedrooms in each dwelling are planned. Individual drinking fountains, recreation quarters, a swimming pool, a hospital and a garage are among the facilities to be placed at the disposal of the apes.

A thermostatic heating arrangement will afford the same temperatures which the apes enjoy in their native land.
