—IN PREPARATION FOR ST. ANNE'S CELEBRATION—Mr. Terry Doucette, of Summerside, and his squad of artists are now busily engaged in painting the church and Parochial House and the Lady Wood Hall on Lennox Island. New concrete steps have been placed at the Church and Hall, under the direction of Captain Hannon. It is needless to say that all this work is being carried out in the best manner possible and that Lennox Island will look better than it has ever done for the big St. Anne's Celebration that will take place there on Sunday next. The birds roam over an area of rich alluvial diamond deposits and are said to eat diamonds to aid their digestion.
