CARNIVAL, Tuesday next.

THE members of "Try Again" Division, S. O. T. Bonshaw, met immediately after their regular meeting on Saturday night last, the object of which was to celebrate the anniversary of their Society's organization. The following program was rendered namely:

Chorus—Choir.
Music—Instrumental, Mamie MacLeod.
Recitation—Janet Gordon.
Duet—Mr. and Mrs. Robertson.
Recitation—Ruth Crosby.
Music—Instrumental, Annie MacLea.
Solo—Maggie MacNevin.
Chorus—Six young men (encores)
Paper—"History of Society since organization," Bertha Crosby.

It is needless to particularize as the entertainment was in every respect a credit to those who took part, each item on the program being rendered in a way to please all who had the pleasure of attending. The committee who were appointed to take charge of the affair then treated the audience to cake and coffee, also oranges, candy and nuts, which needless to say was enjoyed by all. After some instrumental music by Messrs Robertson and McFadyen also Miss Crosby and a few remarks by Jas Smith, the meeting closed by singing God save the King and with three cheers for Try Again Division.

Distress After Eating.

Can Only be Cured by Removing the Cause of the Trouble.

There is only one way to cure indigestion: the medicine must act upon the digestive organs—not upon their contents. Medicine should not do the stomach's work, but should make the stomach do the work nature intended it should do. Dr. Williams' Pink Pills do this as no other medicine can. They tone up the stomach, res are the weakened digestive organs and promote natural digestion. There is no doubt about this—it has been proved in thousands of cases that Dr. Williams' Pink Pills cure indigestion when all other medicines fail. Mr. Edgar Robitoux, St. Jerome, Que., offers his testimony to substantiate this. He says:—"For some years I was a great sufferer from indigestion. My appetite became irregular, and everything I ate felt like a weight on my stomach. I suffered much from pains in the stomach and was frequently seized with dizziness and severe headaches. Nothing I tried did me a particle of good until I began the use of Dr. Williams' Pink Pills, and these, after taking them for about two months, completely cured me. It is nearly two years since I discontinued the use of the pills, and I have not since had the slightest return of the trouble."
Dr. Williams' Pink Pills cure not only indigestion, but every trouble due to a weak blood and shattered nerves. They will not fail if the treatment is given a fair trial. Don't take any pink colored substitute—don't take anything but Dr. Williams' Pink Pills for Pale People. You will find the full name printed on all wrappers around every box. Sold by all medicine dealers or sent by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

THEY WERE THE C. B. C. TEAM.

Referring to the note in The Guardian yesterday asserting that the team that played in Victoria on Saturday night was not the C. B. C. team. I as captain can say that it was the representative college team selected from the best players in the college.

Notwithstanding the emphatic protests made at the last town meeting re the deplorable condition of the sidewalks this winter, nothing has yet been effected by the new board of Assessors to ameliorate their condition. It was a rather picturesque sight to watch the people wending their way to church Sunday night over snowbanks which in some places covered the fences. It is to be hoped that action may follow immediately.

The Rev. M. Rainnie who was detained here owing to the interruption in the winter service preached very acceptably to a large and appreciative congregation in St. David's Presbyterian Church Sunday evening. He chose for his text Rom. 9:21. After exhaustively commenting on what appeared on the surface as the arbitrary power of God—the Christian being supposed to caree out his character after the ideal pattern described in Holy Writ, he lucidly explained that we occupy various positions in life and shall be judged accordingly.

The swiftest, most exciting game of hockey ever played in the Georgetown Rink took place Saturday night between the Deceivers and the Winter Ports. In the first half the score was 1-2 in favor of the Deceivers. In the last half however the Abbie made his presence felt and the game ended 3-5 in favor of the Winter Ports. The Deceivers put up a remarkably stiff game and considering the odds against them are to be congratulated. George Hamilton, Picton, refereed the game to the satisfaction of all concerned. Following were the teams:

Deceivers.	Winter Ports.

R. R. McLean, C. Point	C. Jenkins.
W. Campbell	M. Hemphill.
