THE CENTRAL GUARDIAN

THE MAIL SPECIAL.—The mail special from Georgetown arrived in Charlottetown yesterday at 1 o'clock.

THE CAPES MAIL.—The mail special from Cape Traverse arrived in Charlottetown yesterday afternoon at 1.35 o'clock.

FUNERAL TODAY.—The funeral of the late Mrs. Margaret Newsome will take place today, Friday, at 2 p. m. from the home of her son, 206 Kent Street, to the Peoples Cemetery. No flowers.

DISPOSED OF.—Mr. Ira D. Clark, Covehead, sold his prize filly to Mr. Agnew for the handsome sum of \$215 at the sale in connection with the Provincial Horse Show yesterday afternoon.

HAZELBROOK FIELD.—Services on Sunday, March 29th will be as follows:—Cross Roads 11 a. m. Subject: The Creation Story. Lights for Life. Hazelbrook 2 p. m. Subject: The Lights for Humanity. Alexandria, 7 p. m. Subject: Cain and Abel, which died.

Y. M. C. A. DELEGATES.—Among the delegates to the boys conference to be held in Charlottetown from Friday to Sunday, are Messrs. Percy Howatt and Walter Bell from the Methodist Sunday School in Tryon; Messrs. Windsor McLean and William Lord from the Methodist Sunday School in Victoria; and Messrs. William Myers and Joe Trowsdale from the Methodist Sunday School in Hampton.—V.

SERIOUS ACCIDENT.—Mr. Howard Clark, Victoria, had the misfortune to lose a valuable mare, with foal, last week. On going into the stable in the morning he found her unable to get up. After a time he discovered one of her forelegs broken on near the shoulder. Mr. Clark had just laid a new hardwood floor in her stand, and he thinks that, having no shoe on that foot, she must have slipped and thus broken her leg, which made it necessary that she should be killed.—V.

COMING SPEED.—It is noticed that during the last few months some of the lovers of speed in Dunstaffnage and York have purchased some record breakers in order to help out some of the green horses in those districts. Mr. Robert Chappell, Marshfield, also has a beautiful Commodore Ledyard (Com Led) coming four years old which has had no handling for speed except during the last few "minor trots" on East River ice where this horse took first place. Mr. Chappell trusts in the near future to have another spurt with those good speeders, with a little more improved regulations.

Right fresh from the factory, as dainty and delicious as you could wish is our present showing of Wilkard chocolates. Among the different lines we are showing now are—Vineyard, Big Four, Smart Set, Four Hundred, Vanity, Criterion, Connoisseur and Aroma. These range in prices from 50c to \$2.00 a box. The MacKinnon Drug Co., Corner Great George and Kent Sts. Metf.

CRAPAUD.—The Rev. Mr. Dobie will preach, Sunday March 29th, in the Episcopal Church, Crapaud, at 7.00 p. m.

IMPROVEMENTS.—The Clark Bros. painters and paperhangers, Tryon, are in Victoria, working at the house lately purchased by Mr. Harry Clark.

THE STEAMERS.—The Minto locked in Pictou yesterday morning at 10.10 o'clock taking over 60 tons freight, 10 sacks mail and 30 passengers. The Earl Grey arrived in Georgetown at 9.55 with 56 passengers, 68 tons freight and 70 sacks mail.

THE ICE BOATS.—Yesterday morning at 7.45, 7 boats left Cape Traverse and arrived in Cape Tormentine at 12.15 taking over 46 sacks mail and 1 passenger. 7 boats left Tormentine at 7.40 and arrived in Cape Traverse at 11.25 with 54 sacks mail and 1 passenger.

THANKS ARE DUE.—To Mr. T. P. Cass of North River, who obtained permission from the City to have the Carriage and Roadster Stations hewn on Weymouth street Wednesday afternoon. This parade was greatly appreciated by the citizens and people attending the Horse Show.

NARROW ESCAPE.—What might have been a more serious mishap than it turned out to be, happened in Victoria, Thursday evening, when Mr. Charles Clark broke through the ice of slush and got a bad wetting. Luckily the water was not more than waist deep at this place and Mr. Clark escaped with only a cold bath and his rubber boots full of water. V.

THE PEOPLE'S THEATRE.—In yesterday's Guardian, the report of Wednesday's show of Photo Plays at The People's, it was inadvertently stated that the same pictures would be repeated again. Manager Hogg wishes to correct this statement, inasmuch as there is always something new every night at the People's Theatre, with a complete change Monday, two new reels Tuesday, Thursday and Saturdays and three new reels Wednesdays and Fridays—or entire change Monday Wednesday, and Fridays.

HEALTH OFFICER FOR BEAVER LAKE.—A report has reached the Health Officer, Dr. Seymour, to the effect that Dr. Seymour, chief of the Department of Public Health for Saskatchewan, has appointed Dr. J. R. Mathieson of Prince Albert, formerly of Cardigan, P. E. I., to the position of Health Officer for the Beaver Lake gold mining district. Dr. Mathieson, a graduate of McGill University, is recognized as one of the leading physicians and surgeons of the province, and the district is to be congratulated upon securing the services of so capable a man.

Getting Your Money Back

is the main thought of many foolish investors. O! they say to themselves, we will get our money back in two years and we will chance the rest. But what about the fellow you got your money back from, is he going to get his money back and is he going to keep on getting his money back?

That is the Question

We say, yes, undoubtedly yes, if you invest in the fox ranch that has the pelts which will pay big dividends on PELT BASIS—but not otherwise. Now that is why you should put your money into the best foxes on earth.

The Hygrade Black Fox Co.

owns fifteen pairs of DALTON'S PUREST BREED—and that only. Why not invest in \$2,000 pelts before \$200. ones. It is just as easy and a thousand times safer.

The capitalization of \$18,000.00 per pair is not higher and in a ses less than hundreds of fox Companies are asking for the ordinary kind o

Stop and Think

Is there any sense in putting your money in any other ranch while this one has the DALTON FOXES, which bring, for breeding, \$2,000 more per pair than any other, and for PELTS you know none can compare with them. Their records prove it. If you use good judgment, this stock will all be sold very quickly. Shares \$100. par value. Apply to the undersigned.

Remember

The Dalton Company are going to ranch this Company's foxes. You'll get all the benefit and have a permanent investment for all time to come.

I hereby make application for Shares in Hygrade Black Foxes, Limited, and agree to pay ten per cent (10 p. c.) on application, ten per cent (10 p. c.) on June 10th, and the balance on August 15th, 1914.

New Haven Fox Co.

Share in the Profits of 1914
Shares \$25.00 Each
An Established Ranch That Has Met With Success
The Stock Consists of

seven pairs of foxes, one Silver Black male and a female purchased from Mr. J. R. Dinnis. The male is the father in 1913 of three pups, and the female had a litter of four 1912 and three in 1913; also a cross male father of a litter of three in 1912 and six in 1913.

Also two females born in the ranch from the Dinnis parents, and three beautiful Silver Black Foxes, purchased in the Peace River District, and equal in appearance to any foxes in the province—beautiful specimens of the Silver Black Fox. In many ranches foxes are capitalized at \$16,000.00 which are no better than these; and yet the total capital of this company is only \$32,000.00 for seven pairs of foxes, or an average of \$4571.00 per pair.

If you will carefully read the Hudson Bay Company Fur Sales Reports you will observe that foxes from this district are commanding almost as high a price as our own coveted Silver Black Foxes.

Also one pair of good Patches from litter of five, 1913, full brother sold for \$6000.00 this season.

One good pair of cross foxes from prolific stock; male shows some rust; female 90 per cent black.

One good pair of Western Patches of good size and quality.

It would seem to be a safe investment to invest your money in a proposition that has been paying good dividends. This is what they have been doing in the New Haven Ranch.

This ranch was started about four years ago and has met with good success.

In the New Haven Ranch are a number of foxes, owned by private parties, who have merged their interests and formed a joint stock company to be known as the New Haven Fox Company, Limited.

In this ranch are a number of proved breeders who have paid handsome dividends to the owners during the past years.

A Good Proposition

This we believe to be the best opportunity offered this season and should pay dividends of not less than 75 per cent, and it is quite possible for a proposition of this kind to pay 300 per cent.

We know of instances where people in this province have made 1300 per cent in a similar proposition.

Only a Small Lot Offered For Sale Now

If you wish to share in the 1914 profits make application at once. 20 p.c. with application balance in 30 days.

Cost of Keep

Arrangements have been made with S. H. Colwill of New Haven, who has had charge of the ranch for the past four years, to keep, care for and maintain the same for ten per cent of the increase. No charge whatever to be made for the keep of the old foxes now in the ranch.

Application

Fill in this application form to-day and mail to any of the directors

Important! to Users of Fox Netting

Owing to the large number of inquiries from all over Canada for Fox Netting, we strongly advise intending ranchers to book their requirements with us as soon as possible. We have bought over 3000 Rolls of the celebrated "ORB" Brand Netting, which is justly admitted by those who have used different makes to be the best Netting manufactured to-day. "ORB BRAND" Netting is specially made for us by the largest makers in England, and is guaranteed by them and by us. As the demand will be enormous this year, intending purchasers should book their requirements as soon as possible, so as to insure prompt delivery when required. Our price on "ORB BRAND" Netting is guaranteed as low as the cheaper grades, which, in examination, are poorly galvanized and which will rust and break in a short time. We are the largest dealers of Fox Netting in the Dominion; the reason is because we can make prompt shipments of all sizes and our price is the lowest obtainable. We will be pleased to figure on your wants in this line. Send your order in now. Don't delay.

Use "Orb Brand" the Netting with a Reputation

Don't Take A Chance With Inferior Netting. Buy "Orb Brand"

Foxes are altogether too valuable to run any risks of them escaping through the use of poor Netting. It is altogether a too common occurrence for these valuable animals to escape by breaking their way through a wire fence. This does not happen when your ranch is secured by "ORB BRAND" Netting. You are insured against such happenings. "ORB BRAND" Netting is made by the latest and most improved machinery. It unrolls very flat, and the meshes are very uniform, regular, and well and truly shaped. The wire used in making this netting is specially selected and of superior quality, so as to obtain the highest possible strain; and being very heavily galvanized before as well as after being woven, extreme durability is assured which is a matter of great importance to fox ranchers.
